

# Good Entry List For Big Track, Field Meet Here

Four athletic teams plus a number of individual athletes from outside the Province will participate in the big Maritime Invitation Track and Field Meet which will be held on Memorial Field on Tuesday afternoon.

Taking part in the meet, which is a special part of the Festive Week celebrations, will be a Halifax Navy team; a seven-man team from the Halifax Wanderers; a team from the R.C.A.F. Station in Summerside; as well as the local Abegweit team.

In addition, three athletes from West Saint John, N.B., and one from Halifax will compete in the meet which gets underway at 2:20 Tuesday.

The Abegweit team, under the careful guidance of coach Bill Halpenney have been practicing faithfully for the past several

weeks and will be in good condition for the meet.

Seven entries have been received for the 30-mile bike race which will be launched in Kensington by James Pendergast on 10 o'clock Tuesday morning. Five of the entries are from Charlottetown and two from the Summerside Air Force Station.

At least six men will compete in the six-mile road race which begins at 6:30 Tuesday evening. The starters are George Yeo and Russell Doyle, Charlottetown; Stewart MacMillan, Halifax; Joe Richard, Saint John; John Paul and a man from the Navy at Halifax.

This morning at Victoria Park there will be a Boy Scout and Wolf Cub Track Meet and this afternoon there will be a series of Little League games.

# L.Y.C., Bruce Stewart's Win Softball Games

The Liguorian Youth Club and Bruce Stewart's were the winners in yesterday's City Softball game while the Basileia Youth Club and the Guardian Angels battled to a draw in another league game.

The L. Y. C. defeated the Guardian 8-7 in a morning game on the Knights of Columbus diamond. In the afternoon Bruce Stewart's came through with their first win of the season, downing Hornes 12-7 on the Parkside diamond. The B. Y. C. and Guardian played to a 29-29 draw in another free-swinging encounter in the afternoon.

Dick Doyle of the Guardian Angels and Jim Gauthier of the L. Y. C. faced each other in the pitchers battle during the morning game. Both pitchers were mean with hits, especially Doyle who gave up only two earned runs.

The Angels went into a 4-1 lead in the sixth and the Guardians ahead until the sixth when the L. Y. C. took the lead. They were never headed in the last three innings.

Alan MacDonald scored the winning run for the L. Y. C. when he doubled high in the seventh. He got home on a single and an error.

The afternoon game between the Guardian and the B.Y.C. turned out to be a slug-fest. Eddy Kays and Gerard Burge homered twice for the Guardians while Joe Revel and "Sonny" Stull each contributed a round tripper. Billy Acorn and Merle Longaphie hit for the circuit for the Angels.

The Angels earned a tie in the last of the ninth by coming up with 11 runs. Stull went the distance for B. Y. C. while Nell Young and Elmer Ward pitched for the Angels.

The L.Y.C.-Guardian game was handled by Willie Dunn with Hillson Carr and G. Burge on the bases. The B.Y.C.-Guardian game was umpired by Len Arsenault with Angle Carroll on first base.

# Softball Games Must Go Nine Innings, Decision

All games in the City Softball League will run the regulation nine innings, it was decided over the week-end at a meeting of the City Softball League executive. In the event of rain or darkness the contest can be considered a game after seven innings have been played.

John "Buck" White and Wendall Gillis were appointed official umpires for the league. In the event that one or the other could not officiate Len Arsenault and Gene Ward were appointed alternate umpires.

It was also decided by a majority vote that the players whose names have been entered to the league secretary will be eligible for play. The vote was necessary on account of the status of one player.

The home team in each game will be required to provide at least one new ball or otherwise risk losing the game.

The meeting also decided that players will not be allowed to wear baseball cleats during softball games.

# Keen Racing Witnessed By Large Crowd At Local Track Saturday

After looking at the R.C.A.F. Royal for the first time this year we must concur with the opinion that the 1952 baseball edition of the Summerside Air Force Station is the best R. C. A. F. team to play in an Island or town league to date. Judging from yesterday's showing it would seem that the Royals have the hardest hitting team in the league along with one of the best infields. In the opinion of some their pitching is a question mark although Brown, on the hill for the armen yesterday afternoon, gave a good performance with able infield assistance.

Even at that Brown was touched for eleven hits by the Junior Abbies. Unfortunately for the juniors their long hits did not come when there were a couple of men on the sacks. Eleven hits for the Juniors, however, is a goodly quota and it may be the sign that the boys are warming up to the league pitching.

One of the bright factors of the game for coach Ev. MacNeill may have been the brace of singles which "Kin" Ready banged out yesterday. Normally a good hitter, Ready, like some of the other boys on the team, has been having his batting troubles this spring. Yesterday, however he showed signs that he is slipping out of the slump.

Possibly the best batter on the Juniors team at the present is big Joe Coyte. Joe has been hitting the apple hard and often lately and for his efforts has been rewarded by being made clean-up man. In four trips to the plate yesterday Joe came through with two hits, one of them a double on which he later scored. Joe has now hit safely in his last five games. Three other boys also came through with two hits yesterday and they were Charlie and Forbes Kennedy and "Duck" MacLeod.

