Through their distribution of grain over 20,000 horses besides the peasants have been provided with corn. Soup kitchens have been opened in 24 districts and peasants are being supplied with nourishing food free of cost. The peasants are also being supplied with seed grain.

MONTREAL, April 16.—The French Chamber of Commerce here is now debating a resolution framed upon the same lines as the policy advocated by Sir Charles Tupper in the Nineteenth Century, and the idea meets with considerable favor amongst French mercantile men.

WINNIPEG, April 16.—The Legislature has passed a bill to take a plebiscite on the prohibition question at the coming provincial general election.

LITTLE ROCK, Ark., April 16.—A bloody duel with knives occurred Sunday night in Faulkner County, Ark. The duelists were Biggs and Hardcastle, both prominent citizens. WITH GLOVES ON.

The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used

PHOSPHOLEINE

(Pronounced FOS-FO-LEEN),

when they became smooth and soft.

SCROFULA AND SALT RHEUM.

Dear Mr. Eagar,

I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c.,

E. C. NEWBERRY.

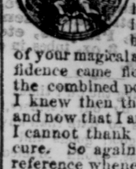
I AM A MAN



I have been treated by doctors who had long lists of so-called cured patients, but they could not reach my case, and hope had been murdered in me by fair promises, but on first application of your magical appliance, hope and confidence came flocking in stronger than the combined powers of the four winds. I knew then that you would cure me, and now that I am a man and well again, I cannot thank you sufficiently for the cure. So again I say, use my name as reference whenever you wish.
