

Air Force Wins Two Games From Falcons At Summerside Yesterday

The Summerside Air Force took both games of a doubleheader with the Charlottetown Falcons last evening at the Curran and Briggs diamonds.

The first game was a continuation of a former game which had been protested with two out in the first half of the seventh. It went to the eleventh before "Chuck" Hulme scored a run to finish the play off at 7-6. He walked and Barlow hit a single to bring him in.

In the second game which was a five-inning affair, the Royals won 1-0. Hulme getting the lone run in the first inning when he hit a triple and came in on Bovin's single.

The Falcons threatened in the first and fourth but Barlow had them well controlled most of the way.

Ladies Semi-Finals Played At Local Club Tourney

Miss Helen Larter, Provincial ladies tennis singles champion, advanced into the final round of the Charlottetown Tennis Club tournament yesterday afternoon when she defeated Mrs. Elizabeth Willett by a score of 7-5, 5-7, 8-6 in semi-final ladies singles play that produced a wealth of smart tennis and keen competition.

Making some beautiful placements, Mrs. Willett forced the Provincial champion right to the limit all the way, and after losing the first set by a score of 7-5, came back in the second from behind a 4-2 lead built up by Miss Larter to take the set by a 7-5 count and force the match to a third and deciding frame.

Continuing to carry the play to her opponent in the final set, Mrs. Willett built up a commanding 5-2 margin and held match point at 40-15 in the next game, when Miss Larter rallied strongly from there in a definite championship style. Miss Larter drove and stroked her way to a final 8-6 match victory.

She will meet Miss Wanda MacMillan later this week for the Club championship.

In other matches played yesterday, Geoff Fitzgerald put up a stout battle against his much younger opponent, Paul Kays, before going down to defeat by scores of 7-5, 6-8, 9-7, in a long, hard, well-played contest, while Ned Wren defeated Freddy Coyle in straight sets of 6-3, 6-0. Elmer Blanchard scored a 6-3, 6-0 verdict over Vic Williams in another keenly contested men's singles match.

Play will be continued today when the following matches will be run off:—
Men's Singles
 Elmer Blanchard vs. Ned Wren
Men's Doubles
 George Burnett and G. D. Fitzgerald vs. Carl Bradley and Gerald Coyle.

Lumber Men Cancel Ch'Town Convention

MONCTON, N.B., Aug. 30—(CP)—Directors of the Maritime Retail Lumber Dealers Association have cancelled the meeting of the Association which was to have been held in Charlottetown on Friday and Saturday, September 1 and 2. The announcement was made here today by J. Harold Farthing, secretary of the Association. He said cancellation was due to uncertainty of the transportation situation and because of hotel accommodation, the Charlottetown Hotel having been affected by the railway strike.

liament had been over the question of compulsory arbitration, he said. But with passage of the emergency measure, that was no longer the question.

"The question is," he said, "what the workers obey the law? We have no hesitation in saying that they will do so."

A reporter asked if they had any advance notice of the Government's intention to amend the bill to favor the strikers. Mr. Hall smiling, said he couldn't hear the question.

Another reporter asked why the unions waited for Parliament to pass the bill before calling the men back. Mr. Hall and Mr. Mosher said they would act on the law, not of what the law might be. There were strikers who did not want to return to work.

"We shall ask our members to return to work with no bitterness in their hearts," Mr. Hall said. "They will go to work ungrudgingly and honestly as they always have."

Mr. Hall said it would be pointed out that under the law the workmen are to be paid for the 48 hours of working out a fair agreement of the 40-hour week.

On the 40-hour demand of the unions, the railways so far have agreed to grant it as of Sept. 1, 1951, with unchanged take-home pay from the present 48 hours.

The unions are asking for it at June 1, 1951, with a three-months' "transitional period" during which no overtime would be paid up to 48 hours.

"We hope it will work out all right," Mr. Hall said of the situation generally.

Honorary-Treasurer, M.P. Titus, Summerside.
 Chaplain, T.E. MacNutt, Charlottetown.
 Dominion Representative, T.B. Rogers, Charlottetown.
 Zone chairmen, Bruce Stewart, Souris (Kings County); Byron Howlett, Vernon (Queens County); and Aden Elison, Summerside (Prince County).
 The Secretary is J.S. Walker, Charlottetown.

The Provincial Command extends a cordial invitation to all veterans who are in the vicinity, whether Legion members or not, to attend the sessions, parades, and evening banquets.

Visiting Players Chalk Up Gains In Junior Tennis

OTTAWA, Aug. 30—(CP)—Visiting players chalked up most of the early gains today as the men's singles swung into their second and third rounds at the Canadian junior tennis championships.

The 200 young Canadian and American entries cleaned up a backlog of matches resulting from nearly two days of steady rain.

Courts at three other city clubs were called into service when the women's tournaments opened. Most of the men's singles were played at the Rideau Lawn Tennis Club, headquarters of the competition.

Highlight of the afternoon was the first presentation of the Charles W. Leslie trophy to Pat Lowe of Ottawa—now a senior who last year captured the Canadian junior women's title.

Mr. Leslie, former president of the Canadian Lawn Tennis Association, presented the trophy which he has donated for junior women's play.

In the men's singles a sharp-hitting expert from Toronto, Roy Spencer, gave the top-seeded player, James Scriven of Halifax, a few bad moments in the third round. However the Nova Scotian had held his own, winning 8-10 6-0, 6-2. In the second round Scriven defeated Paul Driscoll of Quebec City, 8-6, 7-5.

