DOWN THE BACK STRETCH

Jan. "Roach" MacGregor arrived back last week after being away since late August racing horses owned by Andrew Perry of Summerville. They, under the care of Art Burnine, came back the same way. The quartette, Bay State 2068, Yuta 2066, Jo-Jo Spencer 210, all pacers, and the trotter Winnifred G. 216. The three first named won 16 dashes over the Quebec City track in 27 starts and driver Burnine had a win with Winnifred G. Bay State Pat was the most talked of horse at the Speedway because of his 2061 performance. In another race with H. R. Chiff 159 he was timed in 2:04.5. Bay State Pat won 7 dashes, lowering her record twice, finally to 2:09 on October 24. In that race she headed Doc Hal. My Son Sparkle and other top pacers. Doc Hal was "Horse of the Year" at Quebec, winning 14 firsts out of 32 starts. Yuta made 28 starts and has been 15 times first, 7 times second and 5 times third and Jo-Jo Spencer has won 9 heats.

driver racing anywhere but as most of the starts were at Quebec City where many of the best trotters and pacers in Canada take part, it makes them all the more creditable. Our congratulations to both driver MacGregor and owner Andrew Perry. Andrew has been racing horses for a great many years but this season he has really hit the jackpot and his horses' names have gone far and wide because of their exceptional performances.

We are glad to have this letter from S. Thane Belyea, Fredericton, New Brunswick and George Woodside arrived back from Quebec last week. Ned had Ritakey 208, Arlene's Money 211, and his own horse, Clipper Dale 215, there and George had his horse Tyndall Semple 214. The weather was very good luck. The weather was bad and they were in tough all the time. George said that Roach MacGregor really gave them a trimming. I was very sorry to see in your column last week about our mutual friend Cecil McKinley being sick. I sent him a get well card. Thanks, Thane, and also many.

Saints, Welshmen Play To Third Scoreless Encounter

For the second time this season Prince of Wales College rugby team and the Saint Dunstan's Varsity junior squad have played to a scoreless tie. It is the third straight scoreless tie in competition for the P. E. I. Intermediate Rugby title and the fifth straight tie. A penalty kick could mean the difference now with only one game of the closely fought three-game series remaining unless the boys play to another tie in Monday's game at Memorial Field.

There has been very little to choose between the two teams in the series so far. The Welshmen might possibly be credited with the majority of the play but this is offset by the wonderful defence of the Saints. Several of the Saints passed to within feet of the goal but each time were successfully beaten back to neutral territory by the boys in Red and White.

The Saints started on the offensive shortly after the opening half took place as Don LeClair kicked the ball to P.W.C. and made it look as though they might mean business. But they got no farther than the Red Blue 15-yard line before the Welshmen recovered sufficiently to control the play for the remainder of the half. The Andrews-coached team threatened a try at the 20-minute mark of the half as they moved very close to the goal line. Several runs by Arnold Macdonald, Joe Revell and Tommy Davison were gradually pushed back to the Saints' 25-yard line but ended in again at the 22-minute mark on a beautiful run by Macdonald as he took 20 yards, ending with the ball only inches away from the goal line.

In the second half the Saints again made an impressive start as they reached the Welshmen's 5-yard zone. However, they were held off by the eager Prince of Wales boys who pushed the play back to the center field where it remained for the following 15 minutes of the session. Ron Chisholm and full-back Ed McDonald played very strong for the Saints. Dave MacLeod, who plays with the Nomads

today, made several spectacular runs during this half. The Welshmen closed in on the Saints again at the 23-minute mark as Gordon Tweedy missed on a 15-foot penalty drive from a hard angle. Play zig-zagged between the 25 yard territories for the rest of the final frame with Dave MacLeod and Ron Chisholm making several nice running efforts for their respective teams shortly before the final whistle was blown by referee Earl Nicholson.

Baker Wins By Decision Over Slade
PHILADELPHIA (AP)—Big Bob Baker, hard-punching Pittsburgh heavyweight, overpowered hustling Jimmy Slade of New York Friday night to win a unanimous 10-round decision at the Arena. Slade at 179½, gave away 31½ pounds to the 211-pound Baker.

Sanction Walls, Parker Bout
QUEBEC (CP)—Gene Letourneau, national commissioner of the Canadian Wrestling and Boxing Federation, announced Friday the federation has given its sanction to a heavyweight title fight Nov. 9 between champion Earl Walls and James G. Parker, both of Toronto.
The 12-round fight will be held in Toronto. Letourneau said the winner get first crack at the British Empire heavyweight crown held by England's Don Cockell.
The federation at its recent annual meeting in Saint John instructed C. B. Cowly, its representative on the Empire boxing championship rating committee, to try to get more Canadians rated contenders for Empire titles. Letourneau said.
He said Yvon Durelle of Blue Steeple, N. B., Canadian light-heavyweight champion, should get a chance to meet Volane Pompey of England for the Empire crown. Canadian champion Richard Kid Howard of Halifax, who recently beat Cuba's Orland Zulueta, rated the second-best lightweight in the world, should also get a chance, he said.

