**L'ELECTION PARTIELLE DANS WEST-PRINCE**

Par la mort de M. Perry le siège de West Prince est devenu vacant à la chambre des communes. A quand l'élection qui doit appeler un successeur à M. Perry, c'est ce que nous ne saurions dire, vu que nous ne sommes pas dans les secrets des élus ; mais tout indique que l'électorat sera appelé à se prononcer avant qu'il soit bien longtemps. Il y a déjà un essaim de personnages dans le camp libéral qui se donnent des airs d'importance et qui sont prêts à se pousser en avant à la première invitation. Un de ceux qui paraît le plus désireux d'entrer dans l'arène est l'ex M. P. P. de Palmer Road qui veut sa récompense. On peut, par là, juger de la valeur des déclarations de certains libéraux qui, de leur ton mielleux accoutumés, ont soufflé à l'oreille de quelques conservateurs qu'on permettrait à M. Hackett de se faire élire par acclamation, s'il consentait à se laisser mettre sur les rangs. Les conservateurs doivent se tenir en garde contre de telles déclarations. La politique des libéraux est trop bien connue pour qu'on se fie à de telles paroles. Tout au contraire, les libéraux remueront ciel et terre pour anéantir le candidat conservateur. On rapporte que l'hon John Yeo doit paraître sur la scène pour encourager les croyants et ceux qui commencent à perdre de leur ardeur pour la doctrine grite. De plus les cabaleurs sournois de jadis sont déjà à l'œuvre, tendant, ça et là, leurs pièges et se servant de leurs vieilles ruses pour embaucher les électeurs contre le parti conservateur.

Que la campagne soit faite sur ses propres mérites ; que les électeurs soient laissés libres, nous ne craignons pas le résultat. Si, comme par le passé on prodigue mille protestations de neutralité et qu'en même temps on ait recours à toutes sortes de moyens, à la sourdine, pour créer de la confusion, par les menaces et par les promesses, on le saura, et alors il sera du devoir de ceux qui croient au "fairplay" d'exposer au grand jour, dans toute leur nudité, ces machinations secrètes qui n'ont jamais porté d'autres fruits que ceux qui servent qu'à nourrir la haine et les dissensions.

**Parlement Federal**

Après une semaine de vacances, le parlement fédéral a repris ses travaux. Une des premières questions soumises à la chambre fut celle de Sir Charles Topper qui demanda à Sir Wilfred Laurier de produire copie de la correspondance entre le

premier ministre et Lord Strathcona au cours de laquelle Strathcona disait que M. Hamilton Smith n'avait rien à faire avec les Rothschilds dans l'affaire du chemin de fer du Yukon. Sir Laurier promit de produire copie de cette correspondance le lendemain. Au temps indiqué, Sir Wilfred ne remplissant pas sa promesse, Sir Charles en fit la remarque, lorsque le premier ministre fit la déclaration étonnante que cette correspondance étant privée et confidentielle il ne pouvait la rendre publique. Sir Charles demanda à Sir Wilfred s'il croyait que ce fût honorable de violer une promesse. Sir Wilfred répondit qu'il était le gardien de son honneur. Il s'en suivit une vive discussion qui donna occasion à de gros mots de part et autre.

En réponse à M. Martin, M. Blair annonça que l'arpentage préliminaire du chemin de fer en contemplation entre Southport et Murray Harbour était terminé. On croyait que cette voie coûterait \$9,000 le mille. Le gouvernement n'avait pas encore décidé si les travaux commencent au printemps. M. Blair ajouta que le gouvernement fédéral était entré en négociations avec le gouvernement de l'île afin de s'entendre sur la part proportionnelle que chaque gouvernement aurait à payer pour la construction du pont sur le Hillsborough.

**LES ELECTIONS D'ONTARIO**

Le résultat des élections d'Ontario est une véritable surprise. Il n'y a pas à se le dissimuler, la province d'Ontario s'est prononcée, mardi dernier, autant sur la politique fédérale que sur la politique provinciale. L'intervention directe du gouvernement Laurier en faveur de M. Hardy, la déclaration des ministres fédéraux que le gouvernement libéral d'Ontario était leur bras droit, enlève tout doute à cet égard. Le gouvernement d'Ottawa voulait obtenir une nouvelle approbation de sa politique, et comptant sur le triomphe de M. Hardy, en retirer plus tard un argument puissant pour faire accepter par le parlement ses plus dangereuses mesures comme celles du Yukon et du Drummond.

