Friday Nite Club is well underway again for another season. There are two sections this year, one group for grade eight and another for grades nine and ten.

The Program Council which coordinates all programs in the Y.M.C.A. is now reorganized for the new season and met on Tuesday evening.

Alan Massey, local Air Cadet exchange student who went to Europe this summer, was the very interesting speaker at the Centennial Y's Men's Club last week.

A new gym class is proving popular at the "Y", a Co-Recreational hour when many young married couples, young men and young ladies, meet for recreation and healthful exercise.

Alpha Y's Men's Club had a good crowd out to their regular supper meeting last Thursday. A new member, Robert Hart, was welcomed to the Club, and the speaker for the evening was Dr. A. A. MacVicar, who gave an interesting talk on Mental Health.

Ch'town P. and B. Club Holds Dinner

The regular dinner meeting of the Charlottetown Business and Professional Women's Club was held at the Charlottetown Hotel on October 19 with president Miss Helen Yeo in the chair.

Reports were given from the standing committees. Miss Gertrude Love gave an interesting account of the board meeting which she attended in Montreal in June, the main topic being the advancement of women in business.

The chairman of the monthly program committee, Miss Dorothy Cullen, introduced the guest speaker, Mrs. R. C. Parent, who gave a most informative and entertaining talk on her trip to Paris and London during the time of the Coronation.

Mrs. Christine Agnew extended the thanks of the Club to Mrs. Parent. The November meeting will be in the form of a conference at which the guest, Senator Ferguson of Fredericton, N. B., will speak on the "Club Creed".

Annual Meeting of Nurses Guild - Miss Margaret H. Campbell was the newly-elected president of St. Veronica's Nurses' Guild, at their annual meeting held at the Charlottetown Hospital on Monday.

She impressed the meeting with the necessity of a deep spiritual attitude in their roll as Catholic nurses. In his remarks, Rt. Rev. Msgr. Reception For Oil Company Officials - Approximately 150 Provincial and municipal leaders and business men of the city met Mr. John R. White, President of Imperial Oil Ltd., the directors and other officials at a reception held in the Charlottetown Hotel last evening.

The reception which was arranged for by the management of the Maritime Division of the Company, was designed to give the officials a more thorough and intimate knowledge of the Island through personal contact with the leaders of government, both provincial and civic, as well as men engaged in business.

During the afternoon in speaking to representatives of the Press, Mr. White commented on the delightful experience which had been his and the members of the party in flying over the Island, en-route from Newfoundland. "I was particularly struck with the well laid out farms and fields, the variety of colours in winding roads and streams all of which indicated a beautiful and prosperous province well worthy of the name 'Garden of the Gulf'," he said.

Mr. Stewart is not a stranger to Charlottetown, having been guest speaker at a meeting of the Junior Chamber of Commerce here two years ago. He showed a keen interest in the economy of the Island, being much impressed by the productivity of farms and fisheries and agreeably surprised to learn of the continued advances being made in dairy products and the dragger operations by fishermen in coastal waters.

Courtesy calls were made by President White and executive members of the Company on Lieutenant Governor T. W. L. Prowse at Government House during the afternoon followed by a similar call at the Provincial Building where they met the Acting Premier, Hon. Walter E. Darcy. Later the officials visited the bulk plant of the Company and met the personnel.

Several members of the Executive have visited the Island before. Continued on page 15

Fall Exhibition Of Paintings At Harris Art Gallery

A bigger and better exhibition of paintings by Island artists is promising for the coming P. E. I. Art Society's 14th Annual Exhibition in bright new surroundings of the Harris Memorial Gallery. Reports reveal more painting has been done by members in the past year and the number of inquiries from non-members has been encouraging to the executive.

Ceramics is added this year to the list of forms of art which are acceptable. As usual, oils, water-colours, tempers and pastels may be entered. Any resident of the Province may enter, though for non-members of the Art Society the small entry fee of fifty cents is charged. Rules and entry forms are now available from Mr. A. L. Wright at Wright's Shoe Store, Grafton Street, and entries will be received until the end of the month. As in the past, it will be a non-jury exhibition.

