FOUR PARTY LEADERS GET TOGETHER

OTTAWA. — The present federal party leaders are photographed together for the first time when they watched the presentation of a painting of Thomas D'Arcy McGee, one of the fathers of Confederation, to the library of the Parliament Hill Buildings today. Seen in the posed pictures are left to right: Prime Minister Diefenbaker, opposition leader Lester B. Pearson, CCF leader M.J. Coldwell and Social Credit Leader Solon Low. (CP Wirephoto).

Little Recession Talk As Construction Heads Meet

By FORBES RHUDE
Canadian Press Business Editor

Little recession talk was heard at this week's annual meeting in Quebec of the Canadian Construction Association.

Apparently there is little need for gloom of tat sort so far as construction men are concerned.

They may not hope to do more work this year than they did in 1957, but they expect to do about as much and that means nearly $7,000,000,000 worth.

If they are not too worried about volume of work, however, they are worried about other things.

Harold J. Ball, general contractor of Kitchener, Ont., the Association's incoming president, remarked: "It is not a matter of how much volume, but how much good sense we use."

MUST SURVIVE

Top construction men agree that a contractor should make a bid as low as his efficiency and enterprise will allow, but it should not be so low as to exclude the legitimate profit needed for survival.

Apparently some bids are too optimistic. The result has been many failures, and difficulties for those trying to compete with the unrealistic bids.

Here are some quotes from reports from various sections of the country read during the meeting

Moncton :Construction in 1958 should approach that of 1957, which was a good year, although a little below 1956.

Quebec City: Construction should equal that of 1957—which was a busy year with the undertaking of many large government and industrial buildings.

Toronto: Since the usual slack period around Christmas and New Year's, it is encouraging to note that 40 new plans and specifications were received in the first three weeks of 1958 for tendering purposes.

Chatham, Ont.: Volume should exceed that of 1957. Special problems centre around housing and necessary services, such as streets, water and sewers.

Windsor, Ont.: The year is starting out with an employment deficit of 15,900. However, the situation not quite as bad as the figures would indicate.

Of the total unemployed, 3,430 are women, of whom 65 per cent are married. And ever since the post - war expansion there has been a monthly average of applicants for employment estimated at 3,500.

Fort William: The construction industry at the Lakehead shows no sign of depression neurosis. The area will not witness a boom year, but there will be steady construction throughout the building season.

Winnipeg: This year will be favorably active in Manitoba due to the large carry-over of 1957 construction contract awards. Volume may show a fall-off from 1957, which increased 16 per cent over 1956.

Saskatchewan: Volume should equal that of 1957. Highway construction will maintain the level of previous years.

Calgary: Volume should exceed that of 1957. We anticipate no special or unusual problems.

Edmonton: Construction will be somewhat lower in the first six months but on the whole the year may equal 1957. Costs are a special problem.

Kitimat, B.C.: It is estimated that constructino in Kitimat and Kemano will exceed $13,000,000 in 1958. The major portion of this will be spent in finishing work made necessary by the postponement of the Aluminium Company of Canada expansion program at Kitimat. The smelter addition will allow a rapid start-up of construction when additional smelter facilities are required.

Included also in the $13,000,000 figure is an $800,000 office building; land development and municipal-service expenditures; and the start of a $3,800,000 hospital to be constructed over the next two years.

While the predicted construction value is considerably less than that of 1957, when the postponement of Alcan's expansion program is taken into account, the situation is normal and healthy.

We are confident that Kitimat will continue to grow and become the major centre of British Columbia's north country.

The Kitimat report was signed by M. Eayrs, secretary-treasurer of the Kitimat Building Exchange.

WESTERN GUARDIAN

BEDEQUE rink, skating tonight, Friday, 8 to 10 p.m.

PARLOUR SOCIAL St. Marks Rectory, Kensington Friday, January 31 Everyone welcome.

DR. RAYMOND GRANT, Optometrist, will be in hi Tignish office Saturday, February 1st.

Y's Men Hear Talk By Airman On Europe

Wing Commander A. B. Howell, R.C.A.F. Station Summerside was guest speaker last evening at the regular weekly meeting of the Summerside Y's Men's Club held in the Green Street Y Centre with Don Sears as chairman.

