Music Festival Ass'n Drops Choral Reading

A number of changes in adult choir participation in the P.E.I Music Festival were proposed and accepted Wednesday evening at a meeting of the festival association, held in the Prince of Wales College library.

Chairman Edwin C. Johnstone and festival secretary, Miss Mary Donahue told the meeting that at the annual meeting of the Canadian Federation of Music Festivals in Port Arthur last July, it had been suggested that adult festival choirs be adjudicated, but not marked.

Following the adjudication, the choirs should sing the test piece as a mass choir. Furthermore, each choir should be allowed to sing a selection of its own choice as well as the test piece.

These suggestions will be incorporated in the 1964 sessions of the Prince Edward Island Music Festival in May.

It was felt that these changes would increase both adult choir participation and adult audiences at the evening sessions.

Wednesday evening's meeting decided to drop choral reading classes from the festival. It was hoped that some other organization might take over sponsorship of this activity.

Miss Dorothy Cullen reported that her committee hopes to have the syllabus printed and ready for distribution by the end of this month.

The meeting expressed regret at the sudden passing of Mrs. Holden MacLure, who had taught music in several schools in Southern Kings County for some years.

Minutes of several previous meetings were read by recording secretary, Mrs. S.G. Finley, and the financial report was given by Mrs. Margaret MacKinnon.

Queen Charlotte H&S Hears Summer Activities' Reports

The first meeting of the Queen Charlotte Home and School Association was recently held in the school auditorium with a large number of parents and teachers in attendance. The main purpose of this September meeting was to welcome parents who have children attending Queen Charlotte for the first time.

Special reports arising from summer activities were presented. Mrs. Kenneth MacQuarrie, water safety convener for Queen Charlotte, had high praise for the effectiveness of the summer aquatic instruction carried on so successfully at the YMCA pool.

It was mentioned that the indoor facilities at the 'Y' contributed greatly to the interest of the students taking the various courses, the instruction was top-notch, and the conduct of all students was above reproach.

In order to facilitate next year's water safety program, it is planned to select a committee at the November meeting.

Nancy George, a grade 10 student who had the distinction of attending a Red Cross seminar in St. John's, Nfld., gave a comprehensive report on her interesting experiences, highlighted by discussions when students from other centers exchanged information on their special Red Cross projects with other students.

Following the regular business session presided over by president, Mrs. D.F. Crosby, an outline of planned programs for the remainder of the year was presented by the program convener, Mrs. Tom Lothian.

INQUIRY IS THEME

It is hoped to center all meetings around the theme, Inquiry, and at the November session of the association, members will be able to share an inquiry centering around the worth and value of Home and School, both locally, provincially and nationally.

An informal social half hour was enjoyed when coffee was served by the executive.

CHURCHES

(Continued from page 7)

after Trinity. Ellerslie 11 a.m.; Inverness 2.30 p.m.; Port Hill 7.30 p.m. Rev. Delmont Yeo, minister. Rev. Michael R. Ness, priest-in-charge.

Paint Supply Contracts Are Awarded

Following a meeting Wednesday night, John Butler, City Comptroller, announced that four different city firms have been awarded the contract for the supplying of paint for the Charlottetown Forum.

R. E. Mutch Co. will supply 100 gallons white wall paint at a price of $3.98 per gallon including tax, and 50 gallons of black enamel at $1.66.

De Blois Bros. will supply 70 gallons red enamel at $3.70 as well as 20 gallons each of light and dark grey at the same price, and 25 gallons of primer at $4.29 a gallon.

MacDonald and Rowe will supply 70 gallons each of blue and lemon yellow enamel at $3.77 a gallon.

Rogers Hardware will supply 20 gallons turquoise enamel at $4.98 a gallon.

It was noted with many firms tendering for the supplies there was a wide variance in prices quoted — even by those offering the same brand.

Winter Fair Has Heavy Entry List

Don J. Oland, Halifax, president of the Atlantic Winter Fair, scheduled for Halifax, Nov. 4 to 9, said yesterday livestock entries for this first fair have exceeded expectations.

"We had to order $1,000 worth of extra tie-up bolts in an effort to accommodate the cattle that have entered, said the Halifax man, who assured competitors that the stall equipment is new and is the best obtainable.

"We have received 644 cattle entries and 234 horses will be competing. There were so many horse entries offering that we had to curtail some of the numbers", Mr. Oland explained.

"Our office has been swamped", Mr. Oland said, "with the large number of entries and other correspondence received."

HELPS TO LIFT

It takes more power to lift a helicopter off a concrete surface than off a weed-covered field.

Bulgaria Buys Canadian Wheat

OTTAWA (CP)—Trade Minister Sharp has announced that Bulgaria has agreed to purchase up to 450,000 metric tons of Canadian wheat during the next three years.

He told the Commons Canada and the East European Communist country had just signed a three-year trade agreement, in which the wheat purchase is the main feature.

Bulgaria is committed to purchase 100,000 metric tons of wheat during each year of the agreement and an additional 150,000 tons subject to the state of Canadian supplies during the current crop year.

Expressed in bushels, the Bulgarians have agreed to buy some 3,675,000 bushels a year for a minimum of 11,025,000 bushels plus a possible additional 5,512,500 bushels for a maximum 16,537,500 bushels.

The agreement permits Bulgaria to choose whether to take the grain in the form of wheat or its equivalent in wheat flour.

ASK LONGER SENTENCE

TORONTO (CP) — Patrick Norton, 63, of Toronto, sentenced last week to six months in jail for illegal possession of morphine, had his sentence lengthened Wednesday to two years—at his own request. Norton, who used a forged prescription to obtain the drug, told Magistrate F. C. Hayes he was studying the printing trade and wanted to continue his education in prison.

"Perma-Fill" prevents rust and corrosion from forming on the metal surfaces by retaining it "in suspension" in the liquid. A continuous, gentle "scrubbing action" lifts rust and corrosion—so that when the cooling system is drained (after a year or more of carefree motoring) ALL impurities are carried away, leaving engine and radiator "new-car clean". No cleaning or flushing is necessary!
The Finest Protection Ever Designed for Car and Truck Cooling Systems—Replaces anti-freeze in winter, and water in summer and much safer and more effective than either. The safest and best coolant for ALL engines, including those with aluminum parts and synthetic hose connections. It won't freeze even at 62° below zero, or boil away even at 330° above!
