4th. B. f., 1 year old, sire, Westlawn 5638, dam by All Right 5817, 3rd dam by Saladin. This filly owing to its choice breeding, and being of a good size, ought to be valuable, either on the track, road, or as a brood mare (eligible to register, rule 7). In fact the above lot has sufficient blood in them to make them valuable as brood mares.

5th. Wine b. c. Graduate 7552, 2 years old in July next, sire, Principal 5629, dam Sappho, by Hernando 2891, 2nd dam by All Right 5817. This colt being very stylish and a good size, ought to make a valuable stock horse (rule 6).

6th. B. g., 2 years old, sire All Right 5817, dam (a celebrated road mare) by Randolph Morgan. This colt being large, with good gait and action, should make an excellent carriage horse, if not a trotter.

8th. Messenger mare, 7 years old, in foal to the standard-bred horse Physician 7342. This is a good looking animal, and would make a desirable carriage and brood mare.

PROVINCIAL LEGISLATURE.

HOUSE OF ASSEMBLY.

TUESDAY, March 19, AFTERNOON SESSION.

Hon. Mr. Sullivan submitted a Bill entitled "An Act Respecting Procedure in the Supreme Court and Court of Chancery."

The House proceeded to the Library and presented to the Lieut. Governor their Address in reply to the Speech from the Throne.

Hon. Mr. Sullivan moved the House into committee on resolutions respecting a bill to improve and consolidate the laws relating to chattel mortgages.

Mr. Shaw in the chair. The resolutions were reported agreed to, and a bill entitled "An Act respecting Mortgages on Personal Property" was submitted.

Hon. Mr. Sullivan submitted a bill relating to the law of Replevin, which was read a first time, and ordered to be read a second time to-morrow.

The Speaker read a letter from John T. Mellish, Esq., President of the Y. M. C. A., tendering the free use of the reading room to the members of the Legislature during the session.

House adjourned.

WEDNESDAY, March 20, House met at 12.40, and gave the bill to amend the Distress Act a third reading.

St. Joseph's Day

The members of the Sodality of St. Joseph celebrated the anniversary of their patron saint yesterday. The first Mass, which was for the benefit of the pupils, was offered at six o'clock in the morning.

Rev. J. C. McLean officiated, and about ninety children approached the Altar. During the Thanksgiving of the pupils a second Mass was celebrated by Rev. A. J. McIntyre. The third Mass was celebrated at seven o'clock by His Lordship Bishop McIntyre, at which about one hundred and fifty members of the Sodality received Holy Communion.

After Communion His Lordship gave a brief address on the life of St. Joseph. At the conclusion of the address the following new members were admitted into the Sodality by Rev. J. C. McLean: Miss Connaghton, Miss McElroy, Miss McTague, Miss Finnigan, Miss Monaghan, Miss Lannon, Miss Fisher, Miss Callaghan, Miss Green, Miss Farmer.

In the evening a sermon was delivered by Rev. J. C. McLean. The sermon was followed by Benediction of the Blessed Sacrament, at which Rev. Allan Macdonald officiated, with Revs. A. J. McIntyre and J. C. McLean as deacon and sub-deacon respectively. Among the clergymen present were Revs. Charles Macdonald and John Macdonald, of St. Dunstan's College, and Revs. P. A. McElmeel and J. J. Macdonald, of St. Dunstan's Cathedral.

The altar was tastefully decorated for the occasion with natural flowers. The singing of the choir of the Sodality, assisted by Messrs. Blanchard, Hermans, Curran and Bell was very good indeed.

Another Successful Islander.

Says the Vancouver, B. C., Times:—"A lease of Cayoosh Creek was received from the government yesterday by a Vancouver company, who propose to go into the work of development on a large scale. At a point on the creek where the stream rushes through a narrow pass and falls a distance of 100 feet, the company propose to run a tunnel from the foot of the falls through the mountain to bed rock on the other side, a distance of about 600 feet. The tunnel will be used to sluice of the bench, consisting of about twenty acres, which there is good reason for believing is very rich.

Chinese miners have been working on this creek for the last number of years, and according to the government report over \$75,000 was taken out last year. The appliances used by the Chinese were, of course, of the most primitive kind, and in many cases, whilst making good pay, they were driven out by the water. The construction of the tunnel will enable the company to get down to bed rock without danger from the same source. The famous Bonanza mine, supposed to be the richest quartz mine in the province, is located at the head of this creek. Mr. R. A. Anderson, the energetic organizer of the company, returns to Vancouver to-night, and it is understood that work will be commenced at once."

The Mr. Anderson referred to in the above paragraph is a native of Prince Edward Island, and a brother of Mr. John Anderson, of the firm of Bowness & Anderson, Kensington. He spent a short and pleasant vacation on the Island last summer. A private letter from Mr. Anderson says that he has been offered \$3,000 for a one-tenth interest. We congratulate our friend on his streak of luck, and trust that the Cayoosh Creek mine may "pan out" well.

Personal.

Dr. Gillis, M. P. P., Summerside, arrived in the city yesterday forenoon. He is at the Davies.

