MOFFAT'S

VEGETABLE LIFE PILLS AND PHENIX BITTERS

THESE superlative Family Medicines have long since acquired an established reputation for direct and invariable efficacy in all the prevalent and ordinary diseases, as well as in many others of a peculiar and aggravated character. Their virtues are proved by the voluntary testimonials of the persons they have cured, and who accompany their certificates with their names and places of residence. These certificates now amount to thousands, being hundreds to each particular kind of disease. They embrace the most frightful and inveterate cases of *Serofula*, *Piles*, *Dyspepsia*, *Jandice*, *Bilious* and *Liver* affections, *acute and chronic Rheumatism*, *Asthma*, *Bronchitis*, *Serofula* as well as *Mucous Consumption*, *habitual Costiveness*, *Worms*, *Stomach and Bowel complaints* of all kinds, headache, giddiness and nervous debility, eruptive diseases, and the clouded, sallow, unhealthy appearance of the skin, arising from various causes of ill health, *Fever* and *Ague* of every variety, settled pains in the side, back, organs and limbs, humors, ulcers, *food breath* and *inward fever*, night sweats, and general weakness and loss of appetite, the *mumps*, *swollen face and gums*, affections of the bladder, kidney, spleen and pleura, and the sickness incidental to females, together with very many other maladies which cannot be here enumerated. The certificates of cure in all these diseases are immense in number, and clear, direct and explicit in description, and coming as they do, in every case, from the persons cured, they are indisputable and conclusive in authority. These inestimable medicines should therefore be kept by every family and grown person in the Union, as they will be found to be not only the best remedies for disease, but also its most certain preventatives, and the surest renovators of health, and their elastic health. They are singularly mild and agreeable in their operation, and though perfectly effectual, never occasion even the temporary prostration and nausea which always follow the use of coarse drastic purgatives and the use of calomel. Prepared wholesale and retail by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—NEW YORK, May 30.

A CURE FOR ALL!!

EXTRAORDINARY CURE OF A CASE

ABANDONED BY

GUY'S, THE METROPOLITAN, KING'S COLLEGE & CHARING CROSS HOSPITALS.

This fact was SWORN TO this 8th day of March, 1842, Before the LORD MAYOR, at the Mansion-House.

SUMMARY OF AFFIDAVIT.

Wm. Brooke, Messenger, of 2, Union-street, Southwark, London, maketh oath and saith, that he (the deponent) was afflicted with FIFTEEN RUNNING ULCERS on his left arm, and ulcerated sores and wounds on both legs, for which deponent was admitted an out-door patient at the Metropolitan Hospital, in April, 1841, where he continued for nearly four weeks. Unable to receive a cure there, the deponent sought relief at the three following hospitals:—King's College Hospital in May, for five weeks;—at Guy's Hospital in July, for six weeks;—and at Charing Cross Hospital at the end of August, for some weeks more; which deponent left, being in a far worse condition than when he quitted Guy's, where Sir BRANSBY COOPER and other medical officers of the establishment had told deponent that the only chance of saving his life was to *LOSE HIS ARM!* The deponent thereupon called upon Dr. BRIGHT, chief physician of Guy's, who, on viewing the deponent's condition, kindly and liberally said, "I am utterly at a loss what to do for you! but here is half-a-sovereign: go to Mr. HOLLOWAY, and try what effect his Pills and Ointment will have, as I have frequently witnessed the wonderful effects they have in desperate cases. You can let me see you again." This unprejudiced advice was followed by the deponent, and a perfect cure effected in three weeks, by the use alone of HOLLOWAY'S PILLS and OINTMENT, after four Hospitals had failed!!! When Dr. Bright was shown by the deponent the result of his advice and charity, he said, "I am both astounded and delighted, for I thought that if I ever saw you again alive, it would be without your arm; I can only compare this Cure to a Charm!!!"

Sworn at the Mansion-house of the City } Wm. BROOKE.
of London, this 8th day of March, 1842.

Before me, JOHN PIRIE, MAYOR.

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours, Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; the Pills, in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of mosquitoes, Sand-flies, Chiego-foot, Yaws, and Coco-bay.

Burns, Scalds, Chillsains, Chapped Hands and Lips, also Bunions and Soft Corns will be immediately cured by the use of the Ointment.

THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is no using equal to them. In nervous affections they will be found of the greatest service. These Pills are, without exception, the finest Purifier of the Blood ever discovered, and OUGHT to be USED BY ALL!!!

Sold by the Proprietor, 244, Strand, (near Temple Bar), where Advice may be had gratis, and by all respectable Vendors of Patent Medicines throughout the Civilised World, in Pots and Boxes, at 1s. 1d., 2s. 9d., 4s. 6d., 11s., 22s., and 33s., each. A RARE OPPORTUNITY

of combining every kind of Mercantile Pursuit with Fisheries and Farming.

