 HALIFAX, N. S. NOV. 21, 1871.
W. D. STEWART, ESQ.,
 having resigned the Agency of this Company,
MR. W. SHANKS,
 of this Office, has been appointed thereto, and
 will in future represent the Company in
 Prince Edward Island.
 J. W. MAILING, General Agt.

REFERRING to the above, the business of
 this well established and reliable
ASSURANCE COMPANY
 has increased so largely and steadily since its
 introduction here, that I found it impossible,
 of late, to give that attention to the interests
 of the Company and those Assured, which they
 merited; and hence feel grateful that the
 Office has recently selected MR. SHANKS
 as their future Representative who will reflect
 credit to the Institution, and in whose hands
 the interests of all parties, connected there-
 with, will be well cared for.

Important to the Citizens of
Prince Edward Island.

The Continental
LIFE INSURANCE CO.
OF NEW YORK.
 Has decided on establishing branches in this
 place, thus completing its line of branch-
 es from California to P. E. Island.
 As the reputation of the CONTINENTAL is
 now World-wide, to advance any argu-
 ment in support of its ability, and
 of its claims to public confidence,
 would be a work of supereroga-
 tion. The simple
 fact that it, last
 year, issued
12,537 POLICIES,
 the largest number issued by any company in
 the world! is the best guaranty that can
 be offered of its ability and populari-
 ty, and of the public confi-
 dence.

The following are a few of the advantages
 offered by the Continental:
PERFECT SECURITY.—The assets of the
 Company are
\$5,475,850!
 securely invested.
ONE-THIRD THE PREMIUM may remain
 unpaid, as a loan on the Policy, (with-
 out Note), until cancelled by the dividend or
 otherwise.
THIRTY DAYS GRACE allowed on the
 payments of premiums, and the Policy
 holds good during that time.
SHOULD ANY PERSON DESIRE to discon-
 tinue his Policy, after two years, the
 Company will take it off his hands, and
 give a paid-up Policy for the entire
 amount paid.
ALL POLICIES NON-FORFEITING. No
 Charge for Policy, Medical Examination,
 or Stamp.
ALL CLAIMS IN PRINCE EDWARD IS-
 LAND paid in full on the spot, without the
 claimant having to go to New York.
EVERY POLICY-HOLDER is entitled to
 vote at the Annual Election of Officers,
 and all are eligible to office.

As the great importance of Life Insurance
 TO ALL, whether rich or poor, is now un-
 versally admitted, any arguments to point out its
 advantages would be superfluous. The patron-
 age of the Public of P. E. Island is therefore
 respectfully solicited.

CLOTHING EMPORIUM,
BROADWAY.
CHAPTER III.
To the Gentlemen of P. E. Island, Greeting:
 GENTLEMEN;
THE summer of peace and plenty, of clouds and sunshine, of plea-
 sure and pain is drawing to a close, and Autumn's chilly winds,
 rainy weather, muddy roads and streets, are next coming out on na-
 ture's programme, independent of the Road Commissioner or City
 Corporation. Next, Winter, grim king Winter, with his frosts and
 snows, will blow his Arctic breath across our little Isle, freeze the
 Streets of Northumberland, and complete the isolation of P. E. Island.
 Notwithstanding that your yards, barns, granneries cellars, green-
 houses and dairies are stocked, stuffed, filled, stored, crammed,
 crocked and firkin'd with the fat of the land, the fruits of the vine
 and products of your stock, you call this "the winter of your discontent."
 While you have plenty to eat and drink, your discontent-
 ment comes from "wherewith are you to be clothed." Come into
 Broadway and be a contented people.
NOW, GENTLEMEN, FOR THE RAILWAY!
I, D. H. MACKINNON, of Broadway, bear good will to you all,
 and malice toward none; and now demand the immediate commence-
 ment and speedy completion of the aforesaid Railroad for the benefit
 of the travelling public; and as passing events cast their shadows
 before, I am taking time by the forelock, and preparing for you all.
 Accordingly, as fast as our European goods arrive, we are busily
 making every kind of warm cloth into fashionable and comfortable gar-
 ments, suitable for the season, good, cheap and durable, so that you
 may travel with comfort on the Railroad or in your own private con-
 voyance, without fearing the frowns of grim king Winter, or any
 mortal man who might wish to make you afraid.

Remember BROADWAY has the following

Ayer's Cherry Pectoral,
 For Diseases of the Throat and Lungs,
 such as Coughs, Colic, Whooping
 Cough, Bronchitis, Asthma,
 and Consumption.
 Probably never before in the whole history of
 medicine, has anything won so widely and so deeply
 upon the confidence of mankind, as this excellent
 remedy for pulmonary complaints. Through a long
 series of years, and among most of the races of
 men it has risen higher and higher in their estima-
 tion, as it has become better known. Its uniform
 character and power to cure the various affections
 of the lungs and throat, has long been known as a re-
 liable protector against them. While adapted to
 milder forms of disease and to young children, it is
 at the same time the most effectual remedy that can
 be given for incipient consumption, and the dan-
 gerous affections of the throat and lungs. As a pro-
 vision against sudden attacks of Croup, it should
 be kept on hand in every family, and indeed as all
 are sometimes subject to colds and coughs, all
 should be provided with this antidote for them.
 Although sold Consumption is thought in-
 curable, still great numbers of cases where the dis-
 ease seemed settled, have been completely cured,
 and the patient restored to sound health by the
 Cherry Pectoral. So complete is its mastery
 over the disorders of the Lungs and Throat, that
 the most obstinate of these troubles, when the
 disease is confined to the chest, and the
 system is not exhausted, and the
 Cherry Pectoral they subside and disappear.
Stomach and Public Speakers find great pro-
 tection from it.
Asthma is always relieved and often wholly
 cured by it.
Bronchitis is generally cured by taking the
 Cherry Pectoral in small and frequent doses.
 For a Cough and Cold, no better remedy can
 be had. Take small doses three
