IMPORTANT RUMOUR.

A rumour is in town, and believed in well in formed places, to the effect, that a despatch has been received from England by the last Mail, intimating to His Excellency the Lieut. Governor that it is the decided intention of Her Majesty's Government to leave the British American Provinces to depend upon their own resources, in the event of any collision with foreign powers—that if they do not wish to unite for mutual protection, they must prepare for the consequences, whatever they may be—that, in short, British connection must soon terminate with Colonies which appear to be so hostile to British policy. Similar despatches, it is believed, have been transmitted to all the Colonial Governors. We do not pretend to give any part of the wording of the despatch, as we have not seen it; but we think it will be found that we have not misstated its substance. If the Government have such a document in their possession, as we believe they have, they should not withhold it from the public.

THANKS TO CANADIAN FRIENDS.—We beg to return our thanks to the Hon. M. TESSIER, Speaker of the Legislative Council of Canada, for a complete copy of the Parliamentary Debates of the Canadian Legislature on the question of Confederation. The volume comprises one thousand and thirty-two pages large octavo. It is scarcely possible to believe that any other debate can be found in the English language occupying so much printed matter. It is admirably printed by Hunter, Rose & Co., of Quebec.

Our thanks are also due and respectfully tendered, to M. TESSIER for similar favours during the sitting of the Legislature, and also to the Hon. WILLIAM MCDOUGALL, Provincial Secretary of Canada, for like pleasant remembrances of our brief acquaintance with him.

BANDS ON HILLSBOROUGH SQUARE.—We are requested to state that the Volunteer Band will practise on Hillsborough Square on Thursday evening next. The City Amateur Band will, it is hoped, appear in the same place on some other night of the week. Both Bands contributed largely last summer to the entertainment of our fellow citizens, and we hope their services will be acknowledged this summer in a more substantial manner than they were last season. The Square, or Park, as it is now called, will be in a vastly improved condition in a little while, and will be generally resorted to as a place of recreation, especially "on a calm still night when the moon shines bright."

THE PASSPORT ORDER.—We understand that I. C. Hall, Esq., received a telegram on Saturday evening, informing him that the Passport Order has been revoked by the United States Government, and that the revocation applies to *all* the Provinces alike. The order was a disgrace to the Washington Government from the first, and it is high time the nuisance was abolished. We may be sure that the American people found it to be a serious drawback to their business, and we may thank them, and only them, for using their influence in having it set aside. The passport system is an excrescence of despotism, which no country pretending to be free would tolerate for a day.

THE WESTMINSTER REVIEW, for April, has just come to hand. We have not yet been able to read much of it. The articles it contains are entitled as follows:—The Positive Philosophy of Auguste Comte; St. John's Gospel; The State of English Law—Codification; Modern Novelist—Sir Edward Bulwer Lytton; Parliament and Reform; The Canadian Confederacy; Contemporary Literature.

THE EDINBURGH REVIEW, for April, has also been received from the American publishers, and a perusal of its pages is invited by the following attractive table of contents:—Taine's History of English Literature; Heraldic Manuals; The Australian Colonies; Madame Roland; Lecky's Influence of Rationalism; The Church and Mosque of St. Sophia; Memoirs of Dumont de Bostaquet; Tuscan Sculpture; Guizot's Meditations on Christianity; The Law of Patents.

The celebrity of those Reviews being worldwide, it is unnecessary to say a word in commendation of either.

INCENDIARYISM.—A Barn and some other property, amounting to about £150 in value, was destroyed by fire at the Glenaladale estate, Tracadie, a few days ago. The proprietor, John Archibald McDonald, Esqr., had succeeded in serving several writs for arrears of rent on the same day; and it is said he had taken a roundabout route to effect his purpose. The tin trumpets were blown, but too late to drive the Sheriff's officers away; and the fire was in full blast before Mr. McDonald left Tracadie. There is not the least doubt that the fire was the work of some of the parties who felt aggrieved by Mr. McDonald's proceedings as a landlord. Whether the outrage can be traced to the Tenant League, we are not prepared to say. They are, undoubtedly, blamed for it. It is a bad business whoever is at the bottom of it; and whoever perpetrates or countenances such violence will surely be the losers in the end.

☞ We are compelled to omit some editorial remarks on local political topics, on account of the large amount of space taken up with new advertisements and news—all of which are very much more interesting than anything we could write at present. Local politics are extremely dull and flat just now; and may do to stand aside until they assume some more definite shape from events looming in the future.

THE SOLDIERS RIOTING.—The papers speaking of the soldier riots in Washington say that there has been since the review last week considerable misconduct on the part of a portion of the troops about the city, and the feeling has in several instances broken out into open lawlessness and rioting. Liquor has been the source of most of the trouble, and orders were issued on Saturday closing the saloons after dark and till daylight. This, however, was not found sufficient, and to-day, by direct order from Gen. Grant, all places where liquor is sold were closed till further orders. To further remedy matters in complaint, some of the troops were to-day sent to the country back of Alexandria, and in a day or two some of Sherman's men will be sent westward.