"Duck" MacLeod, of course is always a steady and dependable batter. Last week "Duck" came up with a couple of errors in the field, something rather unusual. It should be remembered, however, that he was writing entrance examinations at the time and the strain of writing those examinations would be enough to cause any ball player to commit a few boobies.

The Juniors will now head into the month of July with four teams above them in the league standings. The Abbies Intermediates and Holman's Intermediates are only one point higher than them so the Juniors still have a pretty fair chance of making the play-offs. The players themselves claim they can make it and their determination along with Ev. MacNeill's guidance should take them into or awfully close to one of the four favored spots.

At their present rate of travel the Summerside Curran and Briggs Juniors did well to run away with the League. The C. & B. Juniors have played seven games to date and out of a possible 20 points they have picked up 18. From here it would appear that the construction crew boys and the R.C.A.F. will be fighting it out for top spot in the league standing. The two Abbie teams and M.C.A. will fight it out for the other two play-off spots.

We still think M.C.A. can set their sights on a play-off position provided they don't dish up too much more ball like that played in the eighth inning of yesterday's game. If Freddy Keilor can develop into a winning pitcher to help "Lefty" MacAleer and if the players can get a fighting will to win the airways boys could make it plenty tough for opposing teams.

According to the record books M.C.A. has a lot of good ball players, too good to take a 9-1 licking from Curran and Briggs.

It will be pretty readily agreed that the calibre of ball yesterday was not up to par with that which we have been watching at the games on the week-day evenings. A total of 19 errors were committed yesterday by the four teams and a lot of the errors were costly ones. According to the record books M.C.A. has a lot of good ball players, too good to take a 9-1 licking from Curran and Briggs.

And while on the subject of baseball, we learned last night that "Red" MacFayden, versatile infielder and outfielder of the Junior Abbies is a patient in the Prince Edward Island Hospital. "Red" has come down with an attack of pleurisy, and will likely be in hospital several days. Sports fans will be hoping for MacFayden's speedy recovery.

# RCAF, C And B Juniors Win Baseball Games In Ch'town Over Week-end

Johnny Carroll's Curran and Briggs Juniors from Summerside and the R. C. A. F. Royals strengthened their positions in the Island Baseball League yesterday afternoon by winning four point games from M. C. A. and the Junior Abbies respectively.

The games were played on Memorial Field before a large crowd of fans who first saw the free-swinging armers take an 11-6 decision from the Junior Abbies and the C & B Juniors defeat Maritime Central Airways 9-1.

As a result the Curran and Briggs Juniors moved far into the league leadership with a total of 18 points. The R. C. A. F. are second with 12 points while the Intermediate Abbies and Holman's are tied for third place with six points.

The R. C. A. F. nine put together for Abbies. They scored three runs for Abbies. They score three runs in the first inning, three in the third and four in the top of the ninth.

The Abbies outthit their opponents 11-10 but the armers came through with the long hits when they counted most. Todd in the ninth inning hit a triple with the bases loaded while Petty came through with a booming two run triple in the third.

Errors also hurt the Abbies chances. Only six of the Royals' 11 runs were earned while four of the City team's counters were of the earned variety.

Jackie Burke started on the mound for the Juniors but Jackie did not have his stuff yesterday. He retired in the first inning after surrendering three runs and three hits and was succeeded by Donnie MacLean. With the exception of the third and ninth innings, MacLean had the armers at his mercy.

Brown pitched eight and two third innings for the winners. He was routed by a determined Abbie attack in the ninth during which three runs were scored and two more men were on base. He was relieved by MacCallough with two out and pinch hitter Kenny MacDonald at the plate. MacDonald grounded out to the pitcher to end the game.

With the exception of the first inning Brown worked in difficultly most of the way but a smart fielding team behind him cut off numerous Abbie rallies. The Abbies left 12 men stranded on the base paths compared with seven for the winners, the difference being enough to tie the game.

Donnie MacLean struck out nine

batters during the contest while Brown set down two. Burke of the Abbies was the losing hurler.

Charlie Kennedy, Joe Coyle, Cliff Ready, Forbes Kennedy and "Duck" MacLeod each batted out two hits for the Juniors. MacKenzie, Todd and Cox got a brace for the winners.

MacKenzie, second sacker of the armers pulled off several beautiful defensive plays for the armers and had nine chances all of which he handled flawlessly. Brian Lewis and "Duck" MacLeod made the best defensive plays for the Abbies with Lewis robbing Petty of a hit in the seventh.

The second game was less than half an inning old when the C. & B. Juniors raced into a 3-0 lead over M. C. A. as the result of four hits, a walk and a fielders choice. Two men were out when the visitors scored their second and third run on Cannon's sharp single down the third base line.

The Summerside Juniors struck in the first and last inning for their nine runs. They came up with six runs in the eighth . . . from the first to the eighth frame they were held in check by "Lefty" MacAleer. The game was called at the end of the eighth.

Lefty Benny Carson, former Charlottetown Junior star, held M. C. A. to five hits in his first pitching performance in the City this year. Carson struck out 10, one more than his opponent MacAleer.

Only in the eighth inning did Carson allow more than one hit. In that frame Irving MacKinnon