Patrons will be interested to note that the show takes place in the Fall this year rather than in the Spring. The work of renovation of the gallery ruled out an earlier annual exhibition in the Spring or in the Fall will depend to some extent on the attendance and interest shown in the exhibition forthcoming.

Personsals Mr. and Mrs. Newman A. McLellan arrived home yesterday after visiting their son in Maine where Mrs. McLellan spent several weeks.

Central Creameries Plant Thronged For Inspection

Fifteen hundred appreciative guests attended the "Open House" held by Central Creameries yesterday afternoon and evening to mark the official opening of their new Concentrated Milk Products division.

For the great majority of keenly interested men and women who inspected the plant in all its branches, the experience was a revelation. Very few had ever been farther than the entrance to the plant hitherto, and were frankly amazed at the sight of the intricate equipment, which confronted them.

Spotless throughout, the fine dairy draw commendation for its obvious attention to sanitation, and the striking emphasis on cleanliness throughout. All visitors followed a roped-off corridor from department to department, commencing at the front entrance of the new Concentrated Milk Products building.

continuing through the older plant building, and ending in the company's spacious offices, where refreshments were served. Every item of equipment carried an identifying placard, explaining its purpose, and function. Most of the members of the staff were on duty and the manufacture of the company's products continued throughout the "Open House" hours of the afternoon and evening. Members of the staff assisted in serving the refreshments. The large crowd included a good cross-section of the milk producers of the province, a large number of Island business men and a surprising number of house-wives. Children were excluded because of the large crowds in attendance.

The "Open House" will continue today from 1:30 to 4 p.m. There will be no night session and the afternoon reception will conclude the company's "Open House" program.

1st Queen's Conservatives Nominate Candidates

Mr. Walter G. MacKenzie, Charlottetown was nominated Councillor and Mr. Frank Myers, M.L.A., of Hampton was nominated Assemblyman to contest the next Provincial election for the Conservative Party at the annual meeting and convention of the Progressive Conservative Association of First Queen's held in Bradalbane hall last night. Mr. MacKenzie's nomination was moved by Mr. Walter Coady, Emyvale and seconded by Mr. Bert MacKay, Clinton. Mr. Myers' nomination was moved by Mr. J. P. Carragher, Kelly's Cross and seconded by Mr. Ernest Haslam, Springfield. One other name, that of Mr. Arthur Stewart, Sea View was moved for councillor by Mr. Bennett Deighan, Bradalbane and seconded by Mr. Chester MacLeod, Long River. Mr. MacKenzie carried the ballot by a vote of 62 to 15.

The meeting was largely attended and delegates were present from all but one poll in the district. Mr. Arthur Stewart, Sea View acted as chairman and opened the meeting by calling for election of officers which resulted as follows: President, Mr. Wilfred McAleer, Hope River; vice-president, Mr. Stewart MacNevin, Bonshaw; secretary, Mr. Clarence Haslam, Springfield. Executive: Mr. Cecil MacPhail, Bonshaw and Mr. Sterling MacLean, Bradalbane.

Mr. R. R. Bell, leader of the Progressive Conservative Party congratulated the convention on the calibre of the men they had chosen to run the next election. He was in favor of seeing the men in the field early in order to give them ample time to meet the voters. The party leader said that he was frankly worried over the plight of the farmers in Prince Edward Island this fall. The decline in prices, which he pointed out were below the cost of production, was causing a mass exodus of young people from the Province and, declared the speaker "we are known as the Province of Canada having the largest number of old people."

Mr. Bell called attention to the probe being presently conducted in the United States into the price spread between producer and consumer. He suggested that something similar should be done in Canada. "Something must be done," said Mr. Bell, "to give the farmer a price in keeping with the cost of production."

After his nomination, Mr. Walter MacKenzie addressed the meeting briefly. He scored the act of
