DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market bursts to record volume; prices higher.

New York: Market mixed to slightly higher; active trading.

Montreal: Market rose strongly; heavy trading.

CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canadian funds was up 1-32 at $1.08 3-32. Pound sterling was up ⅛ at $3.02 9-16.

NEW YORK

NEW YORK (AP) — Stock market averages inched their way to record highs again Thursday but once again the stock list as a whole showed more losers than gainers on the New York Stock Exchange. Trading was fairly active.

Volume was 5,270,000 shares compared with 5,310,000 Wednesday. Once again big recent gainers, the airlines and the cigarette stocks, took sharp losses.

The big sensation of the day was Texas Gulf Sulphur which climbed 7 points to 36⅜ on 444,200 shares, making it the most active stock by a huge margin. The company announced that it has made a major discovery of copper, zinc and silver in the Timmins, Ont., area.

The news also spurred Barber Oil to a rise of 4¼ at 87¾. The company owns 300,000 shares of Texas Gulf.

Selective gains by blue chips once again nudged the averages to higher ground. Prominent in the list of gainers was American Telephone, which was heavily traded and up 1⅛ to 70½ following shareholder ratification of its 2-for-1 stock split.

AVERAGE RISES

The Dow Jones industrial average squeezed out a gain of .22 to put it at a record peak of 825.65. Of 1,345 issues traded, losers outnumbered gainers by 546 to 532. The Associated Press average of 60 stocks gained .2 at 305.4, also a new high. Of the 15 most active stocks, seven declined, five advanced and two were unchanged.

Reynolds Tobacco, off 1⅜, was the most active in its group. Amerada rose 3⅛, U.S. Gypsum 2½ and Xerox and Control Data 1⅜ each.

Allied Chemical fell 1⅜, IBM 1¾, Polaroid 2¾ and Union Carbide 1¼.

Among Canadian issues Aluminium Ltd. gained ⅝, McIntyre Porcupine ¾, International Nickel ⅜ and Distillers Seagrams ⅛. Dome Mines lost ½, Granby Mining ¼ and Canadian Pacific ⅛.

Prices were mixed on the American exchange. Scurty Rainbow Oil gained ⅝. Canadian Javelin lost ⅜ and Fargo Oil 1-16.

MONTREAL

FIN LEAD MOT STOCKS

MONTREAL (CP)—A record-smashing burst of trading in speculative mines and rising prices which moved to all-time highs in all groups except banks were highlights at the close of the Montreal and Canadian stock exchanges Thursday.

The composite index bulled its way to a rise of 0.8 to 140.9 and advances led declines 106 to 77. Active trading in speculative mines boosted mines and oils volume to a high of 4,865,600 shares. The previous record, set April 9, 1956, was 3,615,400 shares.

This burst of activity followed an announcement of "a major discovery" by Texas Gulf Sulphur on its zinc-copper-silver property in Kidd Township, north of Timmins, Ont.

Trading in industrials was moderately active. Turnover reached 199,400 shares.

Papers shot up 1.0 to a record 131.7. Fraser and Price Bros. advanced ¼ each to 32 and 43 and Consolidated fell ½ to 41⅝.

REACH PEAK

Industrials climbed 0.9 to an all-time high of 146.3 as Moore Corp. rose ⅞ to 53¾. Utilities rose 0.8 to a high of 129.2 with B.C. Telephone sparking the advance, ahead 2½ points to 91.

Banks edged up 0.1 to 123.4, Canadienne Nationale climbing one point to 80. Falconbridge declined 1⅛ to 67½.

In primary metals Aluminium rose ⅞ to 34⅜. In trade and finance Simpsons climbed ½ to 42½ and Massey Ferguson advanced ¾ to 21¾ in machinery issues.

In food and beverage issues Distillers Seagrams climbed ⅞ to 56⅝. Ogilvie Flour slipped ½ to 15⅝ and Atlantic Sugar and Westons A ¼ each to 18½ and 17.

In speculative mines on the Canadian Exchange White Star moved up 14 cents to 67 cents and Fano nine cents to 28 cents. Northern Explorations fell 13 cents to $1.75 and Chemalloy six cents to $1.84.

TORONTO

TORONTO (CP)—The stock market went on the wildest speculative spree in its history as the volume for the day reached 16,659,000 shares.

The previous record for shares traded in one day was 15,800,000 on July 7, 1958, during the uranium boom. Volume Wednesday was 8,392,000 shares.

The announcement by Texas Gulf Sulphur Co. that it had made a "major discovery" on its zinc-copper-silver property near Timmins, Ont., sparked the wave of buying. Penny issues with property near Texas Gulf surged upwards on heavy turnover.

The leader was PCE Explorations with a gain of 30 cents to 87 cents on 2,559,578 shares. Belleterre rose 21 cents to 62 cents on 580,800 shares.

Industrials were strong with the index at record levels. Reichhold advanced 1¼ to 26¼ and Massey-Ferguson one point to 21⅞ on more than 39,000 shares.

Geco Mines and Denison both slipped ⅛ while Mattagami rose one point to 16 in senior metals. International Nickel gained ⅝.

On index, the Exchange index rose .84 to a record 140.21, industrials .96 to a record 149.90, western oils .87 to 89.36, golds slipped .22 to 130.39 and base metals .34 to 66.42.