Wing Cmdr. Howell gave a most interesting talk on Europe especially of France and Spain, and outlined living conditions in these countries. They have been disrupted by wars, leaving the people with a more or less fatalistic outlook on life. Some, he said for example, do not trust banks. He also showed movies taken in Europe showing the French countryside, the Le Mans auto race, Spanish bullfights etc.

The guest speaker was thanked on behalf of the members by Ross MacKenzie.

Billeting accommodations, it was reported, have been obtained in Summerside for 16 to 25 Hi-Y members who will be attending the Hi-Y conference on April 13th. An executive meeting will be held Friday at 1:00 p.m. to arrange program for ladies night and it was also agreed that the Y's Menettes be given permission to extend the kitchen to facilitate preparing meals.

Recommendations from the executive included: (1) that in view of ladies night, and the valentine social being held on Friday, February 14th, that the regular Thursday meeting scheduled Feb. 13th be cancelled; (2) that the club forward $75 to the S.A.A.A. for Little League baseball, representing the balance for 1957. These recommendations were approved.

A report from the Bishop's Fund stamp committee was given by Don Baker and following this it was suggested by Dick Hinton that the stamp contest at the High School be revived to swell the total number. John Leuty suggested such a drive be held when special stamps are available and he was asked to organize this project.

Charles Linkletter reported that the So-Ed Group were off to a very successful start.

Two letters of resignation from members were read.

Songleader was Carmen Carle and finesmaster for the evening was Frank Cameron.

PERSONALS

Mrs. Wyman Cairns is spending a few days in Charlottetown guest of her daughter and son-in-law. Mr. and Mrs. Hazen Hogg.

Mr. Earle Atkinson left Alberton yesterday for Ottawa where he will attend the Young Progressive Conservative convention.

Report Child Is Critically Burned At Home

Marilyn Bailey, 4-year-old granddaughter of Mrs. George Manderson and daughter of the former Roma Hamilton, both formerly of Kensington is in critical condition in St. Joseph's Hospital, Parry Sound, Ont. After more than seventy-five per cent of her body was burned in a kitchen stove accident at her home at Orville on January 17th.

Her mother was making beds upstairs when she heard the child's frantic screams and rushing down she discovered the girl enveloped in flames rushing widely about the kitchen. Mrs. Bailey beat out the flames, wrapped Marilyn in a blanket and had an emergency ambulance rush her the 14 miles to hospital.

Mrs. Bailey couldn't say what caused the accident. The child said she was wriggling under the coal and electric stove in order to reach the family cat, when suddenly her clothing caught fire. The information was conveyed in a letter and clipping received by Mrs. Lorne Dunning, Kensington.

Movie theatres in Britain decreased by 226 to 4,171 during 1957.

Y's Menettes Will Cater To Fall Conference

The regular meeting of the Summerside Y's Menettes was held in the Y-Centre Wednesday evening, January 29th. Twenty-six members answered roll call with a household hint.

The members decided to cater to two meals during the Hi-Y conference in April.

It was carried by a standing vote that the "Y" kitchen be renovated in the near future. Hope Cameron gave the report from the square dance which was held last Monday night at the "Y" Centre at which Mr. George Fisher from Charottetown very capably called the dances and kept everyone enjoying themselves immensely.

A letter was read regarding the coming Canadian Conference on Education to be held in Ottawa on February 17th. to 20th. Further information was given on the conference by Betty Mercer.

The meeting adjourned and coffee and doughnuts were served by the lunch committee.

Truckers

(Continued from page 11)

small tires on these vehicles a greater amount of damage could be done to the highway, than with the larger vehicles, equipped with large tires and ten to eighteen wheels.

This winter has been especially trying with a few frosty days and a number of very mild days; on the whole, however, there could not be very great frost penetration or heaving, and a greater part of the time summer driving conditions exist.

