FROM THE Transcript we learn that Rev. W. B. Hinson, pastor of the First Baptist church of Moncton, who is at present in England for the benefit of his health is expected home about the 24th of this month. It will be gladly learned by his many friends that the reverend gentleman is very much improved in health.

THE Island's archdeacon is now residing in Windsor, N. S. under the jurisdiction of a archdeacon Kaulbeck. It seems strange that one of our many efficient clergymen should not be appointed to this honorary office. The lady of Nova Scotia would think it an extraordinary occurrence if their archdeacon was transferred to our province. Even Cape Breton, which is part of N. S., has their own. Surely his lordship has not given this matter the consideration which it deserves, as it seems a slight to our clergy.

At a meeting of St. James' congregation, held last night, it was decided to purchase a new pipe organ for the use of the church, at a cost of not more than \$3000. Mr. Ryder, who built the organ for the First Methodist Church of this city, will be the constructor. The congregation are in earnest in the matter, and a committee has been appointed to provide "ways and means" immediately. The St. James' congregation are to be congratulated on their efforts to keep in advance of the times in making their church and services attractive. With this new addition St. James' church will rank as one of the prettiest and best equipped churches in the province.