TO BE SOLD, by private contract, WATER LOTS

23 and 24, in GEORGETOWN, comprising more than Six Town Lots, and more than one acre and a half, having three fronts—one on Victoria Street, extending more than six chains; on the Harbour, an extent of 163 feet; the same on Water Street. At the corner, formed by the intersection of the two Streets, stands a two-story House in progress, 32 feet by 21, conveniently laid out for the accommodation of a household. The land is sound, and of an excellent description. Here is sufficient room for the most extensive Warehouses for storing Grain, Fish, Transit or Commission Goods, and Cargoes of Vessels arriving late in the season; and shut out from other ports by the ice, as well as a Retail Store; but the Retail business must be only a secondary consideration in the future commerce of Georgetown, as there is no great extent of back country to supply. The most frequented entrance to the Town will be by the Jail, for persons on business coming from the Northward and North East. The best holding ground, the most serene anchorage, and the boldest water for a Wharf, are off Victoria Street, and there is no locality more adapted for a Fishing Establishment, should a Company be formed—as no doubt there will be—than this property.

To prevent trouble, the price is £400. It has been the disingenuous and unmanly practice of some—who said they would get it for a song—to attempt, on all occasions, to depreciate the importance and value of this property, and deter intending purchasers. Let such, in future, examine and judge for themselves.

The Subscriber also offers for sale, Pasture Lots Nos. 2, 3, 4, 21, 22 and 23, comprising Forty-eight acres. The very best and best situated of any block of Land in the Royalty of Georgetown—most approximate to the Town—a good fertile soil—fronting 30 chains on the Common, which contains several hundred acres. There is a fine Spring on Lot 23, and on Lot 2, close by, a beautiful site, on rising ground, for a Mansion House. A great part of the land is covered with fine Hardwood. This property, in connection with the above, is well deserving the attention of capitalists who desire to invest money on very improvable landed security; or of any Company who might be desirous of combining Fishery with general Commerce and Agriculture. Price, £6000, or £12 10s. per acre, which cannot be deemed unreasonable, when its peculiar advantages are duly estimated; nor is it at all figurative and illusive to anticipate that its value will rise to £100 per acre; and, in the event of a Fisheries' Company being established, the time may not be remote when it will form a pleasant suburb to Georgetown. For a view of the Premises, apply to Mr. George Parker, Lot No. One; and to treat, to the Proprietor, at Woodly Grove, Township Sixty-one.

J. L. LEWELLIN.

If Should the above Town Property not be disposed of before the Spring, it will then be offered by Auction in Eight Building Lots; or the Advertiser may relinquish his favourite pursuit—Farming (as his continued and unrewarded efforts to advance this most important avocation have met very little countenance or co-operation)—and accept the invitation of his friends, to assist in forming an Establishment such as is above alluded to.

N. B. Some time since a Town Lot, without any water privilege, was purchased for £100—net many years before, it sold for Four Pounds!!! Recently, Half a Town Lot, with a store on it, or low Building, realized at Auction, about £200. This does not look like depreciation!!! Georgetown has a free port.

THE QUEEN AND HER INDIAN SUBJECTS.

The following particulars of the recent interview of the Ojibway Americans, with Her Majesty at Windsor Castle will be read with interest.

After Prince Albert had shaken hands most cordially with the chiefs and warriors, who seemed highly pleased with the compliment, the civil chief, Ah-qui-we-Zaitz (the Boy), who is 75 years old, advanced and addressed Her Majesty. Owing to the trepidation of the Indian interpreter, who was evidently astounded at the glitter of Royalty, the speech of the old chief was translated by Mr. Catlin, by Her Majesty's permission. It is as follows:—
"Great Mother,—I have been very sorrowful since I left my own home, but the Great Spirit has brought us all safe over the great water, and my heart will now be glad that we can see your face. We are now happy. These are all the words I have to say. My words are few, for I am not very well to-day. The other chief (alluding to the war chief) will tell you what I intended to say." "The Boy" then sat down on the floor.

Immediately the war chief Pat-au-u-quot-a-we-be (the Driving Cloud) drew himself up erect, and, in a very vehement and energetic manner, made the following speech, which was also interpreted to Her Majesty and the Prince by Mr. Catlin:—

"Great Mother—The Great Spirit has been kind to us, your children, in protecting us on our long journey here, and we are happy that we now see your face.

"It makes our hearts glad to see the faces of so many people of this country, and all wearing such pleasant looks. We think the people here must be very happy!

"Mother! We have been told that there was a great fire (or lamp) in this country—that its light shone across the great water; and we see now where this great light arises. (The Driving Cloud here made a gesture, expressive of Her Majesty being the 'great light.') And we believe that it shines from this great wigwam to all the world.

