

# Beavers Shut Out Glacé Bay Miners 5-0 Last Night

SAINT JOHN, N.B., March 17—(CP)—Glacé Bay Miners, fighting for a playoff berth in the Maritime Major Hockey League, suffered another setback tonight when goose-egged 5-0 by the league champions, Saint John Beavers.

After an uneventful first period, Johnny Ubrico scored a tally good enough for the decision. Four in the final stanza proved more than sufficient insurance. They were shot by Nick Nicolle, Johnny Arundel, Tom Smelle and Fete Langelle, the latter also getting an assist.

Game features included imposition of only one minor penalty, the 97th scoring point for Ubrico, who leads the loop, Hal Gordon's second shutout for Saint John, and Arundel's nifty goal.

Miners had been scheduled to play here again tomorrow night but because of an ice show to be held at the Forum the game has been transferred to Springhill, N.S. The two clubs will end the regular schedule at Glacé Bay Saturday.

Glacé Bay dressed only 13 players tonight, using seven forwards and five men on defence.

The teams kept on fairly even terms and under wraps in the scoreless first period, both forechecking as Miners played Beavers at the latter's own game. The visitors did more pressing while the league leaders appeared less interested.

Both sides opened up somewhat in a faster second session. It was just past the half way mark when Ubrico tallied an easy one. Bob Arnel missed the long shot like a batter fanning a slow ball.

Beavers came alive in their four-goal third period. After Langelle helped Nicolle to make it 2-0, Arundel pleased the fans with one of his typical tallies — the best play of the game. Taking the puck behind his own net, he skated through the entire op-

position for the third counter. Tom Smelle also made good unassisted and Langelle ended the scoring, assisted by Ed Mulligan.

Glacé Bay: Goal, Arnel; defence, Cooper, Windley, Bloomer, Myketyk, MacBride; forwards, Polle, Chorley, Haley, Wywrot, Leger, Delmonte, Dalgleish.

## Juveniles Meet Tonight At The Forum

The Charlottetown juvenile Abbies and the Summerside juveniles will meet tonight at the Forum in the second game of the Provincial Juvenile finals. Summerside won the first game 10-9 at Bedeque last week.

Abegweit officials are hoping that a goodly number of fans will turn out to support the young fellows. They point out that the Club incurred a lot of expense last week in transporting the boys to Bedeque under unfavorable weather conditions and they also were subjected to extra expense last week at Souris where they were detained overnight with paperweight, pee-wee and paperweight teams.

Tonight's game should be a hard fought affair between the two teams who proved they were evenly matched in Bedeque last week.

## P.S.S. vs. W.K.S. Girls Today

The Prince Street and West Kent School girls will meet this afternoon at the Forum at three o'clock in a City Inter-scholastic game. A West Kent win would clinch the City title for the West Kenters.

## Hawks' Players Can't Join Other Clubs

SYDNEY, N. S., March 17—(CP)—Players of the defunct Moncton Hawks will not be permitted to join other Maritime Major Hockey League clubs, Charles Campbell, secretary-lesar of the Maritime Amateur Hockey Association, announced tonight.

Campbell, who received the ruling from the C. A. H. A., said the only exception would be that Don Lockhart could replace an injured goaltender, who, in turn, must retire for the season.

Hawks, plagued with financial difficulties, withdrew from the league last night.

## Moneymen Down Islanders 5-0 In Final Game Here

The Islanders showed the results last night of their long, hard drive to clinch second place in the M.M.-H.L. during the past two weeks. The boys didn't give anything away to Sydney, worked every inch of the way but their plays weren't clicking and they didn't have the pep that was demonstrated so prominently in their play of last week. At that the Millionaires did not control the play as the 5-0 score indicated but they did make the most of the breaks that came their way.

The Millionaires were a hungry team seeking to catch that last play-off position. They played that way all night. They now have two games left, both in their own rink, while the Mners have four. Following the game coach Cliff Roach was happy and hopeful. "I'm not saying a word, I'm just hoping," said Roach. The boys are playing very good hockey and I was especially pleased with the work of Gabroski. Those old players have it upstairs and when the important games are being played they don't make too many mistakes."

