Rangers Defeat Red Wing Maple Leafs Beat Bruins

NEW YORK (AP)—New York Rangers built up an early lead and then withstood a late Red Wing surge to edge Detroit 4-2 in a spirited National Hockey League game Sunday night.

Dave Creighton assisted on three New York goals as the Rangers cracked a five - game Madison Square Garden losing streak.

The game was bitterly fought with two fights breaking out in the second period. The first scrap involved Detroit goalie Terry Sawchuk and Red Sullivan of the Rangers. The other one was ignited by Bucky Hollingworth of the Redwings and the Rangers Harry Howell. They were joined by Hal Arbour of Detroit and Jack Evans of New York.

RECEIVED MAJORS

Sawchuk and Sullivan received major penalties for fighting. Norm Ullman served Sawchuks penalty. The other combatants received minors.

Rangers opened the scoring in the first period on Camille Henrys 14th goal of the season. Bill Gadsby converted his own rebound midway in the second period with Detroit short handed to put New York in front 2-0.

Gordie Howe got an unassisted goal at 15:26 to put Wings in contention.

Early in the third Danny Lewicki slapped the puck into the net to make it 3-1.

ROAR BACK

Wings came roaring back and Johnny Wilson lofted the puck from close range over Ranger goalie Marcel Paille to cut the Detroit deficit to 3-2.

With the Wings putting on the pressure, Rangers wrapped it up with slightly more than a minute to go. The score came off the stick of Sullivan.

The victory, however, may have been costly for Rangers. Dean Prentice had to leave during the first period after a collision with Howe. He received six stitches on the small toe of his left foot.

TORONTO (CP) — Toronto tied Boston for third place in the National Hockey League here Sunday night by defeating the Bruins 3-1 on Brian Cullens goal with less than four minutes remaining.

Bob Pulford fired a third goal into an empty net at 19:54 after the home forces pulled goalie Don Simmons in an effort to knot the score.

But the winner came on the efforts of the Cullen brothers. Brian carried the puck down the ice but lost it in a scrable. The disc was touched by Barry Cullen before Brian picked it up bounding loose and sticked in an eight footer. The time was 16:29. The victory deadlocked the two clubs at 28 points a piece in the NHL race and meant the young, aggressive Leafs have lost only one of their last 10 starts.

Frank Mahovlich gave Toronto a 1-0 lead in the first period on an 18-footer from the left side to climax a great three man rush.

Boston tied the score in the second period when Fleming Mackell broke away after skirting defenceman Jim Morrison and came in on goalie Ed Chadwick to fire the puck into the far corner.

CHICAGO (AP) — Montreal's National Hockey League leading Canadiens handed the Chicago Black Hawks their second consecutive home shutout 2 - 0 at the stadium Sunday night.

So completely did the rough Canadiens dominate the goal-shy Chicagoans that Montreal goalie Jacques Plante was required to make only 13 saves while hanging up his third shutout of the season.

The Hawks have twice been his victims.

By contrast, Chicago goalie Glenn Hall was credited with 37 saves. His play was the only thing that prevented the league-leaders from running away with the contest.

Defenceman Dollard St. Laurent got the only goal the Canadiens were going to need midway in the second period when his long shot bounced off Chicago's Pierre Pilote and skipped into the net.

Don Marshall sewed up the game for the Canadiens' late in the final frame by converting passes from Phil Goyette and St. Laurent.

The Canadiens offense was obviously hurt by the absence of Jean Beliveau but they had more than enough for Hawks, who now Rocket Richard and centre have been shutout in three of their last four games at home.

SUMMARY

First period: Scoring — none. Penalties: Talbot :17; Hull 8:16.

Second period: 1. Montreal, St. Laurent 10:25. Penalties: Mickoski 1:35, St. Laurent 18:55.

Soothsayers See '58 Bad For Russia And Rheumatism

By FRANK BRUTTO

ROME (AP) — Italy's crystal ball gazers went into their annual trance Saturday and came up with these predictions for 1958:

A bad year for Soviet Russia, and rheumatic sufferers.