DEPT. POLICY

Your department has adopted a policy that all roads are closed to 6,000 lbs. maximum when it turns mild, to open again automatically when the temperature drops to twenty degrees. This is a very unsatisfactory system for truckers to plan their work, and comes especially hard on milk and cream haulers, oil and fuel haulers, who have to maintain two different types of vehicles, one for mild weather and one for cold. It is our contention that the Department is taking an unreasonable stand, and that instead of putting a blanket limit of 6,000 lbs. on all the Highways they should allow the larger trucks to carry a reduced load, say one-third of their summer payload. The Trans Canada Highway especially, built 50 percent by the Government of Canada as an all weather Highway with an axle load of 18,000 lbs. is reduced to 3,000 lbs. axle load, a virtual ban on trucks.

We feel that this Highway is an avenue of Interprovincial trade and should remain open or at the least reduced only in severe thaw-out conditions to one-half payload. The economy of the Island as a whole is affected, as well as the truckers; only recently twenty-seven large trucks and trailers were tied up at Borden alone. While furniture trucks and others, loaded or empty, are prohibited from operating, only this morning I saw that three Highway Dump Trucks loaded (to Capacity?) were out on the Highway, and on occasion we see snow-plows, graders, heavy machinery trailers and vehicles of every description whose weight is comparable to large trucks and trailers, travelling on the closed Highway.

WEEKLY COSTS

In our own case (and this applies to others as well), we have a payroll of $1,000.00 per week, license costs $100.00 per week and insurance $150.00, besides over $1,000.00 per month commitments for the payment of equipment and other sundry expenses. It is impossible to remain in business with the roads opening and closing on a few hours notice.

We serve over 600 business firms from one end of the Island to the other, besides individual shippers, and handle over 20,000 individual interprovincial shipments per year.

Yesterday we had just arranged to load 20,000 lbs. of lambs and poultry for Montreal when we had word that the Highways were closing at noon; this was afterwards delayed until midnight. Our Packing House, Creameries and Canneries have daily shipments to Sydney, Halifax, New Glasgow, Truco, Moncton, St. John and the North Shore of New Brunswick; many orders direct to retail stores in these localities, and with road closing, deliveries are immediately disrupted.

I am making available the decision of a Court Case involving the Railroads in the North Eastern United States (including the C.N.R. and C.P.R.) vs. the Long Distance Truckers represented by The Pennsylvania Truck Owners Association, where the Railway and their Public Relations Agency were convicted of distributing false and damaging magazine articles and propaganda against long distance truckers, and damage they did to the highways; this included articles in the Saturday Evening Post, Readers Digest, Harpers Magazine, Country Gentleman, etc., as well as damaging information about the Maryland Road Test, released before the authorities had come to an official conclusion. This propaganda has been read here and has its influence on Public Opinion and possibly in Government circles.

MAINLAND REGULATIONS

To date Nova Scotia and New Brunswick have not put any restrictions on the roads and New Brunswick does not go below 60 percent of registered weight at any time on tractor trailers. We feel that the Government and its employees are conscientious in their duties and their desire to preserve the Highways, as are the majority of the truckers. However, as this situation is creating a serious hardship on the Island, interfering with Interprovincial trade aind jeopardizing P.E. Island markets for fish, potatoes, turnips, poultry, eggs, meat products and canned goods, we feel that the Government of Prince Edward Island should review this restriction, with a view to establishing a percentage of gross weight during spring frost conditions on Island roads, and the Trans Canada Highway to be left open, with the exception of extreme thaw - out conditions where it might be reduced to 75 per cent or 60 percent of registered weight.

As President of the Maritime Motor Transport Association, I can speak for the majority of the truckers on Prince Edward Island and have their support on this submission.

Very truly yours,
KEITH MacKINNON

ELMSDALE

Sympathy is being extended to Mr. and Mrs. Everett Adams on the death of their three months old baby.

Miss Margaret Brennan of Boston, Mass., is the guest of her mother, Mrs. William Brennan. She is also visiting her sisters and brothers here.

His many friends are pleased to know that Mr. A.D. O'Brien has returned to his home from Western Hospital, much improved in health.

Mr. Donald Williams of the R. C.N. at Halifax is spending his leave at the home of his parents, Mr. and Mrs. D.A. Williams.

Mrs. Hazel Cameron was a recent visitor to Summerside, guest of her son and daughter-in-law, Mr. and Mrs. Maxwell Cameron.

