Successful Matinee Races Held At Driving Park Yesterday; Over 500 Present

Over 500 spectators saw the matinee races at the Charlottetown Driving Park yesterday afternoon. Out of town visitors were numerous. The weather was favorable, the track in good shape and all the events were interesting. The program was a long one consisting of five events, but the horsemen cooperating with the officials and the racing was completed about 5.30.

The increase in attendance yesterday shows that matinee races, if followed up soon, prove a big drawing card. It is certainly a great situation for the horses and drivers, and no doubt next year it will be started earlier in the season and regular dates set aside for it.

Starter Doug MacLeod proved a very capable official, getting the horses away with a reasonable number of scores, at the same time endeavoring to give the poor starters a chance. The judges, timers and other officials were right on the job and the afternoon passed off without a hitch.

The highlight of the day was the performance of the free-legged pacer Baronet, owned by H. T. Fulton, Upper Stewiacke, N. S., and driven by Bill Cummings. He won the first two heats and was then ruled out. At the same time he had very little to spare, and Allie Burnham, Leta Kalmuck, Calumet Bee and Claire Napoleon all finished in a bunch and almost on top of Baronet. It was the closest possible kind of racing and the time was good. Leta Kalmuck won the third heat from Allie Burnham, Calumet Bee and Claire Napoleon after Baronet had gone to the barn. Claire Napoleon, driven by owner Neil Walker, showed excellent form and led for three-quarters of the distance in the third heat. Her manners were excellent. Leta Kalmuck showed that she is a real stayer by coming on and coping the third heat. Calumet Bee trotting in among a bunch of fast pacers made a good showing.

CLASS B. It was 1-1-1 for Captain Cope, the other horses being unsteady. Oh Boy Fischer showed a lot of speed in spots, carrying the Cope horse to the half one trip in 1:06 1-2. Mae West was neck and neck with the Cope horse one heat past the half, but all three entries were unsteady and made bad breaks.

CLASS C. This was a good race with plenty of competition. The horses changed places frequently and thus held the interest of the spectators all through each heat. Bonnie Mae, driven by Morrison, was a straight heat winner. Second place went to Peter Worthy, the Hunter River horse, Helen Worthy from Marie winning third.

CLASS D. There were three entries in this event, one a two-year-old, Leland; one a four-year-old, Happy K. The little two-year-old surprised everybody by the way he paced for driver McConnell. His first heat in 2:29 3-4 was a good effort for his early in the season. In the second heat he was barely beaten in 2:28.

THREE-GEAR-OLD CLASS. The pacers Jackie Volo and Queen Helen had a third competitor with them in Millie Kalmuck, a trotter. In the first heat Millie was interfered with and went to a break. The finish was close between Jackie Volo and Queen Helen, Jackie winning by a length. In the second heat the trotter Millie Kalmuck trailed until the home stretch then made a gallant try and finished at Jackie's pad. The time was fast for three-year-olds, 2:19 3-4.

The officials were: Starter—Doug MacLeod. Judges—Dr. H. McIntyre, P. McTague, J. A. McDonald, Southport. Timers—Dr. F. C. Dougan, P. Conroy, Geo. Hooper.

"BEHAVIOUR ADMIRABLE" SAYS BRUNDAGE

(By Alan Gould Associated Press Sports Editor)

ABOARD S. S. MANHATTAN, enroute to Berlin, July 22—Taking steps designed to minimize the impression that United States Olympic athletes required an iron disciplinary hand on the voyage to Europe, Avery Brundage took occasion tonight to term the "demeanor and spirit of the team, with few exceptions, admirable throughout the trip.

"Such disciplinary actions as it was felt essential to take in one case produced gratifying results," the President of the United States Olympic Committee said.

Brundage refused to divulge details of the incident cited. He asserted it was not desirable to magnify or take advantage of a situation which now was considered closed but emphasized that "the entire team was the best behaved of all those we have taken aboard." It was well known aboard ship that members of at least three teams were reprimanded early in the voyage, but warnings sounded them by Brundage proved effective. At that time, Brundage had received reports of late hours, drinking and gambling among some of the athletes.

Taylor And Edwards To Lead Squads

(By Elmer Dulmage Canadian Press Staff Writer)

ON THE WAY TO THE OLYMPICS, ABOARD S. S. DUCHESSE OF BEDFORD, July 22—Canadian Olympic basketball players had their first workout aboard ship today and coach Gordie Fuller quickly decided it would be the last until they reach Berlin. After the players had chased the ball around the rain-washed deck for a few minutes it bounced overboard and the practice was over.