A year of uneasy, shaky peace.

A year of floods, earthquakes and disturbing atmospherics that will give millions the jitters.

A year in which the United States will surpass Soviet Russia in the conquest of space.

Trouble for Queen Elizabeth.

More Asian flu.

A year in which the planet Jupiter, influenced by the sign of the balance, will move men of government toward international accords and a "certain continuity of peace."

A year in which Ingrid Bergman and Roberto Rossellini, now legally separated but planning to pass Christmas together in Rome will be reconciled.

Let it be said, however, that in past predictions, the soothsayers have hit some, missed many.

CORRECT PREDICTION

Rome's Lelio Alberto Fabriani, the self - styled "sorcerer of Rome" who predicted a year ago that Sir Anthony Eden would vanish from the political scene, said a shaky peace would continue during 1958, but with the threat of exploding.

Another Roman soothsayer, Professor Franz Waldner, saw Russians and Americans achieving a new accord toward the end of the year.

"But" he said "this will be preceded by unexpected and sensational events which, in the month of August, will change Russias internal affairs and those of her satellites."

Waldner, Fabriani and the soothsayer Renato Savelli all foresaw the death of a world figure whose passing will "definitely establish a young political personality." They named no names.

Canadiens And Bruins Tie; Maple Leafs Defeat Hawks

Boston Bruins and the league-leading Montreal Canadiens, two injury - riddled National Hockey League teams, battled to a 1-1 deadlock Saturday night in a wide open, sharp-checking game at Montreal.

At Toronto, the Maple Leafs wrapped up their scoring in the first and second periods to whip Chicago Black Hawks 4-1. And in the afternoon's nationally - televised game from Detroit the Red Wings scored three goals within three minutes of the third period to gain a 4-4 tie with New York Rangers.

Both goals in the Montreal game were scored in the second period. Vic Stasiuk tallied for the Bruins and Henri (Pocket Rocket) Richard for Canadiens while Boston was short handed.

REGULARS MISSING

Each team was minus three regulars. The Bruins were short defencemen Doug Mohns and Leo Boivin and forward Jerry Toppazzini. Canadiens were without Maurice (Rocket) Richard Jean Beliveau and Floyd Currie, all forwards.

The Leaf scoring was handled by Brian Cullen, Ron Stewart, Mahovlich and Billy Harris. Bobby Hull got the only Hawk goal, beating Toronto goalie Ed Chadwick at 13:33 of the first period to tie the game 1-1.

It was the first game in six days for both teams and they showed signs of the layoff. Passing was sloppy at times.

Hawks has a new man in the lineup, defenceman Doug Barkley who was called up last week from Calgary Stampeders of the Western Hockey League. He took over for the injured Elmer Vasko.

Norm Ullman, Don Poile and Warren Godfrey triggered the last-period counters for Detroit after the Rangers had outplayed the Wings in the early stages for a 4-1 lead. Gordie Howe got the other Detroit goal.

Gerry Foley, Andy Bathgate, Dave Creighton and Parker Macdonald scored the Ranger goals.

Great Future Forecast For Farm Woodlots

FREDERICTON, N.B. (CP)—There is a great future for farm woodlots, and prospects should be better as the years go by.

Using that as a theme, Bruce Kelly, U.N.B. extension forester, addressed the New Brunswick Federation of Agriculture annual convention here.

The future holds promise for a great demand, and all species will be valuable as tree farming increases in importance.

probable changes to come include: new types of logging machinery, little or no manual labor, use of the whole tree, no more cutting and piling of wood, and trees clipped in the woods.

The demand for trees has increased over the years, sad Mr. Kellly. In 40 years, less than a generation, there has been an increase of eight fold. Experts perdict that in the next 20 years we will use twice or double today's consumption.

Farmers and private woodlot owners have a big share of the productive forests of the Province. The woodlot makes up a substantial part of the farm income.
