THE RECORDER'S OPINION.

The following is a verbatim copy of the opinion of His Honor the Recorder concerning the illegal meeting:—

CHARLOTTETOWN, P. E. ISLAND,
September 16th, 1894.

To Messrs. Horace Haszard and George E. Hughes, City Councillors:

DEAR SIRS,—In answer to yours of 7th instant, asking my opinion as to the legality of the special meeting of Council called by His Worship the Mayor on the 31st day of August last, I beg to say:

1. That section 10 of the Act to consolidate and amend the several acts incorporating the City of Charlottetown, provides that there shall be in each year twelve monthly meetings of the City Council, to be held on the second Monday in each month, &c. These meetings are for the transaction of the general business of the Council.

Section 107 of the said Act provides that it shall be lawful for the said Mayor to call a special meeting of the said Council when and as often as he may deem it proper after three days' previous notice thereof . . . and in all cases of such special meetings as aforesaid, a summons to attend the Council, "specifying the business to be transacted at such meetings," signed by the City Clerk, &c., shall be left at the usual place of abode of every member of the said Council at least three days before such meetings.

The meeting of the 31st of August, purported to be called under the section last mentioned, and the notice submitted to me as the one given, gives notice of a special meeting to be held on that date for the transaction of "general business."

In my opinion the notice calling said special meeting is insufficient, in that it did not specify the business to be transacted at it. The object stated in the notice, "general business," was too indefinite.

It is the special and particular business required to be transacted which enables this power of calling special meetings to be taken advantage of; and in order to put it in force there must be a strict compliance with the requirements of the section, and the notice calling a meeting "must specify particularly the business to be transacted."

The notice being insufficient the meeting in my opinion was not legally called or held. I am &c.,

F. L. HASZARD,
Recorder.
