Cypriot Guard Commander Seen Opposed To UN Force

KOKKINA, Cyprus (Reuters) — United Nations Commander Gen. Kodanders Thimayya said there he felt newly-appointed Cypriot National Guard Commander Gen. George Grivas does not want the UN interfering with communal battles here.

Thimayya said Grivas regarded the UN as "a bloody nuisance."

Grivas was appointed Thursday supreme commander of the Cypriot National Guard succeeding Lt.-Gen. George Karayannis.

Thimayya described a heated half-hour argument Wednesday night involving Grivas, Cypriot President Makarios and Defence Minister Polycarpos Georghadjis when Makarios ordered Grivas and Gheorghadjis to accompany Thimayya to the front lines here. Thimayya said Grivas had got "very upset" in the argument.

The three men flew here by helicopter Thursday to inspect front lines so that a line may be drawn on a map, seting the positions of both sides. It would be signed by both sides and endorsed by Thimayya.

Thimayya described the 1,000 Turks remaining in the Kokkina beachhead as starving, and said he expected new fighting to break out between Greek-Cypriots and Turkish-Cypriots.

"The Turks cannot go on living much longer," he said.

There was only a week's supply of food in Kokkina and no water or cooking oil.

He said the Turkish-Cypriots were getting "worked up," and unless the economic squeeze which is being increased is stopped they will begin to feel it.

All was quiet but tense in this northwest area Thursday. The burned-out hulk of a Cypriot warboat is still lying alongside the jetty at the port of Xeros where it was destroyed during the Turkish air attack last weekend.

IN MEMORIAM

WALSH — In loving memory of Joseph Patrick Walsh who passed away August 15th, 1961.
God saw you getting weary
So He did what He thought best
He came and stood beside you
And whispered come and rest.
You wished no one a last farewell,
Nor even said good-bye.
You were gone before we knew it
And only God knows why.
Lovingly remembered and sadly missed by wife and family.

I wish to express my sincere thanks to Dr. T.A. Laidlaw, Dr. M.L. Bonnell, the nurses and staff of the Prince Edward Island Hospital, also Rev. Graeme M. Fraser, and Rev. Donald Nicholson, and those who visited me and sent cards and treats to me while I was a patient there.

Mr. Murdock MacPherson,
Kinross, P.E.I.

AUDITORS' REPORT

We have examined the Balance Sheet of the the Prince Edward Island Potato Marketing Board as at May 31, 1964, and the Statement of Income and Expenses for the year ended on that date. Our examination included a general review of the accounting procedures and such tests of according records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the accompanying Balance Sheet and Statement of Income and Expenses present fairly the finacial position of the Board as at May 31, 1964, and the results of its operations for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
