Freedom is a shining, costly jewel that belongs to the brave, the unconquerable souls. We have battled for this precious gem when we were poor and weak. Will we fight for it again now that we are the rich and powerful champion of all the world? Aye! And forever!

Yes, we are supreme, but we will stand on top only while we do not doubt. Confidence led us on our rugged upward climb and must sustain us always. United, hopeful, strong, we face any power on earth, friendly but unafraid. We will cherish and guard to the death our splendid prize!

JAMES CAGNEY TOPS MUSICAL

With the colorful background of the United States Military Academy, Warner Bros. brings "The West Point Story," one of the year's top musicals to the screen of the Prince Edward Theatre on Thursday.

In the film, a high-powered, talented cast is topped by James Cagney as a trouble-shooting showman who goes to West Point to stage a musical production set against a series of eye-filling spectacle, song hits, beautiful girls and military-perfect cadets. Lovely Virginia Mayo, Doris Day, Gordon MacRae and dancer Gene Nelson aid Cagney in this "Yankee Doodle Dandy"-type entertainment.

Not since "Tea For Two," "Rose O'Grady" and "Silver Lining" has such top talent been brought together for a musical by Warner Bros. who set the style for the motion picture industry in military musicals some years back with "Footlight Parade," "Flirtation Walk" and others of that calibre.

The "West Point Story" is concerned with an unemployed Broadway director who journeys to the Academy to direct an amateur revue. There, he tries to buck Army routine and nearly gets the show bills referred to. Meeting closed with National Anthem. Lunch was served by hostess assisted by Mrs. Charles Ching.

Maple Sap Run In N.B. Reported Good

SAINT JOHN, N. B., April 3 - (CP) - The annual maple sap run, nearing its peak in New Brunswick, was reported yesterday to be of good quality with production normal or better in most areas. Dealers reported maple products reaching local markets in fairly good quantity and said the price range is about the same as last year.

The chief production areas are in Albert, York, Charlotte, Westmoreland, Northumberland, Victoria and Madawaska Counties. The long famous maple groves of Albert were said to be producing a "very fine" run of sap this year.

cancelled, he's put through his paces as a regular plebe and causes general mayhem throughout the military establishment, winding up by not only getting himself in trouble but involving the other cadets as well. How this fast-talking showman finally manages to save the day for the group is the basis for much of the film's hilarity.
