A Brockville Druggist's Case

BROCKVILLE, April 24th.—The popular impression is that doctors and druggists seldom take their own medicine. This is no doubt true, but when a doctor takes ill he generally calls in one of his own profession, in whose skill he has every confidence, or when a druggist is in a similar situation, he often puts his faith in the preparations of some other chemist which he knows give good results. Both the doctors and druggists in such cases show their good sense. A case in point happened in this town a short time ago. Mr. F. M. Turner, the well known and popular druggist, who is now travelling for Parke, Davies & Co., has for a long time been a sufferer from congestion and inflammation of the kidneys. He tried a great many remedies, but without results. His patrons, however, spoke so highly of Dodd's Kidney Pills that he was induced to try them. He now states that he is completely cured, and to your correspondent he said that as a rule he had very little faith in patent medicines, but that for the cure of kidney troubles, rheumatism, backache, etc., he does not know of any remedy that is giving such good results as Dodd's Kidney Pills.

Smith—Were you ever at a millinery opening?

Jones—No; I've been at the theatre and sat behind a row of millinery, but I saw no opening.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

Stranger—Why do you put the choir so high up in the gallery?

Deacon—Because the bass has such a deep voice that if he was below nobody could hear him unless they sat in the cellar."

How to Get a "Sunlight" Picture

Send 25 "Sunlight" Soap wrappers (the large wrappers) to Lever Bros, Ltd., 42 Scott St, Toronto, and you will receive by post a pretty picture, free from advertising, and well worth framing. This is an easy way to decorate your home. The soap is the best in the market, and it will only cost 1c postage to send in the wrappers, if you leave the ends open. Write your address carefully.

"All men are born equal," but some of them are promoted to the police force afterward.

Don't Wait for the Sick Room.

The experience of physicians and the public proves that taking Scott's Emulsion produces an immediate increase in flesh; it is, therefore, of the highest value in wasting diseases and consumption.

Mr. Daddy—I wish our baby could talk more plainly; Brown's baby is a month younger, and one can understand almost every word it says. I wonder why it is?

Mrs. Daddy (offended)—I'm sure I don't know. (To the baby)—Comesey tooty mommy itte sweety. Does 'oo wicked popper scold 'oo dear ittle popsy wopsy dodkins?

DR. KOCH'S cure for consumption went up like a rocket and came down like a stick; but Puttner's Emulsion still shines with undimmed lustra as the best remedy for wasting diseases.

Witherby—That's a nice little safe you have for your home, old man. I suppose that is for your wife's use?

Plankington—Not much. She hasn't even the combination.

Witherby—You must keep something very valuable in it, not even to let your wife know the combination of it?

Plankington—You bet I do. I keep all my collar buttons and shoestrings in that safe.

F. W. HEATH, of Toronto, was cured of a cough that followed la grippe, by using Hawker's Tolu. He wrote Mr. Hawker a grateful letter of acknowledgment.

Mrs. Gummy—I learn that the customs officer wanted to collect duty on Miss Flypp on her return from Europe.

Mrs. Gargoyle—Gracious! What for?

Mrs Gummy—He said her complexion was a work of art.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

His weighty views—'I am not afraid to say what I think,' exclaimed Hiland, 'I always express my views.'

'They are too heavy to go by mail, I suppose,' replied Larimer.

D. MCLEOD, of C. P. Pidgeon & Co., a well known St. John firm, was cured of a racking cough in to days by Hawker's Tolu.

"Now, gents," said a Yankee at dinner, "guess I'll show you somethin' that not a critter in this room ever seed, and not a critter livin' ever will see it again. D'ye bet?" The bet was made, and the Yankee took a nut off the desert plate, and, cracking it, held up the kernal between his finger and thumb. "Now, gents, I callelate none of yer ever seed that kernel afore, and (swallowing it) I guess you'll never see it again. Please fork out."

Confirmed.

The favorable impression produced on the first appearance of the agreeable liquid fruit remedy Syrup of Figs a few years ago has been more than confirmed by the pleasant experience of all who have used it, and the success of the proprietors and manufacturers, the California Fig Syrup Company.

The Telephone Company —OF— P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
