Alex Campbell Rink In Schoolboy Curling Finals

A Summerside rink skipped by Alexander Campbell chalked up two victories in the opening day's play yesterday of a two-day series for the Prince Edward Island Schoolboy Curling Championship and gained a place in the finals which will be played this afternoon. The winning rink will play in the Dominion-wide competition to be held in Moncton.

A Charlottetown rink skipped by Barrie MacDonald was eliminated with two losses.

A second Charlottetown rink skipped by George Dillon, and a Summerside rink skipped by Melville Campbell, each with a win and a loss, will meet in a match this morning to determine the other entry in the final bracket.

Alexander and Melville are brothers, sons of the Hon. T. A. Campbell and Mrs. Campbell. They met in a match last night following victories over the Charlottetown rinks in an afternoon round. Alexander won the nightcap 11-6. He scored a big three end opening the match and was never headed.

In the opening matches of the championship play Alex earlier handed the No. 2 Charlottetown rink skipped by George Dillon a convincing 15-2 defeat. The Charlottetown boys took only one end, scoring a two end in the eighth. The 10th end was a blank.

In the other bracket of the play the Barrie MacDonald rink and the Melville Campbell quartet fought a see-saw battle for the first six ends. From the seventh end on the Campbell rink was never headed. Both rinks registered four ends. Melville scored his in the fifth and Barrie came

back with a similar count in the next end.
The MacDonald rink was eliminated by the Dillon foursome in a very close evening match 11-10. The match was tied-up eight a.1 at the end of the eighth end. MacDonald counted one in the ninth, but Dillon finished strong on the last end, counting two to take the match.

S.D.U. Hoop Team Faces Stiff Test In Game With Mt. Allison Here Tonight

The pace setting Saint Dunstan's University basketball team will face one of their stiffest tests in league play this season when they tangle tonight with the Mount Allison University quintet at the S.D.U. gymnasium.

The game, a regularly scheduled contest in the N.B.-P.E.I. Intercollegiate Basketball series, will get underway at eight o'clock. It will be the first meeting between the two teams.

This year the Saints have won two out of the three Intercollegiate games they have played. They downed St. Thomas University twice and their lone defeat came at the hands of the University of New Brunswick team. The powerful U.N.B. squad defeated the Saints by nine points at Fredericton.

The Mounties have won their only Intercollegiate start. Last Saturday they downed St. Thomas 60-42 at Sackville. The Saints defeated the Mounties by approximately 20 points here two weeks ago so judging by the results of these games the Mounties and Saints should be about equal strength.

Confederation Bonspiel Week Of February 18th Attracts Much Interest

The Confederation Bonspiel, one of the major winter sports attractions in the Province, will be held at the Charlottetown Curling Club the week of February 18th. Early reports indicate that the 1952 premier curling attraction will be an outstanding success.

The Secretary, Mr. J. Finley MacLeod stated yesterday that enquiries and registration received thus far give full promise that all events in the week-long competition will be well filled. Among the rinks in the Maritimes definitely sending representatives are, Halifax, Saint John, West Saint John, Moncton and Pictou. It is expected that these will be augmented next week by others, possibly Amherst and Truro. Summerside, Montague and Alberton plan sending contingents.

The new curling club formed in Souris has been invited to send entries and officials here would be more than delighted to welcome them.

It is understood that Souris is contemplating the installation of an artificial ice plant this year and will be ready for the 1952-53 curling season. They have acquired a complete complement of curling stones for their two sheets of ice.

There are eight trophies at stake in the Confederation Bonspiel and numerous other individual prizes. They include the Confederation Championship, trophy donated by Maritime Central Airways Limited, Elimination Championship, trophy donated by Wholesale Grocers of Charlottetown; Reserve Championship, Imperial Oil Trophy; British American Oil Tankard; Qualifying Elimination, Trophy donated by Morrison and Mc-

Rae Limited; Intermediate Elimination, trophy donated by Prowse Bros.; trophy donated by R. T. Holman Ltd., and Roadmakers' Shield awarded in separate "knock-out" competitions. A popular innovation to the program last year was the mixed cuped competitions. This will be repeated this year with the matches scheduled for Friday and Saturday. It is understood that these events are already very nearly filled.

The General Executive of the Bonspiel includes, Hon. T. A. Campbell, chairman, J. F. MacLeod, R. S. P. Jardine, W. R. Cruikshank, J. P. Campbell, J. J. Morris, H. R. Carruthers and E. Frank Acorn.

Hunters Corner

Continued from page 6
swamp... five snow white bunnies ahead of old Ted... the bell-like tone of old Dixie and a red fox spinning on the ice at Halliday's...

The old days that we are prone to speak about had their advantages. We had lots of game and game that was plentiful then is scarce now such as Ruffed grouse, rabbits and muskrats. Present day hunting has many decided advantages. We have better guns, better ammunition and stubble shooting on geese. Also we have pheasants and Huns, two species of upland game birds unheard of in the old days... birds that have given us shooting equal to the best on the continent.

They say that when a man starts to reminisce it's a sure sign that he is getting old. Be that as it may it is also said that a man is as old as he feels... and I don't feel old. On the afternoon I done all this reminiscing I spent three and a quarter hours musing on snowshoes without a let-up, and the old legs were still in there punchin'.

Perhaps I should knock on wood, but—unless something unforeseen happens there should be a lot of hunts in store for me yet. Anyway I sincerely hope so... at least I should be able to pound a typewriter for a few years longer.