Mr. Gordon Matthews has received a promotion to Halifax. He has been on the staff of the Canadian Bank of Commerce. Gordon is the son of Mr. and Mrs. Sterling Matthews.

Messrs Claude MacNeil and Charles McIvor, Summerside, were recent visitors with relatives and friends in Elmsdale.

Mrs. Elmer Wallace's many friends are pleased to know that her health is improved following treatment in Western Hospital.

The many friends here of Mrs. Maxwell Cameron, Summerside, are pleased to know she has recovered from her recent illness.

One Of Alberton's Oldest Residents Dies At His Home

Death came to one of Alberton's oldest residents Wednesday evening when Mr. Martin Foley passed away at his home there

He was born at Central Kildare June 25, 1864, a son of the late Martin and Catherine Cahill Foley. The first part of his life was spent in farming and fishing. Some fifty-four years ago he came to Alberton. He was agent for Frost and Wood machinery and later he became a merchant. In common with many other business men of the town he lost his store in the disatrous fire of 1919.

Mr. Foley was Mayor of Alberton in 1919 and again for three years in 1930 to 1932 inclusive. He was a member of the Roman Catholic Church and an honorary life member of the Summerside Council of the Knights of Columbus.

He is the last member of a family of four boys and four girls. He was first married to Elizabeth Ann Foley, who predeceased him in 1925. He is survived by his second wife, the former Annie Laura Gillis of Miscouche who gave him devoted nursing care during the five years he was confined to bed.

The funeral will be held from the Sacred Heart Church Saturday morning at ten o'clock.

Two Plead Guilty To A Total Of 19 Charges

A young man from Duvar pleaded guilty to eleven charges of theft or intent when he appeared before Mag. R.S. Hinton, Q.C., in Magistrate's Court Thursday morning and was remanded for sentence until Feburary 6th. He was not represented by counsel.

An accomplice from Summerside pleaded guilty to eight charges facing him and he was also remanded for sentence till the same date.

The Duvar man pleaded guilty to:

(1) Theft of a 1955 Pontiac car owned by Claude MacNeill, O'Leary on January 26th.

(2) Theft of a 1954 Chev sedan delivery truck owned by Sylvester Perry of Duvar.

(3) Attempt to steal a 1952 Chev coach owned by Theodore Gallant, Duvar.

(4) Break, entry and theft from Vance MacKay's store Bloomfield.

(5) Break, entry and theft at MacWilliams and Turner, O'Leary.

(6) Break entry and theft from the O'Leary Clothing and Footwear Store.

(7) Break, entry with intent at the O'Leary Farmers Co-op Assn. egg grading station.

(8) Break entry with intent at Claude MacNeills store, O'Leary.

(9) Break, entry and theft at Riley's Grocery Store, O'Leary.

(10) Break, entry with intent at the O'Leary Farmers Co-op Feed Room.

(11) Break, entry and theft at Jelly's Dept. Store, O'Leary.

Small amounts of change, two or three cartons of cigarettes, some vanilla extract, one pair of gloves, one leather windbreaker and three cigarette lighters were taken in the break.

The Summerside man pleaded guilty to seven breaks in the various O'Leary business houses as well as to the theft of the car owned by Claude MacNeill.

Cnsts. Colvin Bungay and T.J. Tibbo of the Alberton Detachment R.C.M.P. investigated the thefts.

Mr. D.O. Stewart was Crown prosecutor.

Plan Benefit Hockey Game In Alberton Tonight

A benefit hockey game will be played in the Alberton Rink tonight with the entire proceeds in aid of Raymond O'Meara, fifteen-year-old son of Mr. and Mrs. Claude O'Meara, Alberton.

Raymond suffered a fractured elbow in a hockey practice recently and required hospital treatment in Charlottetown. He is presently at home but his arm will be in a cast for several weeks.

His school mates were selling benefit tickets about the town yesterday and it is hoped there will be a good attendance in the rink tonight.

O'LEARY

The Springfield West Institute was held at the home of Mrs. R. L. England with the president Mrs. Ray Collicutt in the chair. Work for the Red Cross was discussed and plans were made to get material for same. Next meeting to be held at the home of Mrs. Horatio MacWilliams.