Cape Breton is beginning to boast of her public works. The last number of the Cape Breton *News* says:—

"The county representatives, Thomas Caldwell and J. Bourinot, Esqrs., deserve and justly enjoy the gratitude of the travelling public for the numerous and striking improvements which have been effected under their direction in the bridge service. We need not here refer to those which have already been publicly noticed by us on previous occasions. On Tuesday last, the contractor of Ball's Bridge formally handed over the work above referred to, to the Commissioner, Alex. McInnes, Esq., which was done in presence of J. Bourinot, Esq., M. P. P., and an assemblage of resident farmers and other inhabitants of that fine settlement lying on the south side of the North West Arm. The ceremony was improved by enlivening airs from a pibroch played with good skill by a young Scotsman. Out from the extreme points of the frame work of the span floated the Ensign and Union of old England. Mr. Bourinot was received on his arrival at the bridge with hearty cheers by the assembled spectators, to whom he addressed a few remarks respecting the bridge, which was then to be given up to the public use."

We did not believe in "cure-alls" until we tried AYER'S inimitable PILLS, and now we think the whole secret lies in the fact, that purgatives are the natural remedy for disease, and Dr. Ayer has made the best of purgatives. They cure all our complaints.—*Logan (O.) Press.*

CRICKET.

We are requested to state that the opening match of the season will be played on Thursday next, the 8th instant, between Eleven of the senior Club and twenty-two of the junior Club, and not between the Married and Single, as previously announced. Wickets to be pitched at 12 o'clock precisely.

COMING TO THE ISLAND.—We understand that the exhibition, "The Five Wonders of the world," which has lately been exhibiting in Halifax, is coming to Charlottetown. This entertainment is very highly spoken of by the St. John and Halifax papers. We take the following from the Halifax Citizen:

THE PANORAMA.—The Panorama at present on exhibition in our city is worthy of a liberal patronage. Of late years our citizens have been frequently deceived by daubs, and therefore many hesitate to visit panoramas generally. But we are happy to testify in favour of the exhibition which commenced last night. The scenes are well painted and varied. We were especially pleased with a picture of the Lake of a Thousand Isles, where colour, lights and perspective are most artistically managed. The passage of the "Persia" from New York to Liverpool with night and storm effects elicited much applause. The explanations are brief and to the point; indeed we can recommend this as a very suitable entertainment, and more beneficial to young people than negro troupes.—*Halifax Citizen, May 23, 1865.*

HOLLOWAY'S PILLS AND OINTMENT.—Stomach and Kidneys.—Between these two organs there exists a close and intimate relation, which is demonstrated by the wasting which occurs in all diseases afflicting the kidneys. The disordered stomach is often the first index of renal irregularity. Holloway's remedies used at that juncture would cut short many a serious and fatal attack. They act with wonderful efficiency on every organ of secretion, but especially do they regulate the stomach, liver, and kidneys, in restoring their healthy functions, and casting out any obstructions or impurities. It is necessary for the Ointment to be well rubbed into the small of the back twice daily, when it is absorbed, and greatly augments the purifying and salutary influence of the Pills.

DURING THE PROCESS OF TEETHING, EVERY mother should give her child MRS. WINSLOW'S SOOTHING SYRUP. It relieves the child from pain, softens the gums, cures wind colic, and sure to regulate the bowels. Gives rest to the mother, and relief and health to the child. Perfectly safe in all cases, as millions of mothers can testify.

Ayer's Sarsaparilla

Is a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:—

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this SARSAPARILLA, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this EXTRACT OF SARSAPARILLA.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac which the agent below named will furnish gratis to all who call for it.

AYER'S CATHARTIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain, or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

The Union of the British Provinces.

A brief account of the several Conferences held in the Maritime Provinces and in Canada, in September and October, 1864, on the proposed

Confederation of the Provinces,

together with a REPORT OF THE SPEECHES delivered by the Delegates from the Provinces, on important public occasions. Compiled by the Hon Edward Whelan, M. P. P., (one of the Prince Edward Island Delegates) Charlottetown, Prince Edward Island: Printed by G. T. Haszard, 1865.

The above little work contains 230 pages. It has just been issued from the press, and is handsomely bound in boards, cotton and roan. It contains the principal speeches delivered on the question of Confederation during the progress of the Conferences in the Maritime Provinces and in Canada, with a brief narrative interweaving the events which called forth the speeches. The speeches have been carefully revised and corrected—in most cases by the speakers themselves, and all superfluous matter relating to merely passing incidents eliminated from them.

Those who take an interest in the question of Confederation—(and their number is not on the decrease, but the reverse,)—may, it is hoped, find this Compilation useful for instructive reference.

Only a limited number is reserved for sale. They may be had at the Bookstores in the course of the present week. Prices—3s (Boards)—4s (Cotton)—4s 6d (Roan). [June 5, 1865.

It is a well known fact

THAT the BOOTS, SHOES, &c. made at the Prince Edward Island BOOT & SHOE FACTORY, are better and cheaper than can be imported.

THAT Wholesale Dealers can buy their Boots, Shoes, &c, on **better terms** and at **lower prices** than they can import them.

THAT Wholesale Buyers can order small or large lots upon the same terms, and can receive them in any part of P. E. Island within **three days** from the time their order is received.

THAT Dealers in Boots, Shoes, &c, can prevent a surplus stock remaining on hand by buying at the above establishment.

THAT Wholesale Buyers can have made to order any description of Boots, Shoes, &c, required, at short notice.

THAT all who have bought Boots, Shoes, &c, are decidedly of opinion that it is to their advantage to patronize the **Prince Edward Island Boot and Shoe Factory.**
