## Halifax Falls Victim To Islanders 4-2 In Game Saturday Night

HALIFAX, Jan. 1 — (CP) — Charlottetown Islanders built up a two-goal cushion in the first period and it stood up for a 4-2 win over Halifax St. Mary's in a Maritime Major Hockey League contest here Saturday night.

The victory boosted Islanders' margin over the second place Halifax team to 17 points.

Islanders outplayed Saints only in the first period and although widely outshot in the last two managed to come up with the victory.

With the exception of the third period when Islanders played kitty-bar-the-deer, it was a typical Charlottetown-Halifax game.

### Watson Is Star As St. Mary's Score 5-0 Shutout Over Beavers

SAINT JOHN, N.B., Jan. 1 — (CP) — Bill Watson proved almost a team in himself tonight when he shot four goals and assisted the other as Halifax St. Mary's blanked Saint John Beavers 5-0 in a Maritime Senior Hockey League game.

Watson scored braces in the first and third period periods and assisted Muecke Hollett in the second. The first points gave him the league scoring leadership.

The fast, rugged contest caused two major penalties and one misconduct. It left Beavers 11 points behind second-place St. Mary's.

Beavers outplayed the visitors early in the first period but the Saints soon fought back to better than even terms. Watson's opener was screened against Dennis Brodeur by the scorers' assistants, Eddie Brown and Danny Wilkes. Bill's second hit resulted from an attempted high pass. It hit Beaver Paul Platz and bounced into the cage. Brodeur made nine stops during the session and Eddie D'Aoust had 11 saves.

With five seconds of the period remaining, Cy Thomas and Larry Blackburn received majors for fighting. They left both teams short-handed for almost the first quarter of the middle session.

Nicelle Injured

Saint John's Nick Nicolle, struck on the nose by Brown's stick, was out for practically all of the opening period.

Beavers were slack in clearing when Hollett's second period tally made it 3-0. A short passout from Wilkes, with Watson also helping, preceded the goal. D'Aoust made nine stops during the stanza and Brodeur seven. Nicolle received a 10-minute misconduct for rough language to the referee after Pat Powers was given a minor for holding.

Powers assisted both Watson tal-

In those 44 games, they have been the victors 30 times, have tied two and lost only an even dozen for a total of 62 points. With only 34 games left to play in the regular schedule, it gives the Islanders pucksters such a commanding lead in the league race that nothing short of continued winning streaks by their nearest rivals, Halifax and Saint John, could contest that leadership come playoff time. Both Saint Mary's and Beavers have two games to make up on the Islanders in games played, but that is a minor detail when the margin Islanders hold over those two clubs is taken into consideration.

In the home game on Friday night, the Islanders and Beavers gave local hockey fans plenty of smart action in a contest that provided wide-open, free scoring hockey at some points and tight, close checking action at others. For two periods it was a shifting battle that was anybody's guess as to who would be the final victor. Beavers showed an early first period burst of power that sent them into a 2-0 lead, with both tallies coming off the stick of Buck Whitlock, the swift and sharpshooting Saint John pivot man who got his hockey start in this Province. It was Whitlock's most impressive performance on Charlottetown ice this season.

But that was at the start of the period. Getting their sea legs under them, Islanders started to roll shortly after Whitlock's second tally. Islanders slick passing line of centreman Bucko Trainor and wingmen Walter Pawlyshyn and Bruno "Red" Favero, with the assistance of defenceman Phil Vitale, turned the score around to lead 3-2 before the frame ended. Pawlyshyn fired home two of the markers which sandwiched a goal by Vitale, while Trainor and Favero garnered assists on all three.

Trainer made it 4-2 before the second period was a minute old, but again Beavers showed an aggressive burst of scoring power that deadlocked the game at 4-4 before the midway mark in the frame that stood for the rest of the session. Saint John's third marker also came off the stick of Whitlock for a well-earned hat trick in a period and a half of play, while Paul Platz sank home the equalizing marker. Finishing off with their characteristic third-period driving tactics, Islanders wrapped up the game with two smart goals, while holding their opponents scoreless. Danny Horeck garnered the winning tally, while Favero made the red light flicker for the insurance marker.