Mrs. Basil Battenfield, formerly Eunice MacNaught of Carleton, Lot 6, has returned to her duties as teacher of Cascumpec school.

Mr. and Mrs. Herbie Dennis and daughter, Phyllis of O'Leary, spent Sunday with relatives in Cascumpec Village recently.

A radiosonde, which was dropped from a plane in Portland, Maine, on January 2nd. 1958 landed in a field at the back of Mr. Beecher Smallman's farm on the 3rd. of January, 1958. There was a loud speaker, parachute, and battery, Mr. Smallman carried it home and reported. He was asked to send it back which he did.

Sincere sympathy is being extended to Mrs. Beatty Crozier, in the death of her sister Mrs. Lavinia Derry which occurred in Auburndale, Mass. recently.

Mr. Cecil Dennis, of O'Leary, left on Saturday morning for Ottawa, where he will spend a couple of weeks with relatives and friends.

Mr. and Mrs. John Moreshead, O'Leary, and Mrs. Edgar Harris of Springfield West motored to Summerside on Sunday afternoon where they visited relatives.

Mrs. Robert Woodside, of Knutsford, was a passenger by bus to Charlottetown on Tuesday.

Mrs. John Moreshead, of O'Leary, spent a couple of days with friends in Summerside recently.

Mr. and Mrs. Edward Lidstone and Mr. Claude Collicutt of Cape Wolfe motored to Summerside on Wednesday afternoon.

Mr. Alvin Palmer and Mr. Arnold Smallman were visitors to Charlottetown on Tuesday afternoon.

The brotherhood of the O'Leary United church held their meeting in the Bloomfield church parlor on Tuesday night.

Mrs. Beecher Smallman of Knutsford, was a visitor to Charlottetown on Wednesday, guest of her parents, Mr. and Mrs. Forest Phillips.

Mrs. Ruth Lord, O'Leary, spent the weekend with relatives in Tryon and vicinity.

Mrs. Roy MacDowell of Knutsford who underwent surgery in the Community Hospital, in O'Leary, has returned to her home.

Mr. and Mrs. Earle Jelley of Unionvale were visitors at the home of Mr. and Mrs. Ira Banks and Mrs. Annie Henderson in Poplar Grove recently.

Miss Lila MacAusland of O'Leary is now employed in Charlottetown.

Mr. and Mrs. Clifford Collicutt, of Burton, Lot 7, were recent visitors to relatives in Summerside.

Mr. and Mrs. Ray Collicutt of Springfield West, spent Sunday with their son-in-law and daughter Mr. and Mrs. Claude Harkness in Summerside.

This has been a splendid winter for getting out the winters supply of wood, and any who have lumber to get out are also taking advantage of this chance.

Miss Marcia Pate of the staff at the Airport in St. Eleanors, spent the week-end with her parents Mr. and Mrs. Peter Pate and sister Norma in O'Leary.

Mr. and Mrs. Lorne Jelley and family of Charlottetown, were Sunday visitors at the homes of Mr. and Mrs. Milford Jelley and Mr. and Mrs. Marne Kennedy in O'Leary.

The Community Hospital in O'Leary is kept full most all of the time. As soon as a patient leaves there is generally some one else to take his or her place.

Mr. and Mrs. Merritt Ramsay of Campbellton motored to O'Leary recently.

Mr. and Mrs. Leonard Pickering and family of Borden spent the week-end with the latter's parents Mr. and Mrs. Lloyd Cooke in Cape Wolfe recently.

Mr. and Mrs. Billie Meggison and family of Summerside were visitors to the home of Mr. and Mrs. George Meggison and Mrs. Velda MacNeill in Knutsford.

Mr. and Mrs. Harold MacNeill and little son of Unionvale spent Sunday with relatives and friends in Glenwood and vicinity.

Mr. and Mrs. Milton Ashley and family of Summerside, motored to Knutsford recently and spent the day with Mrs. Ashley's parents Mr. and Mrs. Earl Silliker.

