"ARE YOU READY?"—Real Beer Bros. ad. Good for and choice music at the Rink tonight.

JUVENILE TEMPLE.—Members of the Juvenile Temple will meet at six o'clock, Saturday evening in the lower parlour of the Y. M. C. A. building.

ACKNOWLEDGMENTS.—We have to thank Mr. W. C. Kennedy, Insurance Inspector, for the calendar of the London and Lancashire Life Assurance Company for 1895.

MASSONIC.—The annual communication of St. John's Lodge No. 1, A. F. & A. M., will be held at lodge rooms, Masonic Temple, this (Thursday) evening, 27th inst., at 8 o'clock.

MASSONIC.—The brethren of Victoria Lodge, No. 2, A. F. & A. M., will please remember the meeting this evening at 7:30 o'clock, for installation of officers. Strangers welcome.

J. O. G. T.—Charlottetown Lodge will meet this evening at 7:30 in the lower parlour of the Y. M. C. A. building. A pleasant and enjoyable time is promised. Visiting Templars welcome.

WHAT ABOUT CHARLOTTETOWN?—The Journal reports that the Lime Kiln Club of Summerside is making special preparations for a promenade parade on the afternoon of New Year's Day.

A NEW THEATRE.—Montreal is to have a new theatre, to cost \$200,000. It is to be built by American capitalists, and the site will be on St. Catherine street between Phillips Square and Peel street.

VERY SUCCESSFUL.—The entertainment and soiree social at Hunter River on Monday evening was very successful. There was a large attendance, and an interesting programme of vocal and instrumental music, recitations and dialogues was disposed of. The song fund of \$10 was realized.

POSTPONED.—We regret to announce that the Rev. Andrew Nicholson's lecture will have to be postponed. Rev. Mr. Sutherland received the following telegram from him this morning: "Regret cannot come doctor objects." The lecture will probably be delivered early in January.

SOOTHS SHIPPING NOTES.—The schooner Satellite has arrived from Boston. She left Boston on Friday evening, and made the run to Souris in four days. She has a cargo of flour on board for Thomas Kitchin, Esq. She will load again for Boston with potatoes, if the weather will permit. The Natchoo also arrived from Halifax in ballast. Schooner Harry Lake from St. John will load for St. Pierre.

A SINGULAR SCENE.—The subscriptions at the banks in Halifax to the Lady Thompson memorial fund already amount to the sum of \$2,465, according to a despatch of the 24th. Hon. W. J. Stairs and other members of the Stairs family, \$1,000; F. E. Kent, M. P., \$500; Hon. D. McE. Parker, M. L. C., \$250; Clayton & Sons, \$100; Governor Daly, \$100; Mr. Justice Henry, \$100; A. & W. Smith & Co., \$100; Mr. Justice Meagher, \$100; Adam Burns, \$100; H. F. McDougall, North Sydney, \$100.

THE END OF THE WORLD.—It is a Presbyterian clergyman at Ashbury Park, the Rev. Howard T. Waldemer, who announces that the world will come to an end in the course of the next ten years. His idea is that as soon as the Gospel is carried to every people, the world's affairs will be wound up. Every people, however, except one, has been made acquainted with the Bible, and that was between China and Japan will open up this people to the missionaries. Evidently he regards the mere carrying of the Bible to every race as sufficient, without regard to the fruits.

LYONS READING ROOM.—The members of the Benevolent Irish Society, and non-members who have contributed, deserve commendation for having opened a reading room and debating club where the winter evenings can be profitably spent. The room, which has been fitted up in the upper hall, was opened last night with a good attendance. The tables were well supplied with good literature. The room adjoining has been supplied with innocent games. There will be a debate once a week on Thursday nights, and monthly lectures are spoken of. The membership fee is only \$1, ticket good for whole programme. Now is the time to join.

AN AFFLICTED FAMILY.—A very sudden death, under particularly sad circumstances, occurred at Fifteen Point on Monday. The late Mr. Sylvian Arsenault being the person so suddenly called away. He was going to the funeral of his son, a lad of fifteen. Walking beside his carriage, he complained of feeling weak. He was advised to get into the carriage, and did so, when, almost immediately, he died. His wife died about a month ago, and his eldest daughter about two months ago. This makes four deaths in one family inside of two months. During the past summer Mr. Arsenault's house was struck by lightning, and he was rendered unconscious, and for three weeks was extremely ill. This doubtless left his heart action very weak, and hence his sudden death. Typhoid fever was the cause of three deaths in his family, above noted.—Journal.