Indians Hold Answer To Athletics' Move
PHILADELPHIA (AP)—Cleveland Indians apparently hold the answer to the future of Philadelphia Athletics.
Hank Greenberg, general manager of the Indians, said Friday his club has an "open mind" on the question of whether the Athletics should be moved to Kansas City.
He said "we won't take a position until the Monday meeting" of American League owners, called to pass on the sale of the Athletics franchise to Arnold Johnson and the proposal to shift the team to the Missouri city.
Spike Briggs of Detroit Tigers and Calvin Griffith of Washington Senators were reported opposed to the transfer and sale while New York, Boston, Baltimore, Chicago and the Mets of Philadelphia favor the move.
Since six votes are necessary for approval, the final decision seems to rest with Cleveland.
Johnson Thursday purchased the stock of Connie Mack Sr., 91-year-old founder of the Athletics, for \$604,000. He also announced tentative agreement to buy the stock held by Mack's two sons, Earle and Roy, for \$450,000 each, providing the league approves the sale and shift of the team to Kansas City.

AMHERST, N. S. (CP)—Amherst Ramblers' goalie Ray Steeves booted out pucks from all angles Friday night as the Ramblers whipped Fredericton Capitals 7-1 in the most top-sided game yet played in the Atlantic Coast Senior Hockey League.

Bernie Bernaquez scored the only goal of the second period for Amherst at the 3:50 mark.

Nick Nicolie put Caps into the scoring with their only goal at 19 seconds of the third. Henry Therrien fired the next two for Amherst and Dave Kiley wound up the scoring just before the half way mark.

OTAWA (CP)—Almost half the money Canadians spend in retail stores goes for food and automotive products, the bureau of statistics estimated Friday.

It based its report on the findings of the 1951 census. The bureau found that \$10,435, 112,000 was spent in retail shops that year and of total sales, food and similar products accounted for 24 per cent and meals and lunches another 3.9 per cent. Automotive supplies absorbed about 22 per cent.

Other estimates showed that of total spending, 10.5 per cent went for clothing, 4.7 for alcoholic beverages, 3.2 for building materials, 2.4 for fuel and ice, 2.2 for drugs and drug sundries, 2.2 for farm and garden equipment and supplies and 1.8 on tobacco products.

The bureau found that in all regions except Ontario and the Prairies, food took the largest share of the retail dollar.

In the Maritimes, 27.8 per cent of the \$582,162,600 spent in that area's retail stores went for food. This compared with British Columbia's 25.5 per cent; Quebec's 25.2 per cent; Ontario's 22.2 per cent; Prairies' 19.5 per cent.

Walls-Parker Bout Postponed

Three Of Last Night's Stars

Above at left is Islanders' local right-winger Lorne Hennessey, who scored once and helped on two more as he played a very strong offensive game for the Islanders as they defeated the Hawks at the Forum last night. At center is the player who is more responsible for the Hawks' defeat than anyone, goalie Jim Shirley. Jim turned aside a total of 19 shots as he gave fans a sensational display of net-minding especially during the latter part of the second period as Bob Bowness of the Hawks roared in with three hard shots from about eight feet out and was beat by Jim on each occasion. At right, is center Ray LeDuc who also scored once and assisted on two of the Islanders' goals. This smooth play-maker really showed fans why he had a position on the 1954 Allan Cup Eastern finalists, Matane Red Rocks, as he

left the opposing defence behind with ease several times as he centered Guy Gignac and newly acquired Wimpy Jones.

The teams divided two goals in the final with Jerry Norman spoiling Shirley's bid for a shut-out at 9:05 on a pass from Houle and Weaver. Morrow closed out the scoring at the 16:42 mark as he deflected Whitlock's low 10-foot drive by Pidsodny who was partially screened by a maze of players in front of the net. The Islanders' outshot the Hawks 17-8 in this period.

By virtue of their win the Islanders were able to hold a third place tie with the Ramblers, who trounced the league-leading Fredericton Capitals 7-1 at Amherst last night. The teams will meet at the Forum on Monday night to battle for sole possession of the

position.

Commodore Ray Gets Promotion

OTTAWA (CP)—Commodore Horatio Nelson Lay, 51-year-old vice-chief of the navy staff, has been promoted to rear-admiral, the navy announced Friday.
A veteran of 36 years in the navy, the new rear-admiral commanded the destroyer Restigouche during the early days of the battle of the Atlantic, and was the first Canadian navy officer to command an aircraft carrier.
His promotion was effective Oct. 1.
Rear-admiral Lay, a nephew of the late prime minister Mackenzie King, was made an officer of the Order of the British Empire for his services on the carrier HMS Nabob, one of two British carriers manned by Canadians during the Second World War. The carrier was torpedoed in August, 1944, during an aerial attack on the German battleship Tirpitz but the Canadian crew repaired the damage and sailed 1,100 miles to her base.
Rear-Admiral Lay was born at Skagway, Alaska. He commanded the destroyer Restigouche during the evacuation of troops from France in 1940.

November has barely cracked the odd smile since the month ushered in and this past week broke a record for nasty behaviour. Gale force winds with driving rain kept even the geese and ducks grounded, unless driven out by circumstances beyond their control.
