JURY AND CO

His Case Continued.

The following in connection with John Allison, the well known Mulderberg lawyer: John is very much of a wag, and on one occasion, even when death was staring him in the face, he could not repress his disposition to be funny. He became ill at his home in Greenville with what was supposed to be heart disease, and a physician was hastily summoned. When he arrived, John was gasping for breath, and his friends expected him to die at any minute. When the doctor asked him what was the matter, he coolly replied, "Doc, I have an intimation that my case is about to be called, and, if possible, I want to get a continuance." The doctor went to work with him, and, contrary to everybody's expectation, did get John a continuance, and he is still alive and practicing law in Greenville, Madisonville (Ky.) Hustler.

The Colored of It.

Dorothy had heard some one singing that classical production, the "Little Alabama Coon," on the street. Presently she came to her mother and asked: "Mamma, what does 'swat' mean?" "What do you think that it means?" "Well, I don't know, mamma, but I s'pose that 'swat' is colored for spunk."—Harper's Bazar.
