In another column will be found a full account of the completion of the Pacific Railroad. This great work, commenced only five years ago, is substantially concluded. America has now a continuous line of Railroad for three thousand miles, and the route opens the East to the West. It is said that a person can now travel from this Island to California in ten days.

The Steamer *Princess of Wales* made her first trip to Souris on Thursday last.

The schr. *Hope* arrived here on Tuesday last, from Halifax, with a cargo of general merchandize.

From a letter received from a gentleman in Halifax, we learn that potatoes are very low in that market.

We learn from late American papers, that there has been a great fall in the price of eggs in markets in the United States and elsewhere. This, no doubt, will affect the price here. They are now selling for 7½d. per dozen.

Godey's Lady's Book for June has come to hand. It is a valuable number. All the late spring fashions are given in full; also excellent reading. Now is the season for the ladies to procure this valuable magazine. Send in your orders to the Prince County Book Store.

The *Scottish American Journal* is received regularly by us. It is an excellent paper. It contains a record of English, Scottish, and all foreign news. It is truly British in its sentiments. To any person wanting a truthful paper of public opinion in the United States, we heartily recommend it.

Persons living in the country, sending us advertisements, must enclose the pay, unless they have a running account at this office.

We have just received our summer's supply of paper, and we want the money to pay for it. Come, delinquents, "pony up."

During the past few days the weather has been very warm and favorable for farming operations.

Montague Howat, Esq., of Tryon, has been appointed a Commissioner in Prince County, for taking affidavits to be used in the Supreme Court.

The *Royal Gazette* intimates that Licenses to prosecute the deep-sea fisheries in all waters within the jurisdiction of this Island, and of the Dominion of Canada, will be granted by the Colonial Secretary to United States vessels during the present year, at a charge of *twelve shillings*, currency, per ton. The following gentleman are also authorised to issue these licences: For *Cascumpec*, John Clarke, Esq., *Richmond Bay*,—Henery S. McNutt, Esq: *Georgetown*, Archibald J. McDonald, Esq: *Colville Bay*, John Mclean, Esq.—*Islander*.

We are requested to state that the lawyers who usually attend the Supreme Court, in this County, intend putting up at the Clifton House, in Summerside, and not at St. Eleanor's, as heretofore. Their clients will, therefore, have to meet them in Summerside. They expect to be up early on Monday evening, the 7th June.—*Ivo*.

The Red River folks were jubilant over the news received there on the 24th ult., of the transfer of the Hudson Bay territory to the Canadian government, and well they may be. The *Nor' Wester* spreads the news abroad with appropriate comments, and winds up its remarks with—"God save the Queen! God bless the Provinces of Assiniboia in the Dominion of Canada! three cheers for justice, progress and equal rights."

The *Patriot* says—"Referring to the growing pork trade of Prince Edward Island, a gentleman now resident in Ireland writing to a friend in Charlottetown, says:—"

"For the last fourteen months, a fair article of pork has never fallen *here* below 60s, per cwt, while prime has been uniformly above that figure. It is too soon to judge with certainty, but so far we have promise of an abundant harvest."

Wistar's Balsam of Wild Cherry.

For the cure of *Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchits, Predisposition to Consumption*, &c.

This great remedy is to well known, and is performing to much good, to make it necessary to go into an elaborate discussion of its merits. Suffice it to say, that it still maintain its supremacy in curing diseases of the moste obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to health.

Letter From Elder H. L. Gilman.
A Minister of the Gospel in Vermont.
Glover, Vt. June 20, 1869.

Messrs. S. W. Fowle & Son.

Gents.—I hereby certify that I have been troubled for several years with a difficulty of the heart and lungs, have applied to several physicians for help, and have tried almost every remedy of the numerous ones which have been recommended, without receiving any assistance; but *Wistar's Balsam of Cherry* about a year since, I commenced using it, with immediate relief. It has not only restored my lungs to a sound state, but I am entirely relieved of the difficulty or diseases of the heart. I have no hesitation in saying that it is the best lung medicine before the public, and I cheerfully and conscientiously recommend it to all persons suffering with pulmonary complaints.

On the 17th May, at St. Eleanor's, Emily Ada, only daughter of Thomas Wade, Esq., aged 10 years.

At Western Road, Lot 11, on the 31st ult., Mrs. McDonald, relict of the late John MacDonald, in the 84th year of her age.

Prince County Folk, attention pay,
And list to what I now would say,
I can inform you that you may
Have Pictures taken every day
BY ME.

My Stand is on Saint Stephen Street,
As any one you chance to meet
Will tell you; for they know a neat
And handsome Picture you will get
FROM ME.

So young and old, just give a call,
I have enough to suit you all;
And when you find the price so small
You'll send your neighbor's short and tall
TO ME.

And should you find your palate Dry,
Just step next door and you can try
Cool Soda Water: none deny
But it's the best, and got up by
MYSELF.

So come, and now my PICTURES test,
This surely is a fair request,
And if you yield to my behest,
You'll say my Pictures *are the best*
IN TOWN.
