

The Fall Fest Committee would like to thank all those who participated in Fall Fest and helped to make it a success. We were pleased with your Fall Fest state of mind. We feel it was a success and hope you did too. Thanks goes out to all those who helped in the makings of Fall Fest and the student union executive for all their help (a special thanks to Brian Brennan).

Results of Fall Fest events were as follows:

Hockey Tournament saw Korakin come out on top with M.V.P. and Top scorer awards going to Blair Keefe (this is hard to believe.) Top Goaltender was Lloyd Palmer.

Broomball Tournament Day students came out on top with top scorer Wendy Taylor M.V.P. Katie Baker, top goaltender Marlene Costain.