Referring to the last time the Millionaires were here and their 14-1 loss at the hands of the Islanders, Roach explained that the local team was terrific. "Everything they did worked and after they got six goals ahead we decided to just try and hold them. But we couldn't do anything with them and they went on to score eight more goals."

Roach reports that Halifax are plenty worried over their chances of beating the Islanders in the play-offs. The terrific stretch drive of the Islanders, as might be imagined, caused considerable concern in the Halifax capital and this along with player-management troubles has left matters in a rather unhappy state. The Millionaires should they make the playoffs will be tough enough themselves and its our bet that they would extend the Beavers to the limit. All season they have proved troublesome to the Beavers.

One of the City's keenest sports followers showed us a copy of a Dec. 4, 1950 report page of the Toronto Globe and Mail recently. It happened to record the first game which Willie Marshall played with the St. Michael's Monarchs, who were coached by Johnny O'Flaherty. The Monarchs were defeated 5-2 by the Hamilton Tigers and Marshall was called up from the Toronto St. Michael's Juniors to replace Dusty Blair who had been sidelined with an arm injury.

The report in part read: Another chapter was written into the Willie Marshall story, formerly of Guelph Billmores and St. Michael's juniors. He put in a surprise appearance with the Monarchs. Taking the place of Dusty Blair who is still out with an injured arm, Marshall, along with Gord Hannigan showed most pep for the Irish. He marked his senior debut by scoring a goal and assisting on another. "The Irish, it will be remembered scored only two goals."

Tom and Carl Smelle were playing for the Hamilton Tigers and Tom Smelle scored three of the Tigers five goals. Speaking of both Tom Smelle and Marshall in one paragraph the writer says "Tom Smelle scored his third goal in the second period with Marshall notching a goal a few minutes later. Marshall slipped his in over the head of Childs (Hamilton goalkeeper) who was down on his knees from stopping a previous drive."

After the game the writer reported the following about O'Flaherty "Coach Johnny O'Flaherty of the Irishmen was disappointed but not discouraged. 'It's not a major calamity,' he stated. 'We just didn't play a good game and they did, that's all. Marshall played well.' Among the players on the Monarchs, who were regarded as a power-packed club were Phil Hughes, Matt Mesich, Jack Meldrum, Johnny Arundel, Johnny Ubrico, Johnny O'Flaherty, Eddy Mulligan and Bill McCracken, all members of this year's Saint John Beavers. Take the Smelle brothers from the Tigers and according to the Toronto paper they were regarded as the best, add them to the Beavers and a person can appreciate the strength of the Beavers in relation to last year's Major O.H.A. hockey.

The Monarchs played the Tigers on Saturday and the next afternoon the junior Marlboros defeated the St. Michael's Juniors 6-3. Against the Marlboros Marshall picked up two assists and the Toronto paper had this to say about him. "Willie Marshall had himself quite a week-end of hockey for St. Michael's, Saturday afternoon he scored a goal and collected an assist for the major series team. Yes-

The Sydney Millionaires, led by Dunc "Big Train" MacIntyre, moved to within one point of a play-off spot last night by whitewashing the Islanders 5-0 in a closely played Maritime Major League game at the Forum.

The "Big Train" poured on the coal as he steamed through the Islanders for three goals, two of them while the teams were at full strength and the other while the Islanders were a man short. Frank Bathgate and Freddy Hildebrand accounted for the Millionaires other goals.

Young Cliff Hicks, who was beaten 14 times by the Islanders one week ago tonight, had some measure of revenge as he blanketed the local team, a feat that has not been accomplished on Charlottetown ice since the opening game of the schedule. Halifax defeated the Islanders 1-0 in the first game of the season.

By virtue of their win the Millionaires moved to within a point of the fourth place Glacé Bay Miners. The fading Miners lost 5-0 to the Beavers in Saint John.