POWER COURT.—This forenoon the charge preferred against John Flynn by Daniel McLaren was further enquired into. McLaren, it will be remembered, stated when the case was up before that he was assaulted and rendered unconscious by two men near his residence on Friday night last between 10:30 and 11 o'clock. When he recovered from the attack he found himself minus a silver watch and a sum of money, and he believed that Flynn was one of the men who attacked him. Flynn denied the charge, however, and said he would be able to prove an alibi. This morning McLaren was again examined but would not swear that Flynn was one of the men who assaulted him. Flynn's mother took the stand and swore that on the night McLaren alleges he was robbed Flynn was home at ten o'clock and did not leave the house after that. Another witness was present to corroborate this evidence, but His Honor decided that further testimony was unnecessary and dismissed the case. Mr. J. J. Johnson was counsel for Flynn. Yesterday afternoon, Wallace Rice arraigned on a charge of neglecting to support his wife and family and turning them out doors at 11 o'clock at night, was sent up for trial in the Supreme Court.

PERSONAL.

M. A. McInnis has assumed the control of the Oakland Advertiser.—Oakland Printer.

Hon. William Richards, Bideford, is in the city. He is registered at the Hotel Davies.

Prof. Fraser, of the School for the Blind, Halifax, and Mrs. Fraser, were passengers in the Stanley yesterday. They are stopping at the Hotel Davies.

Mr. W. E. Stavert, manager of the Bank of Nova Scotia at Fredericton, has been ordered to St. John's Nfld., where the bank proposes establishing an agency, and he leaves for that city on Monday.—St. John Telegraph.

Mr. Frederick H. Hartz, (son of Chas. Hartz, Esq.) arrived home from Denver, Colorado, on Christmas Eve, in good health. His parents were, of course, delighted to see him, and so will his old friends in this city.

The Countess of Aberdeen has received the promise of Cardinal Taschereau to present the pall for Sir John Thompson's funeral. It will be made of white Irish poplin and cloth of gold, and is being made by the Sisters of the Good Shepherd. Lady Aberdeen herself will sew on the cross.

Mrs. Charles Young, of Charlottetown, has been appointed Honorary Life Governor of the B. N. S. and Foreign B. N. Society. This is a new distinction conferred only on two ladies in the Colonies—Mrs. Young and another in Australia. The Countess of Harroby, Duchess Lady Burton and others are among English associates.

On December 1 the Princess of Wales celebrated her fiftieth birthday. Half a century seems a formidable number of years for a beautiful woman to have to acknowledge to, and in the case of the Princess the fact seems almost incredible. She is really a wonder, for she has had many illnesses and passed through many terrible troubles, all of which are supposed to tell upon a woman.

A solemn requiem mass was held in St. Mary's Church this morning for the repose of the soul of the late Major Jarvis, who died at Calgary. Deceased was formerly a member of St. Mary's parish, and one of the board of school trustees. A large number of friends and acquaintances were present, amongst whom were many of his comrades in arms, including Adjutant-General Holmes and other officers of the Infantry School in this city. Rev. Father McCarthy was the celebrant.—N. W. Review, Winnipeg.

At the Commercial Travellers banquet in Montreal, the Governor-General said last week when he was travelling in America he arrived in a comparatively small town and proceeded to an hotel. He supposed that he had more travelling impediments than American travellers usually have. The porter who carried up his things succeeded in breaking a vase and scattering its contents, and noticing his client's said, "Well, now, I guess you're a drummer." His Excellency remarked that he was afraid he did not exactly understand the meaning of the words, and he said: "Well, I am certainly very fond of the music, but I have not yet acquired the art of performing on the instrument."

A SUGGESTION.—Sin.—Could the Department in charge of the steamer Stanley be prevailed upon to give an excursion rate to Pictou and return during the funeral of Sir John Thompson? Already the fares are published in the mainland—\$1.20 from Pictou to Halifax and return. Surely Mr. Lord will interest himself in the matter.

CONSERVATIVE.—MARRIED.—In the City of Portland, on the 5th inst., by Rev. W. S. Ayers, Loren Fremont Norton, of Falmouth, and Mary Elizabeth Judson, eldest daughter of Wm. W. Judson, Pownal, Lot 49, P. E. I.

DIED.—At South Boston, Dec. 27th, Alexander Wright, aged 27.

HASZARD & MOORE TO WHOM IT MAY CONCERN. Messrs. Geo. Carter & Co., in announcing their appointment as "ticket agents of the Canadian Pacific Railway for P. E. Island," take occasion to say that they are prepared to issue tickets at LOWER RATES THAN ANY OTHER TICKET AGENT ON P. E. ISLAND to Montreal and all points west in Canada and United States. While it is quite within the province of Messrs. Carter & Co. to compete with other merchants in the prices of hymn books, dolls, rubber balls and Christmas cards, it is otherwise with passenger tickets. The prices of these are regulated by Joint tariffs, which govern the Intercolonial, Grand Trunk and Canadian Pacific railways. To competitive points in Canada and the United States the rates are the same via Lewis and via St. John, and there can be no ducking in railway tickets. The advertisement is equally misleading in stating that "this is the only Ticket Agency in a position to issue tickets via Boston to western points, &c." Call on Mr. W. W. Clarke, Charlottetown, or Mr. D. Gordon, Summerside, Grand Trunk Railway Agents, and see if you cannot be supplied with tickets to any competitive points via Boston and Lewis at the VERY LOWEST TARIFF RATES. R. F.
