# FIRE PREVENTION WEEK!...

A lifetime's work gone in minutes. Lives snuffed out. How many times have you read this! What have YOU done about it? Act now to save lives and property. Safeguard your home.

Make a simple check of your electrical cords for worn or broken insulation. Keep all inflammable waste properly stored. Douse lighted matches. Don't overload your electrical circuits. Never allow gasoline and volatile flammable liquids inside the home for any purpose.

ALWAYS BE PREPARED FOR A FIRE. KNOW HOW TO CALL YOUR FIRE DEPARTMENT. YOUR CHANCE TO STOP FIRES IS NOW.

A little inconvenience, expense . . . these things are so trivial when they can save a life, home, or place of business. Take precautions against fire now!

Fighting fire before it starts is a "do-it-yourself" job! To protect valuable property . . . to prevent tragedy . . . check farm, home and business buildings for fire hazards, NOW.