Le verdict de la population d'Ontario donné, mardi dernier, est le coup de mort de ces deux projets. Le peuple d'Ontario a évidemment été écœuré de l'intervention du gouvernement fédéral dans les affaires provinciales. Et aussi comme l'a dit M. Longley, l'un des chefs libéraux de la Nouvelle Ecosse, il n'est pas bon qu'un parti politique re te trop longtemps au pouvoir.

Le Globe réclame 46 sièges pour ses amis et il en accorde 43 aux conservateurs, et un aux patrons ; d'après le Mail le résultat serait de 46 conservateurs élus, 45 libéraux, 2 douteux—les comtés de Muskoka et East Algoma.

La position des partis sera mieux destinée dans quelques jours.—Cour. de St. Jean.

**On demande des filles**

Edmonton, T. N. O., 21.—La colonie canadienne du district d'Edmonton se compose maintenant de 550 familles, résidents dans 9 contre distincts : Edmonton, St. Albert, Morinville, Fort Saskatchewan, St. Pierre, Beaumont, Stony Plain, Rivière qui Barre et Végreville.

La population totale de nos compatriotes est de 2,256 âmes, réparties en 1,375 adultes et 881 enfants au dessous de 12 ans. Ces chiffres n'accusent pas une proportion égale entre le sexe fort et le sexe faible, le nombre

des hommes l'emporte de 266 sur celui des femmes, ce qui fait dire à "L'Echo de l'Ouest" : "Nous amériens à voir l'équilibre rétabli et il nous ferait plaisir de voir arriver dans la colonie un essaim de bonnes filles, bien recommandées, désireuses de se faire un chez soi, capable de tenir une maison, de cultiver un jardin, et de prendre soin d'un mari. A celles là nous pouvons presque leur promettre la main et le cœur d'un de nos braves garçons fermiers du district. Le don n'est pas banal il y a la matière à de sérieuses considérations."

**Tignish Dramatic Club**

GRAND PERFORMANCE

The entertainment given by the Tignish Dramatic Club in St. Mary's Hall, on Thursday evening last, was one of the most successful and best ever given in Tignish. Long before 7 o'clock, the hall was crowded almost to its fullest capacity. The programme was a long one and included some extra good acting and fine scenes, including magnificent tableaux. The most popular features on the programme were "Mike McGaugh"—Just from the boggs [A. H. Hackett] "Petah Johnsing" a gentleman ob color [J. Gaudet] and his son "Ephreham"—a chip of the o' block, [Joe Martin]. These three characters sustained the comic side of the programme and did it successfully.

Miss Gertie McElroy, a child of 7 years old, made a big hit. Her clever acting and winning manner captured the audience. The child has a difficult roll to perform and did it beyond all expectations. Delles Bertha Hackett, Barbara McElroy and A. Walsh also deserve special mention. Their cleverness was shown throughout the play and rounds of applause was their reward. Messrs Daniel Walsh, J. A. Brennan and J. S. Gallant who each had heavy roll to sustain, did so with justice to themselves and the club they represent. The costumes and make up were perfect, while their acting need not be commented upon. What these three gentlemen undertake always turn up successfully. Messrs Joe Bernard, Frank Gaudet Francis Hughes and Peter Bernard merit honorable mention for the able manner they sustain their parts. The play was an intensely interesting one throughout and the large audience present have nothing but the highest praises to give the Tignish Dramatic Club.

Last Tuesday evening the Tignish Dramatic Club played in Woodman's Hall, Alberton, to an appreciative audience. Owing to local meetings, that evening, the audience was not as large as was expected, however the Tignish boys are satisfied with the manner they were appreciated. The good reputation of the Club was sustained throughout.

Engraved on Steel after the Famous Painting by CHARLES GRAHAM, America's Leading Scenic Artist.

There are only a few copies of this magnificent art work left and you will be fortunate indeed if you secure one.

This cut illustrates but very faintly the magnificence of the original. The above reproduction is less than one-fiftieth the actual size, the engraved surface being 4 1/2 x 16 1/2 inches, printed on heavy plate paper for framing. Actual size of picture 4 1/2 x 27 inches. The publisher's price is \$25.00, unframed, and that is what a copy would cost you in the art store. It is a work that would grace the walls of the most palatial mansion in the land.

