From a Justice of the Peace. Elgin, A. C., 12th May, 1856. Messrs. Fellows & Co., No. 8 Germain St. Gents.: I accidentally sent the other day to a store for some Vermifuge, and the man not having much on hand sent me some of your Worm Lozenges. My children showed symptoms of worms at the time. I gave them according to directions, and in 24 hours from the time they commenced taking the Lozenges, one (a boy about 5 years old) had passed 25 large worms; the other (a girl 3 years old) had passed 12; and I deem it but just to say that from this slight acquaintance with your remedy, I feel satisfied that your Lozenges are cheap, convenient, safe, and more effectual than the ordinary remedies, and as such I cheerfully recommend to all heads of families. Yours, with respect, JOHN S. COLPITTS, J. P.

FELLOWS' WORM LOZENGES ARE SOLD BY ALL APOTHECARIES. There has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attended here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor, Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scour, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required. They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood, and prepare the system for the change of seasons. An occasional dose stimulates the stomach and awakens into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but no necessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed that this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

PREPARED BY JAMES C. AYER, Assayer and Practical Chemist, LOWELL, MASS. Price 25 Cents per Box. Five Boxes for \$1. SOLD BY Theo. Desbrisay & Co., and W. R. Watson, Charlottetown, Wholesale Agents for P. E. Island; Also, by M. W. Skinner, and all Druggists throughout the Island.

AYER'S PILLS. FOR ALL THE PURPOSES OF A FAMILY PHYSIC. There has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attended here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor, Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scour, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required. They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood, and prepare the system for the change of seasons. An occasional dose stimulates the stomach and awakens into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but no necessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed that this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

PREPARED BY JAMES C. AYER, Assayer and Practical Chemist, LOWELL, MASS. Price 25 Cents per Box. Five Boxes for \$1. SOLD BY Theo. Desbrisay & Co., and W. R. Watson, Charlottetown, Wholesale Agents for P. E. Island; Also, by M. W. Skinner, and all Druggists throughout the Island.

A certain Remedy for Colds and Influenza. AT a time, like the present, when there appears to be a kind of epidemic affecting the citizens, as well as the Island generally, in the shape of a kind of Cold or Influenza, accompanied, in most cases, with a severe Cough, I think it a duty which I owe to the public to make known to them an article which will entirely remove this malady. Dr. Johnson's Anodyne Lincture is, in my opinion, one of the very best articles to cure a Cough that ever came to this Island. This is no quick preparation, but one meeting the approbation of the Medical Profession, the most eminent of whom bear willing testimony to its wonderful efficacy. The inventor of this Lincture was in the practice of Medicine for nearly twenty years, and perfected it from year to year in his practice. Taken internally, it is a safe and effectual cure for Inflammation of the Bronchus or Bronchitis, Rose Cold, Hard Dry Cough, Whooping Cough, Hoarseness and Common Cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise; Asthma and Induezy; for Sore Throats and Weak Lungs. Externally it will have the most happy effects in all cases where any other Lincture would be used, especially for Rheumatic Affections, Stiff Joints, Chills, Chapped Hands and Sore Lips. I am not in the habit of puffing up, on my own account, any patent Medicine—although I sell all kinds—but am induced to bring this article before the public from a pure motive. I know it to cure, within these last ten days, several persons of very bad Coughs, when all other remedies failed. I have seen persons suffering from the Asthma relieved by this Medicine in a few minutes. It is not generally known that it is used internally, as most all Linctures are applied externally; this will account for my remarks regarding it.

Persons may obtain this Medicine in almost all Stores throughout the Island. In Charlottetown, from T. Desbrisay & Co., W. R. Waigon and M. W. Skinner, Wholesale Agent for P. E. Island, who will supply dealers at proprietors' prices. Ch. Town, Nov. 16, 1857. 3m M. W. SKINNER.

Jeffery's Family Ointment. THIS article is an invaluable, certain and speedy remedy for all sorts of external inflammation, such as Inflamed Eyes, Burns, Scalds, Bruises, Abscesses, Piles, Fwula, Chilblains, Humors, Ulcers and Fever Sores, Erysipelas, Ring Worms, Croup, All Throat Affections, Asthma, Broken Breasts and Sore Nipples, Salt Rheum, Scald Head, Chapped Hands, Scarclet Fever, Rheumatism, Scrofula and Scalp Diseases, Sprains and Breach, Kidney Affections and Pleurisy, Warts, and Corns, Felons and Tumours, bee stings and bites of insects, Restoration of Hair, Freckles and Tan, Inflammation of the Bowels, Scratches in Horses and sore teats in Cows, and all sorts of Fresh Wounds. This Ointment acts directly upon the parts affected, but where there is no inflammation it will produce no effect. Remember, price is only Twenty five cents a box. Each box contains twice as much as ever sold by proprietors of any similar medicine for that price. In severe cases use it freely and frequently. M. S. BARR & Co., 1 Cornhill, Boston, General Agents. Sold by M. W. SKINNER, Charlottetown, Charlottetown, November 9, 1857. 6m.

Ayer's Cathartic Pills. THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unopposedly upon the system of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the morbid influences of its organs, purify the blood, and expel disease. They purge out the four humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of imposture. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of the afflicted, suffering from slow motion. The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Headaches, Partial Blindness, Neuralgia and Nervous Irritability, Derangement of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Ayer's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best all there is for them, and they should have it.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. PRICE 25 Cts. PER BOX. FIVE BOXES FOR \$1. SOLD BY Theo. Desbrisay & Co., and W. R. Watson, Charlottetown, Wholesale Agents for P. E. Island; Also, by M. W. Skinner, and all Druggists throughout the Island. Nov. 19, 57

Mothers! Mothers! Mothers! AN OLD NURSE FOR CHILDREN—Don't fail to procure Mrs. Winslow's Soothing Syrup for Children Teething. It has no equal on Earth. No mother who has ever tried Mrs. Winslow's Soothing Syrup for Children will ever consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold. Millions of Bottles are sold every year in the United States. It is an old and well-tried remedy. Price only 25 cents a bottle. Beware of cheap imitations. The genuine is on the face of the wrapper. Sold by Druggists throughout the world. August 24, 1857.

Medicine of the Million. Philosophy and Fact. THE EXCITING CAUSE OF SICKNESS. The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions. THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy. BILIOUS AFFECTIONS. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittents, and all the varieties of disease generated by an unnatural condition of the organ. A WORD TO FEMALES. The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative. USED THROUGHOUT THE WORLD. Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities. ALARMING DISORDERS. Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time. GENERAL WEAKNESS.—NERVOUS COMPLAINTS. When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility. Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague, Dysentery, Liver complaints, Asthma, Erysipelas, Lumbago, Bilious Complaints, Female Irregularities, Rheumatism, Ulcers, Itches on Skin, Rickets, Retention of Urine, Bowel complaints, Fevers, all kinds, Scrofula, or King's Evil, Worms, all kinds, Colic, Fits, Sore Throats, Constipation of Gout, Head-ache, Consumption, Indigestion, Sore Throats, Debility, Inflammation, Stone and Gravel, Dropsy, Jaundice, Secondary Symp.

Sold at the Establishments of Professor Holloway, 244 Strand, near Temple Bar, London, and 60, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s. 3d., and 5s. each Box. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Box.

The Examiner IS printed and published every Monday by EDWARD WHELAN, at his office, Kent-st., nearly opposite Mr. Coles's Brewery. Price—15s. per annum, payable half yearly in advance.