At a meeting of the L.O.B.A. Lodge in Coleman on Monday night, the following officers were installed, W.M. Mrs. Helena Rogers, D.M. Mrs. Moody Lockhart, recording secretary, Mrs. Ivan MacLean, Financial Secretary, Mrs. Susie Lockhart, treasurer, Mrs. Thomas Silliker, F. L. Mrs. Lillie Palmer, S. L. Mrs. Lillie Adams, S. D. M. Mrs. Murial MacNaught, Chaplain, Mrs. Blanche Woodside. Guardian, Mrs. Nellie MacWilliams.

Mr. and Mrs. Lloyd Dunbar of Montrose were visitors to the home of their son-in-law and daughter, Mr. and Mrs. Willie Robinson in West Devon recently.

Mr. Herman Smallman of Knutsford motored to Charlottetown to visit with relatives recently.

Miss Ellen Cornish, nurse-in-training in the Prince County Hospital in Summerside spent the week-end with her parents Mr. and Mrs. Arthur Cornish in Mill Road recently.

Mr. and Mrs. Melvin Bridges of Summerside were visitors to relatives and friends in West Prince recently.

Mrs. Ivan Collicutt and daughter Darlene, of Burton, spent a few days with relatives in Summerside recently.

Mrs. Ivan Collicutt and daughKinnon, O'Leary, motored to Summerside on Tuesday morning.

Miss Opal Silliker, Summerside, spent the weekend with her grandmother Mrs. Ruth Silliker in O'Leary.

C.P.

NORTHAM

A card party was held in the old school on Wednesday evening, January 8th. A large number were in attendance.

The many friends of Mr. John Bagloe are pleased to know that he is much improved in health after being a patient in the Prince County Hospital for several weeks.

Friends of Mr. Richard Ellis are sorry to hear of his illness. All join in wishing him a speedy recovery.

Mr. Clark Bagloc, Northam, has returned to his home after being a patient in the community Hospital, O'Leary.

Mises Georgie and Dorothy Dyment, students at Summerside High School, spent the weekend with their parents, Mr. and Mrs. Russell Dyment.

United Ladies Aid met on Tuesday evening, January 14th, at the home of Mrs. Claud Colwill A number of members were present.

The Northam Women's Institue was held at the home of Miss Gertie Newcombe on Thursday evening, January 9th. A large number of members were present. Lunch was served by the hostess, assisted by committee in charge.

Miss Joan MacArthur, Charlottetown, spent the weekend with her parents, Mr. and Mrs. Horace MacArthur.

Mr. Norman Ford, Arlington, spent the past weekend visiting friends in Northam.

Miss Erma Grigg of the Royal Bank returned to her home after spending several days visiting relatives and friends in Concord, U.S.A.

Mr. and Mrs. Herman Dyment were the guests of Mr. and Mrs. Reagh Williams, Popular Grove, recently. AW.

Begin Work On New Road To Site Of Oil Drilling

Three large bulldozers began Wednesday on the work of constructing a road, beginning at the Fifteenth Point Road and leading west to the site, located on land owned by Mr. Donat Arsenault, St. Raphael, where it has been announced that the Imperial Oil Company will make their initial drilling on P. E. I. in search of oil.

The field in which the first hole is to be drilled, is located about one-quarter mile west of the Fifteen Point Road, about one-half mile from Mr. Arsenault's home in St. Raphael.

The road, when completed, will be of suitable construction for handling heavy equipment as it is to be covered with crushed gravel heauled in from O'Leary."

The Imperial Oil Company have leased three acres of the 60-acre parcel of land owned by Mr. Arsenault in this area, and work is scheduled to begin within the next two weeks. He also owns 25 acres of land on which his home and farm buildings are located.

Mr. Arsenault didn't learn until last Monday night that it was on his property that the first drilling operation was proposed and later that evening the necessary papers were signed leasing the property for a ten-year period to the oil company.

Mr. and Mrs. Arsenault, who have 11 children, four at home, have been married 29 years and have resided at St. Raphael for 28 of those years. Their children are, Edward, Raymond, Wilfred and Florence, at home, Clarence, Freetown and Rennie living in Toronto. The five other children are married and include, Louise Mrs. Dolore Gallant, Toronto; Anita, Mrs. Expedite Gallant, St. Raphael, Josephine, Martin, Hamilton, Ont. Mrs. Cyr Gallant, Cape Edmont and Euclide, St. Raphael.