The Millionaires played it close all the way last night. Their forwards back checked like tigers and their defence set up a tight net in front of Cliff Hicks that the Islanders forwards found hard to beat.

### Played Standout Game

Playing a standout game for the Millionaires was Frank Grabowski the former Halifax Saint Mary's blueliner. It was Grabowski's first game in the Maritime Major League this season and the first time he had been on skates in three weeks.

The teams battled through a scoreless first period but the Millionaires came back to score three times in the middle stanza. Two goals in the last period, one of them with only 16 seconds left accounted for all the Sydney scoring.

MacIntyre opened the scoring with a blistering wrist shot from 25 feet out at the 2:11 mark of the second period. He picked up a pass from George Robertson just after he crossed the blueline. His shot was a hard, rising drive that landed inside the goal post on the right hand side.

Former Islander Frank Bathgate scored Sydney's second goal. He combined a nice passing play with George Robertson to beat Frederick from the goal mouth.

MacIntyre made it 3-0 at the 14:42 mark while the Islanders were a man short. "Red" MacRae fed the big fellow a pass at the blueline and Dunc roared in on Frederick to bury the puck in the lower twines.

Big Dunc was back again shortly after the 12 minute mark of the last session. He carried the puck out of his own end but lost it as he attempted to split the Islanders defence. Frank Bathgate, following up on the play, sent a pass that MacIntyre caught at the goal mouth while skating backwards. Frederick made the first move and the Sydney left winger sighted the puck home.

With only 16 seconds left Hildebrand knocked in Robertson's pass from five feet out. "Red" MacRae drew an assist out the play.

The Islanders played without the services of Larry Travis and "Hub" Beaudry. For Travis it was the first time in 86 games that he had been on the sidelines. Beaudry is recovering from a hip bruise and is now fit to play. Wait Pawlyshyn played defence in place of Travis.

### Sydney Defense Strong

The Sydney defense accoulted for a great deal of difference in the scoring. Led by big Bill Dinning, along with Ronnie Matthews, Gabroski and MacRae they proved a formidable barrier. Only about twice did Islanders forwards get behind them for clear shots.

"Buck" Whitlock got the first break early in the first period when he broke into the clear at the blueline. He failed, however, to outfox Hicks.

Play was close after the game opened with both teams playing cautiously and it was not until the four minute mark that there was a shot on goal. The line of Marshall, Bellringer and Smith was the best for the Islanders in the first period.

Hicks made the nicest stop of the game in the second period when he knocked out a point blank drive by Willie Marshall. Bill Dinning nailed Phil Vitale under the press box for the hardest body check of the middle period.

Connie Bonhomme came the closest to breaking Hick's shutout bid. Several times in the last session Bonhomme was on the door step but he could not beat Hicks.

For the Islanders it was their eleventh game in thirteen nights and although they played hard they were obviously tired from their drive to clinch second place.

terday he garnered two assists for the Juniors. In the net for the Marlboros was Don Lockhart, who it was stated performed brilliantly. Other players with the Marlboros were Bob Cooper and Don Windley, defencemen with the Glacé Bay Miners this season.

ANTIGONISH, N.S., March 17—(CP)—St. Francis Xavier University tonight won the Maritime senior hockey championship and the right to enter the Allan Cup playoffs against Pembroke Lumber Kings, defeating New Glasgow Rangers 5-3 in a thrilling game here.

The collegians, defending champions and quarter-finalists in 1950 Allan Cup play, took the best-of-seven series 4-2. They played Dolbeau Beavers last year.

Jack McLeellan was the playmaker, scoring three goals and assisting once for the collegians.

St. F.X. took a 1-0 lead in the first period. McLeellan rapped in two of his three second-period goals within two minutes, but New Glasgow scored twice, making the score 3-2. McLeellan, a sharp-shooting leftwinger, scored again with 50 seconds to go.

Fahey scored for New Glasgow at 16:20 of the third. Then Rangers staged a five-man assault, trying for the tying goal. McLeellan snared the puck in his own zone and passed it ahead to high-scoring defenceman Doug (Duke) MacDonald, who scored on a breakaway.