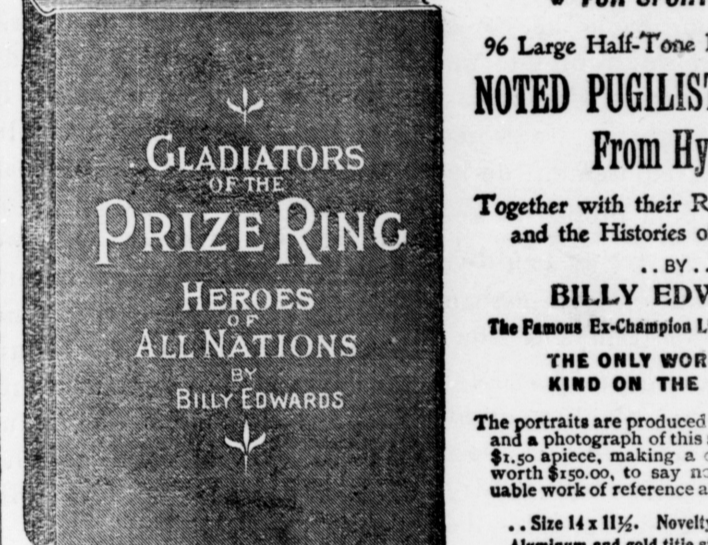

"The subject is treated in a masterly manner, the grand curve of the Horseshoe in the foreground leading the eye up to the tumbling, raging rapids above, and the broad expanse of river beyond, with the islands in the middle distance and the face of the further curve of the Horseshoe, as well as the great white wall of the American Fall, partially obscured by the cloud of rising spray which is handled lightly with fine effect. In the great amphitheatrical plain below the falls are seen the boiling waters, strongly and effectively depicted, and the two staunch little steamers that make their tours under the constant showers of spray. Never before has this subject been handled by any artist with equal force and impressive dignity, combined with deep, thorough feeling and delicacy of touch."—The Railway Age.

We will send a copy postpaid on receipt of \$1.85, or if you will do a little pleasant work and secure a few subscribers for us as follows—The Famous Picture will be Sent Absolutely Free.

A MAGNIFICENT WORK FOR SPORTSMEN

96 Large Half-Tone Portraits of All NOTED PUGILISTS From Hyer to Corbett

Together with their Records in Battle and the Histories of their Lives. BY BILLY EDWARDS The Famous Ex-Champion Light-Weight Pugilist. THE ONLY WORK OF THE KIND ON THE MARKET.

The portraits are produced from copper plates, and a photograph of this size would be worth \$1.50 apiece, making a collection of photos worth \$150.00, to say nothing of the invaluable work of reference accompanying same. Size 14 x 11 1/2. Novelty cloth binding. Aluminum and gold title stamp. 220 pages.

Of recent years the interest taken in the noble art of self-defence has been almost universal. The cultivation in our colleges of athletic exercises, and the great interest taken by all classes of people in physical culture, would seem to indicate that this is the golden era of muscular development and the establishment of a perfect manhood.

Gladiators of the Prize Ring has been prepared in the most careful manner every fact has been verified by exhaustive research and careful compilation of official data. Every important event in the history of the prize ring, from the days of the great battles of the present day, both in this country and abroad, is given in place. The biographical matter is historically correct and the portraits are taken from authentic photographs or sketches from life. The accounts of fistic combats in this book are composite compilations from the personal experiences of those most competent to describe the events—the principals, seconds, timekeepers, backers, referees, etc. The book will be found unexcelled as an accurate work of reference, for not a fact has been distorted nor a line set down in malice.

**Special Features**

1. This is the only work of the kind ever published.
2. The portraits are the finest in existence—taken at the time the men were in their prime.
3. It has been edited by the greatest authorities now living, and is the only authentic work of reference ever published.
4. The boxing lesson by "Young Griffo" and Walter Campbell is a series of twenty-four plates taken by instantaneous photography and shows every important blow with guard for same, and the positions reversed, while the instructive text, accompanying and explaining them, is thorough and complete. This is the first time such results have been obtained, and the two men represented are the most scientific in their profession.
5. Three years' time has been consumed and \$25,000 have been expended in collecting, completing and reproducing the portraits for this work.
6. All "tough" phraseology has been carefully avoided in the editing of the work so that there is nothing to offend the most refined.