"Mother! We have seen many strange things since we came here.

"Mother! Our hearts are glad at what we have seen this day. That we have been allowed to see your face; and when we get home, our words will be listened to in the councils of our nation. This is all I have to say."

After the war chief had concluded this speech, he took into his hand a drum, or tambour, on which he commenced beating, singing some wild air all the while. After chaunting a few bars in a low tone of voice, he called his warriors to their feet, who performed in succession, with all their strange and startling effect, the Medicine Dance, the Pipe Dance, and the War Dance, much to the astonishment as well as amusement of Her Majesty and the Royal party. After the dances were concluded, Prince Albert, through the medium of the Hon. Mr. Murray, assured the chief of Her Majesty's great gratification at the interview, of Her Majesty's friendship for the Indians, and desire that they may have a safe and pleasant journey home to their native land, their families, and friends.

Her Majesty was highly pleased with the appearance of the little Indian girl, and several times patted her cheek and stroked her hair. The girl has a very pleasing and intelligent cast of countenance. After the interview was concluded, the Indians, accompanied by Mr. Murray and Mr. Catlin, withdrew into the ante-room, where a most substantial repast was prepared for them; the awkward manner in which the denizens of the wild forests of America conducted themselves at the table occasioned much amusement amongst the servants and other officials of the Court who were present. The Indians all the while were laughing and joking among themselves, and seemed highly delighted with their entertainment. The old chief appeared the most jocular of the party, and from the glances he cast on some of the female attendants, one might judge him to be a *mauvais sujet*.

The Ojibways, it is expected, will return to America in spring. They are subjects of the British Crown, and their tribe is the largest of the native Indian tribes that owe allegiance to Her Majesty.

The Hon. Mr. Murray and Mr. Catlin, both of whom are experienced in the language of the Ojibways, stated that they had never heard a more eloquent Indian speech than was delivered by the war chief.

(From the London Morning Herald.)

COL. STODDART AND CAPT. CONOLLY.—It will be a subject of extreme gratification, not only to the friends of Col. Stoddart and Capt. Conolly, but to the public generally, to know that, notwithstanding the many reports which have reached England of the deaths of those gallant officers, very sufficient grounds exist for believing that no execution of an Englishman has taken place in Bokhara, and that the presumption is strong in favour of the opinion that Col. Stoddart and Capt. Conolly (more particularly the former) are yet alive.

The reason for entertaining the hope to which we have adverted is based upon the following extract of a letter from Sir Stratford Canning, our minister at Constantinople, to the Rev. J. Wolf, and on the communication to which he refers.

On the 13th of November ult., Sir Stratford Canning writing from Buyuk-deré, says:—

"I rejoice, more than I can express, to hear that an Englishman, named 'Stoddart,' was alive at Bokhara five or six months ago, when the individual from whom this has been obtained left that city. This encouraging intelligence has been obtained through Mr. Layard, to whom I refer you for the particulars, which will best enable you to judge whether we are too sanguine in founding an additional hope upon the circumstances."

The following is Mr. Layard's letter:—

"TO THE REV. DR. WOLFE, &c.

"Rev. Sir,—I have much pleasure in informing you that I have received additional accounts of Messrs. Stoddart and Conolly, and that all these accounts tend to prove that those gentlemen are still alive. As far as Colonel Stoddart is concerned, I do not now feel a doubt but that he was alive four or five months ago. I have learnt to-day that a native of Bokhara, who quitted the city about five months ago, states that he was well acquainted with an Englishman there who had turned Mussulman. That he enjoyed perfect liberty, and was not only permitted to live in the city but was furnished with money and all necessaries by the principal people of Bokhara. That shortly before he (my informant) quitted Bokhara, this Englishman stated to the King that he had property in his native country which he desired to sell, and invest the proceeds in property of Bokhara, requesting permission to proceed to England. That this permission was readily granted, and the Englishman was about to leave, with the promise of returning to Bokhara after making the necessary arrangements. On being asked the name of this Englishman, he wrote on a slip of paper, after having endeavoured to explain, *viva voce*, Astordis, or Stordas. It must be remembered that the person through whom these inquiries were made, was ignorant both of the name of Colonel Stoddart and of all circumstances connected with his imprisonment, &c. The person who furnished this account is unable to state what became of Captain Conolly, but he has no reason to believe that he was put to death. I have already informed you that I have ascertained from persons who quitted Bokhara above a year ago, that both these gentlemen were then alive. All the accounts I have received indirectly of one respect, and although I have not stated that other has many natives of Bokhara, *not one* has yet stated that a public been put to death. Is it, therefore, still credible that a public
