More than 2000 Families in Halifax and Dartmouth use Sunlight and Lifebuoy Soaps

exclusively in their homes, and all say they would not have any other kinds.

This information is correct having been gained by competent and trust-worthy advertisers, leaving samples at every house and making careful enquiries.

These families never knew what pure SOAPS meant, until they tried SUNLIGHT and LIFEBOUY.

Why should not others learn and be healthier and happier for the learning.

Price is only 5c for large twin bar.

This sum (\$250) is a surplus from the charge of manufacturing expenses and brings the price of milk during the summer season up to 61-83.

THE HALIFAX BEAT.—The steamer City of Ghent, from Halifax, came to Charlottetown last evening and sailed early this morning on return. She had a good freight each way.

SEPTEMBER 6th—Arrangements have been made to have all the stores closed at one o'clock on Wednesday, September 6th, so that all hands can attend the Inter-Provincial and other bicycle races. This means that Labor Day will be recognized in Charlottetown on Wednesday instead of Monday.

TORONTO FAIR.—The big fair at Toronto opens on the 28th August and closes on the 9th September. It promises to be a great success. Those who intend going from this province should read all about the reduced fares by the C. P. R., in their advertisement published elsewhere. The return limit is September 14.

FLOWER SNOW.—Burke's stall in the market building presents a most attractive sight, being literally filled with beautiful garden flowers. Fine bunches of bloom of nearly all the prettiest varieties of garden annuals were displayed in the greatest profusion. The dahlias and sweet peas were particularly fine. The enormous number of flowers thus exhibited were admired by everyone who had the pleasure of seeing them.

MR. HOLMAN'S FIRE.—Mr. John Holman, of Winsloe Road, with reference to a paragraph which appeared yesterday stating that one of his barns and boiler house was destroyed by fire, wishes us to say that he is under great obligations to his neighbors who rapidly came to his help and confined the ravages of the fire to the building in which it started, and which was used as a piggery and boiler house. Several times his big barn caught fire, but owing to the efforts of those present was saved. Some of the neighbors repeatedly extinguished the fire when it caught on the roof of the building. If it had been destroyed, Mr. Holman's loss would have been considerably greater than it was; probably all his buildings would have been destroyed.

THE BOSTON BOAT.—The steamer Halifax left this afternoon on return to Boston. Her outward passenger list included the following: (Richard Goodwin and party, Miss Mary McQuillan and two sisters, Mrs J F Neilson and daughters, Miss Minnie Crane, Miss K Johnson, Patrick Macdonald, Mrs McCloskey, Miss M McCloskey, Miss V McCloskey, Chas Chaffee, Mr and Mrs Alford, W A Pike and wife, E A Kilburn, Emy Jamison, Miss Jessie Finlayson, Mr Gardiner, W J Bliens and wife, H P McInnis, Miss McNeill, J U Tweedie and Mrs. Tweedie, H D Preeper and wife, Mary Gallant, J W Love, Miss Donovan, Miss Osborne, J L Fay, V M Porter, Silas S Betts and wife, John T Foulkenburg, Miss Eubree, Mr Berrien, Mr Keon and wife and Miss Campbell.

CHOIR PICNIC.—The annual picnic of the choir of St. Dunstan's Cathedral was held yesterday at Red Point, on the beautiful grounds of Mr. John Maceachern. The day was an ideal one for such an outing, and the ladies and gentlemen of the choir did everything in their power to make the affair enjoyable. The fullest measure of success attended their efforts, and all present enjoyed themselves to the full. The excursionists were conveyed to and from Red Point wharf by the trim little steamer Alameda commanded by Captain Hobbs, an excursion up and down the harbor bringing the festivities to a close. During this feature of the proceedings addresses were made and songs sung. The health of Mr and Mrs Maceachern and the choir of the Cathedral occupied prominent positions on the toast list, and were enthusiastically honored and happily responded to. The singing of the National Anthem brought to a close one of the pleasantest picnics of the season.