Other sporting events were more fortunate, however, when the recent rain didn't have the same damaging effect to their respective grounds, the Belvedere golf course being the scene of much activity during yesterday afternoon, while the Charlottetown Tennis Club was also able to run off a number of their tournament matches during yesterday.

A sport for people who like it wet anyway, the Provincial Swimming and Diving Meet was run off with much success at Summerside yesterday, when Queen's, King's and Prince County swimmers vied one another for top Provincial honors, the previous night's rain having no effect on the activities, unless it was to slightly raise the water mark, which was so much the better.

The Island League game between Falcons and R.C.A.F. was also carried on as scheduled, while the R.C.A.F. sports were also run off with much success at the Western Capital airport.

Local baseball officials announced yesterday that the Abbies will journey to Summerside today where they will meet with the Curran and Briggs aggregation in a postponed series tilt, and that it is expected that the last game between the two squads in regular schedule play will be played here at Memorial Field Tuesday evening. The Abbies will also play a doubleheader with R.C.A.F. here on Sunday, and also the necessary number of innings to decide a tie in the game between the two squads on July 19. Both ends of the double bill are postponements from previous dates.

Island hockey fans, particularly those who have been doing so much to put Charlottetown back into Maritime Senior Hockey League competition this winter, will be sorry to learn that Major T. B. Rogers, president of the newly-formed local senior hockey club known as the "Islanders," has been admitted to the Prince Edward Island Hospital for rest and treatment.

Major Rogers, who is not only a prominent business man in this Province but also a staunch follower of sporting activity and an ardent worker and member of many organizations and clubs, has been one of main figures behind the new senior hockey development in this City and was only a few weeks ago elected to head the Club in its forthcoming hockey activities. An energetic worker in anything he is connected with, Major Rogers has apparently been throwing too much effort and work into these many fields and now is forced to take a much needed rest.

It was learned here yesterday however, that he is resting comfortably in hospital, and although it will probably be a number of weeks before he will be able to take up his many duties again, his many friends and co-workers will be wishing him a full and speedy recovery.

As Provincial President of the Canadian Legion, Major Rogers was to leave in a few days for the West Coast where he would represent the Island Division at the annual Dominion Convention and had just recently consented to head the forthcoming Provincial Cancer Campaign, a post he carried out with much success here last year. It is felt that both these organizations will miss his capable assistance during his confinement in hospital.

Horseshoe Club

In the third round of the tournament now under way at the Brighton Horseshoe Club, A. Doyle defeated Cpl. Butts and R. Vessey defeated L. Phillips in matches last night.

The semi-finals will be played tonight at 7.30.

The schedule:—
 A. Doyle vs. S. Williams
 R. Vessey vs. G. Schyler.

Green Gables Golf Tourney Open To Amateurs

A golf competition open to all amateurs, will be played at the Green Gables Golf Course on Saturday, Sunday and Monday, September 2nd, 3rd and 4th, 1950.

An 18-hole qualifying round was played yesterday and will be concluded on Saturday, September 2, 9-hole matches will be allowed in all flights if those drawn against one another are in agreement, but the final round in each flight will be an 18-hole match.

Many valuable prizes have been kindly donated by local business firms and individuals to be presented to the various division winners.

Yankees Take Over Top Spot In American League

(By STEVE ROBERTSON
 (Canadian Press Staff Writer)
 Powered by the big bat of Johnny Mize, New York's defending champion Yankees soared into first place in the seething American League race Wednesday by sweeping both ends of a doubleheader from Cleveland Indians, 4-3 and 3-0.

The Yankees' twin victories forces a complete revision in the first division. New York took the lead from Detroit, which had a twin night doubleheader on tap in Washington, by one game. The Tigers had been on top for 81 days, since June 10. Cleveland dropped into fourth place 1-2 games behind the Red Sox, who topped Chicago White Sox 6-1 in Boston.

Mize blasted a pair of home runs, one in each game. His first round-tripper started Bob Feller on the road to his 10th defeat of the season. His second, and 15th of the campaign, came with a man on base and gave lefty Ed Lopat more than enough runs to register his fifth straight triumph over his Cleveland cousins.

Mize also collected a couple of line singles, missed a third homer by the closest of margins and drew a walk in the eighth inning of the first game that eventually became the winning run.

At Boston, the Red Sox scored four unearned runs in the third inning when the Chicagoans made three errors and continued on to their 15th victory in their last 16 games of this current home stand.

The victory, gained before 9,836 fans, was the 14th of the campaign for Joe Dobson.

In the National League's daytime action, Chicago Cubs hit Brooklyn Dodgers' pennant hopes a blow with a 6-5 victory. Shortstop Roy Smalley made a diving catch of a liner with the bases loaded and two out in the ninth inning to enable Walt Dubiel to score the first victory of his career over the Dodgers.

At Cincinnati, Vern Bickford easily won his 17th game of the season as Boston Braves pounded Cincinnati pitchers for 15 hits, including three homers, and a 9-4 decision.

NEW WATERFORD, N.S., Aug. 30—(CP)— New Waterford Dockers trampled Sydney Mines Rams 9-3 here tonight, to take a 2-lead in their best-of-seven Cap-Breton Senior Baseball League semi-finals.

WINNERS OF THESE SERIES will meet winners of Miscouche vs. Kensington for the Prince County championship and the right to advance to the Island playoffs. S