Carrying on the good work of the night before, Islanders climaxed a successful 1950 section of the schedule at the Nova Scotia capital on Saturday night. Icing their regular squad against the best the Senators have to offer, they ran up a 3-1 lead in the first period, split

## Danny Horeck Wins Competition

Right winger Danny Horeck (above) proved himself the fastest puck carrier of the Islanders Hockey Club here last night when he made a complete circuit of the rink in the fast time of 15 2/5 seconds in a contest held among members of the Islanders team.

The competitions were held prior to the start of last night's Big Four clash between Islanders and Moncton Hawks, that gave local fans an enjoyable added entertainment feature.

Racing against time, each man took his turn at whipping the puck around the rink, and although the competition was keen Danny was the big winner. Howard Beaudry, Phil Vitale, and Bruno Favero all tied for second place honors with a time of 16 seconds, while Wes "Bucko" Trainor and Marcel Clements were the next fastest with times of 16 1/5.

Johnny Horeck covered the distance in 16 2/5 seconds, while Jack "Spy" Ready and Jack Morrow had times of 17 seconds. Five other members of the Club, Frank Bathgate, George McLagan, Johnny Dutchak, Larry Travis and Walter Pawlyshyn all competed, but were disqualified. Three of them fell while making the circuit and two others lost control of the puck.

Smart Stick Handling

It was left to Islanders' goalie Hal Gordon to give the team a lesson in stick handling. Lining up five Islanders forwards in staggered formation, Hal, with pads, goalie stick and all, weaved his way through the entire opposition without losing possession of the puck. After completing the feat however, the team found to their amazement, that Gordon had taped the puck to his stick. It isn't allowed in the rule book, but Gordon got away with it.

### Score 6-2 Victory Over Moncton Hawks In Game Here Last Night

Potting a brace of goals in each of the three periods while allowing their opponents a single marker in each of the first and second sessions, the Charlottetown Islanders out-generated a hard trying, but short-handed Moncton Hawks team by a 6-2 count here last night to chalk up their first victory of the new year and thirty-first of the season.

The victory left the Islanders still in possession of the league leadership by 17 points over second place Halifax Saint Mary's who also improved their standing last night by downing Saint John by a 5-0 shutout. The losses to Saint John and Moncton left them in third and fourth spots respectively with points deficits of 28 and 37 behind the league leaders.

Witnessed by a comparatively large crowd of fans, the game produced a close-checking, but more or less ragged calibre of play with the Islanders definitely outclassing their rivals throughout most of the contest when they bottled up the Hawks for minutes at a time behind their own blue-line.

Most of Moncton's scoring efforts and close attempts came from breakaways while Islanders were pressing the attack in the Moncton defensive zone.

### Dowling Opens Scoring

Mousey Dowling opened the scoring when he banged on past Hal Gordon from a scramble in front of the net while Islanders played a man short. Johnny Dutchak was serving a minor penalty for elbowing when Dowling flipped it home at 4:05 of the first frame on assists from Gordie Miller and Gus Gallepeau.

Just two minutes later, however, Hub Beaudry tied up the score when he made the light flash from close in after Jack Morrow had sent Beaudry and Marcel Clements off on a passing break from centre ice. Johnny Horeck sent the Islanders into a one-goal lead at 18:24 during a power attack around the net with Brother Danny and Frank Bathgate who both collected assists.

Bathgate was on the scoring end of things with the same two teammates early in the second frame that boosted the score to 4-1, that came from another hammering attack around goalie Les Colvin. Continuing to be the aggressors and hold the play over the visitors, it was not until the 17:57 mark in the frame that Moncton garnered their second and final marker of the contest. Larry Dunville did the honors for the Hawks when Mike Demochuk sent him away on an open break from his own blue-line during a pressure attack by Islanders. Dunville skated right in to the Islanders defence before firing a hard shot between them that caught the corner of the net. With only seven seconds left in the frame, the two Horeck brothers, Danny and Johnny teamed up with George McLagan in another hammering attempt around an over-worked Les Colvin, with Danny banging it home to send the score to 4-2.

Marcel Clements garnered Islanders fifth goal at the 18:13 mark of the final period, after both teams had played a slightly wider brand of hockey. Assisted by Beaudry and Morrow, Clements dented the twines from right in front of the net in a pressing attack.

Walter Pawlyshyn ended the scoring for the night at 18:53 in a tricky play around the Moncton cage with Trainor and Favero, the trio making a number of short, confusing passes around the net before flipping it past Colvin.