Mr. A. A. Bartlett passed through St. John on Friday en route to New York, whence he sails for Great Britain in the steamship City of New York to-day.

Says the Moncton Times: Universal regret will be expressed at the announcement of the death of the wife of Rev. D. D. Moore—formerly Miss Emma Luttrell—at the youthful age of 22 years. Word was received here last evening that she had passed away yesterday afternoon at her home in Cornwall, P. E. I., after a short illness. Mrs. Moore was married but a year ago and was very much esteemed for her Christian virtues and sweetness of disposition. She will be much missed in church work, in which she always took a deep interest. Mrs. Moore was the second daughter of Richard Luttrell, Esq., at one time superintendent of the Intercolonial Railway, and a sister of Mrs. P. S. Enman, of this town. Mrs. Enman was telegraphed for, but we believe death claimed its own before her arrival at her sister's bedside.

All must be in before May 1st. Address the British American Citizen, 7 Broomfield St., Boston, Mass.

Local and Other Items.

THE STANLEY left Georgetown at the usual hour this morning.

INFLUENZA.—The Times says that an epidemic of influenza or some disease of that description is prevalent in Moncton.

COMING.—Paul Boyton, the famous navigator, is talking about visiting the Maritime Provinces the coming summer.

CONCERT.—A popular Easter Concert will be given in the Upper Prince Street Methodist Church on Easter Monday evening, April 22nd.

Did you notice that fine head of hair at church last Sunday? That was Mrs. B. She never permits herself to be cut of Hall's Hair Renewer.

THE DIFFERENCE.—A man's last words are uttered when he is dying. A woman wants the last word all the time. At least that's how an exchange puts it.

TO BE ABOLISHED.—An exchange reports that the government house at Fredericton, N. B., is to be abolished. It is proposed to utilize it as a deaf and dumb institution.

THE END OF THE WORLD.—A new religion has been started by Miss Court, at Pittsburg, that makes 1890 the date of the world's destruction, when exactly 144,000 souls will be saved.

ENGLISH IMMIGRANTS.—An immense crowd of English immigrants have arrived at Winnipeg this week. It is predicted that the influx this year will exceed the numbers of recent years.

DEATH OF A PATRIARCH.—The death is announced at Montigny, Que., of a patriarchal habitant named Godfroi Letourneau, aged 97. He leaves 15 children, 75 grandchildren, and 35 great-grandchildren.

AFTER CONSOLIDATION.—A bill has been introduced into the New York Legislature for a commission to inquire into the expediency of consolidating Brooklyn and Staten Island with New York city.

SPECIAL SERVICES.—The first of a series of special services was held in the Second Methodist Church last evening, and was well attended. The meeting was one of deep interest. All are welcome. Service to-night at 7.30.

ERRATA.—The statement in yesterday's issue that the Supreme Court at Ottawa had dismissed the case of the Halifax Banking Company vs. Matthew, McLean & Co., with costs, was premature. Judgment has not yet been given.

"Ayer's Medicines have been satisfactory to me throughout my practice, especially Ayer's Cherry Pectoral, which has been used by many of my patients, one of whom says he knows it saved his life."—F. L. Morris, M. D. Brooklyn, N. Y.

THE BURGLARS' RENDEZVOUS.—It has been discovered that burglars have been making use of the sub-basement of the State house at Springfield, Mass., as a place of resort, and a large amount of stolen property has been recovered.

THE WIDOW'S WOOD-PILE.—Here is an item from Maitland, N. S.:—"The male head-end of a family that has but lately begun house-keeping in Maitland, has been accused of making illegal love to the wood-pile of a widow who lives next door."

That tired, debilitated feeling, so peculiar to Spring, indicates depraved blood. Now is the time to prove the beneficial effects of Ayer's Sarsaparilla. It cleanses the system, restores physical energy, and infuses new life and vigor into every fibre of the body.

SULLIVAN'S CONDITION.—There is every reason to believe that Sullivan will never enter the ring again. A travelling man who recently arrived in Toronto from the east and saw Sullivan about ten days ago, says he is a physical wreck and will never get into shape for another battle.

BITTEN BY A HORSE.—The other day, while Mr. Douglas Gildart, of Albert Co., N. B., was engaged in brushing down a young colt, the mother being loose in the barn floor, the colt became enraged and rushed upon her owner. Mr. Gildart struck out with his right hand to ward off the infuriated brute, but had the misfortune to get his thumb so badly bitten that he was obliged to be driven to Moncton where Dr. Bridges found it necessary to perform amputation.

WON'T TRY IT AGAIN.—A shirt band, a collar button and a pair of shoes were all the clothes that Patient McFarland had on when his Michigan friends came to his relief at the Battle Creek sanitarium on Saturday last. A bear is kept in a pit at the sanitarium, to be looked at by the patients. Mr. McFarland, who believed himself a tamer of wild animals, descended into the pit, but the bear was in no mood to visit. He undressed his guest, and, if the sanitarium authorities had not come with a rope, would have killed him.