Toots Meretsky wanted to dive into the Atlantic after it but Fuller decided he could get another ball and good basketball players like the Windsor had aren't as plentiful. The slippery footing prevented the other athletes from working out.

Captains for the mens' and women's track teams were elected today. Betty Taylor, the Hamilton hurdler, will captain the girls' team and Dr. Phil Edwards, the colored Montreal 800-metre man, will head the mens' division. Captains of the other teams will be chosen later.

The whole Olympic party attended the ship's masquerade tonight. The Canadians' costumes were colorful but Sammy Manson's outdid them all. The Hamilton team manager appeared in a night-gown which usually adorns the rotund form of W. A. Fry, president of the Amateur Athletic Union of Canada. For the one night the athletes were allowed to stay up until midnight. On other nights lights out is sounded at 10 o'clock.

Lowly Browns Defeat Yanks Three Straight To Cut New Yorkers Lead To Seven Games

(A. P. by Guardian's Special Wire)

NEW YORK, July 22—The Browns today became the first club to win three straight games over New York Yankees this year taking a 6-5 decision at home to the American League lead of "Murderers' Row" to seven games.

A 13-hit attack, with the ailing "Sunny Jim" Bottomley leading the way with a homer, double and single, Tom Carey punting out the winning run on a single in the last of the ninth brought the Browns out on top.

Ivy Andrews held the Yanks to 10 hits, including homers by Joe Dimaggio and George Selkirk.

Six Beaten by Cleveland

At Cleveland, pitcher Johnny Allen and 19 hits, two of them home runs, gave Indians an 8-3 victory over Boston and lightened the Tribe's grip on second place.

Cleveland knocked W. Ferrell out of the box in the third inning. Allen allowed 10 hits but was effective in the pinches to take his 10th victory.

Tigers Lose

Philadelphia overcame a five-run lead at Detroit, batted Eiden Auker out of the box in the fifth, and defeated Detroit 7-6 in the third game of the series.

The Athletics' scoring was confined to two innings, the third and the fifth. The victory was in the visitors' first in the series, the Tigers having taken both ends of the opening day doubleheader Tuesday.

Herman Fink, winning pitcher, gave 11 hits and issued six walks, while his teammates collected 13 hits of Auker and Clarence Phillips, who relieved him in the fifth.

Whitehead Wins Hurling Duel

Johnny Whitehead shaded Earl Whitehill in a 12-inning pitching duel at Chicago today and the White Sox evened the series with Washington with a 3-2 victory.

Rip Radcliff lined a single off Lewis' glove for his third straight hit at the start of the 12th and after Rosenthal bunted him to second, scored the winning run as Mike Kreevich lifted a long double to the right field wall.

Both Whitehead and Whitehill went the route, the former giving 12 hits and Whitehill 13.

Dancing was in progress during the afternoon and evening. Bingo games had a large following while a greasy pig chase had the crowd in high glee as entrants in the chase found the slippery porker an elusive animal to catch.

STONE LOSES DECISION TO NEILSON

(A. P. by Guardian's Special Wire)

Bill Sparks, colored light heavyweight boxer from Amherst, Nova Scotia was awarded a victory over Laurie Spears of Truro last night in the main event of the boxing card staged at the Curling Ring. The end came suddenly after the fourth round had finished. Spears, apparently uninjured, went to his corner but then let the ring, Sparks being awarded the victory.

The four rounds production no action. Even the crowd became dissatisfied and started booing the fighters and then the referee had to warn them to get in there and fight before the engagement had its sudden ending.

While the main event proved very disappointing one of the preliminaries produced a real honest-to-goodness scrap. Jack Neilson of Charlottetown and Maxie Stone of Montreal went through six rugged rounds with Neilson winning the decision. Both boys mixed it freely throughout. Stone started fast to win the first two rounds easily but Neilson absorbed all the blows landed on him and started a comeback in the third canto that led to him coping the decision.

The semi-final event between Young Jordan of Truro and Bob Forsythe of Charlottetown went to the smooth-working colored boy from Truro when he knocked out goodie-snapp Forsythe in the first minute of the second round. Forsythe had been knocked down in the opening session but had climbed back upon his feet. Jordan, a pretty boxer with a punch in either hand was the master throughout and he wasted little time as the second round got underway.

Big Bill and Big Don, the ten-year-old "Fighting Twins" gave a clever and entertaining four round exhibition to open the card. The "kids" showed plenty of ability and their efforts drew favor with the crowd.

Kid Spencer and Kid Judson, another pair of ten-year-olds was next on the program and like the first but these kids proved popular and received a big hand as they mixed it plenty throughout four rounds. The decision was a draw.

Referee—Hec McQuarrie.
Timer—Ed Acorn.
Announcer—George Murray.