MRS. ARSENAULT, wife of the owner of the property, smiles as she is being interviewed by a Guardian-Patriot reporter.

Mr. Charles Hogan To Head S. A. Canvass In S'Side Area

Mr. Charles Hogan of Summerside has been appointed to head the Salvation Army canvass in the Summerside area.

Mr. Hogan's appointment was made at a special meeting of the Summerside Salvation Army service unit.

Their retirement from office after 15 and 12 years on the executive was announced by Miss Jean MacFayden and Mr. R. E. Ellis to whom a special vote of thanks was made by the meeting, expressing appreciation of their long service with the organization.

Mr. J. A. MacMurdo presided at the meeting, and others in attendance included vice-chairman, Mayor W. A. Currie, Charles Hogan, R. L. Mollison, Earl G. Cannon, Jean MacFayden, R. E. Ellis Mrs. Duncan MacGougan, Mrs. A. E. Huestis, Mrs. H. D. Smith, Miss Mable Linkletter, Norman Morrison, Francis MacQuarrie, all of Summerside; Brigadier Nelson of Saint John, Captain John Carter and Lt. Robertson of Charlottetown.

Brigadier Nelson spoke to the assembly expressing appreciations for the work done for the Salvation Army by those in this area. He told several fascinating stories about the way in which donation to the Salvation Army are used and spent.

Reviews

(Continued from page 11)

eral Hospital The latter is connected by tunnel to both the male and female divisions of the Riverside Hospital.

The work will involve the opening of a stairway in the womens division and will be such that patients can be moved on stretcher or otherwise instead of the practice of removing them outside the building when it becomes necessary to have them transferred to the Active Treatment Centre. The stairway will have direct connection with the Hospital tunnel.

Mr. MacKinnon pointed out that with the removal of 30 or more male patients to the Hillsboro Hospital an opportunity to carry out repairs in the men's division will be made available.

LOCAL PROBLEM

Speaking of maintenance at Riverside, Mr. MacKinnon stated it was most difficult to maintain an institution of this sort to the same degree as could be expected in other institutions. This is due to the fact that destruction of furnishings and equipment will take place in spite of everything that is done to prevent it.

During the past year the laundry at Riverside has been enlarged and as more equipment became available more of the laundry from the Infirmary is being taken care of. It is hoped that in the near future the need for extensive laundry facilities at the Infirmary will not be required.

During the year a new nurses residence has been built at Riverside which was officially opened during 1957.

AT THE JAIL

At the jail the problem of maintenance also presents a problem. The irresponsible nature of the inmates is the chief factor involved in this work and an over crowding situation which develops each winter further augments the difficulty.

At the Sanatorium a new boiler has been installed. This will give ample standby heating facilities and will enable the staff to let one boiler down from time to time without diminishing the central heating supply. The boilers at the San also heat the Queen Charlotte High school.

OTHER DUTIES

In addition to maintaining the public building in Charlottetown the Department of Public Works has to do maintenance work on the jails and court houses at Georgetown as well as several Government garages throughout the Island.

It is only two years ago that the Department of Public Works was separated from the Department of Highways. A year ago Mr. John Gilmore was appointed building maintenance engineer in charge of plumbing, electrical, heating and structural maintenance.

U. S. Advertisers Spend Record

NEW YORK (AP)—Advertisers in the United States spent a record $10,432,000,000 to promote their goods and services in 1957, Printers' Ink magazine said Thursday.

This is 5½ per cent more than the previous high of $9,900,000,000 in 1956. It continued the upward movement that has taken place yearly in the last 15 years.

Radio showed the biggest percentage increase of all media, up 14.3 per cent to almost $650,000,000. Network radio made its first gain since 1948.

Newspapers still accounted for the biggest share with 31.9 per cent of the total. Dollar volume of newspaper advertising—$3,325,000,000—was up 2.8 per cent over 1956.

SLOWER IN DARK

Alberta's highway speed limit is 60 miles an hour by day and 50 miles by night, rigidly enforced.

THIS WEEK AT CIVIC STADIUM
