Father Corcoran Presented With Gifts By Local Groups

A presentation on behalf of St. Dunstan's Basilica Laymen's Association was made to Rev. Francis Corcoran at the regular meeting of the Association last evening at Notre Dame Auditorium. Father Corcoran has recently been appointed as Parish Priest at Cardigan, and leaves shortly to assume his duties there. He has been attached to the Basilica Parish since his ordination where he has worked diligently in fostering parish activities particularly among the youth. The address was read by Mr. Walter Morrissey and the presentation of the gift was made by Mr. T. L. Whelan. Mr. Matt Hagen, President of the Association, also presented Father

prior to his departure for Cardigan where he has been appointed Parish Priest. The gift on behalf of the parishioners of Southport was made by Mr. Frank Gaudet (left) and that on behalf of the Laymen's Association was made by Mr. Walter Morrissey (right). Father Corcoran in the work of the parish, and said that the parish of Cardigan would now receive the benefit of his active interest and enthusiasm which he had so capably displayed at St. Dunstan's. Following the presentation a short business meeting was held at which the President, Mr. Matt Hagen, presided. The parishioners of Southport also took the occasion to present their pastor with a gift in appreciation of his years of service on their behalf. The address was read by Mr. Frank Gaudet and the presentation of the gift was made by Mr. Joseph Burns. Father Corcoran expressed his thanks and appreciation of the gifts which he received and stated that the years which he had spent in St. Dunstan's parish would always be a cherished memory, and he urged the laymen to continue their work in the interests of the parish. Rev. Patrick McMahon also spoke briefly expressing his regret at losing the services of

Trigger Jr. Steals Show

Trigger Jr., advancing slowly but surely towards the standards set by his famous sire, and Moonshine, the typical little miner's "jackass", contributed the outstanding parts of last night's Rogers Rodeo at the Sports Arena. Others contributing towards the featured western show were Pat Henry, the original Lone Ranger, Claude, the world famous cowboy clown, and many others. "Big Syd" was paraded before the audience and one rider went three seconds before getting the heave-ho. Saturday night will be the \$1,000 night aboard the bucking mule.

Typhoon Hits Blow At Japan

TOKYO (AP) — Typhoon Helen sped toward Siberia's Kamchatka peninsula today after a deadly rush through Japan. Japanese weather men here said Helen still was packing the strong winds, up to 90 m.p.h., that caused at least 26 deaths. Helen was the worst Pacific storm to hit Japan this year. Besides the 26 deaths, 42 persons were reported missing and 108 were injured. Police said damage was estimated at more than \$5,000,000. More than 25,000 persons were homeless.

Former Islander Dies In Calgary

Mr. W. W. Murphy, 14 Spring St., Charlottetown received the sad news of the death of his brother, George S. Murphy, in Calgary, Alta. on September 16th. Mr. Murphy was born at Stanley Bridge, P. E. I. and was a tailor by trade. This summer he visited the Island after an absence of forty-seven years. His wife predeceased him two years ago. He is survived by his daughter, Mrs. Henry Dann of Calgary. Left also to mourn are his brother William, Charlottetown, and sisters, Mrs. J. Wilbert Cahill and Mrs. John A. Hughes, Broadalbane, and Mrs. W. H. Sullivan, Houston, Texas.

Kinsmen Plan To Present Drama Group

Plans were made to bring the Canadian Players back to Charlottetown at the season's first meeting of the Charlottetown Kinsmen Club held last evening at the Charlottetown Hotel. It is expected that the drama group will be here November 25th to present two plays 'Pygmalion' and 'Romeo and Juliet'. Past-president Clive Stewart chaired the proceedings and turned over the president's pin to incoming president, Clive Cudmore. The President gave an address to the club on activities at the national convention held at Winnipeg. The annual reports of various committees were given.

Nursing Service Director Resigns

The resignation of Miss Verna G. Darrach, R. N., Director of the Society's Nursing Services was accepted with great regret at yesterday afternoon's meeting of the Provincial Red Cross Executive, chaired by the President, W. R. Shaw.

Miss Darrach, who resigned to take a business administrative position in Moncton, will be greatly missed in Red Cross circles in which she has endeared herself to all and been a tower of strength to the P. E. I. Division during her twenty years of continuous service interrupted only between 1944 and 1946 when she was overseas with the R. C. A. M.C. as a Nursing Sister. Campaign returns to date have amounted to \$25,910, according to the report submitted by William Hayward, Provincial Campaign Chairman, who said that this is about 83 per cent of the objective as compared with 86 per cent at the same time last year.

Mr. Hayward stated that follow-up letters had been sent during the past week to all canvassers who had not yet reported and that he was in hopes that a substantial amount would still be forthcoming between now and the end of the year.

MORE BLOOD DONORS

The report submitted on behalf of F. A. S. Jones, Provincial Chairman of the Blood Donor Committee, contained the encouraging news that 189 more blood donors have registered at the three series of Clinics in 1958 as compared with the same number of Clinics last year.

This additional number is accounted for by the fact that while the summer clinics held in June and August fell much below the objectives set, the spring Clinics at Charlottetown and Summerside exceeded the quotas by a considerable number.

It was pointed out, however, that an even larger attendance would be necessary at the December Clinics in Charlottetown and Summerside in order to reach the 5,000 mark attained last year.

Dr. J. H. O'Hanley, Chairman of the Handicapped Children's Committee, gave a detailed account of the treatment provided for 14 children during the past summer. Eight of this number

Supervisor Expresses Grave Concern Over Exam Marks

Grave concern at the large number of candidates who had obtained relatively low marks in the recent Provincial Grade Ten Examinations, was expressed here yesterday by Mr. Wilson Ross, Supervisor of inspectorate number four, who addressed the opening session of the Charlottetown Rural Teachers Fall Convention.

"No doubt this condition is largely due to too much automatic grading year after year by the teacher or parents and too little concentration by the pupils," he said.

Mr. Ross continued, "We must hasten to add quickly that much of the responsibility for low standards must be attached to our considerably outmoded and inefficient school system."

OTHER SPEAKERS

Other speakers during the opening session of the two-day convention included: Weston Carmody, President of the Rural Teachers Federation; Claude Wood, recently appointed Supervisor of Inspectorate number Seven; Miss Estelle Bonness, General Secretary of the Prince Edward Island Teachers' Federation; and Malcolm MacKenzie, Director of Education.

Elected local representatives on the Board of Governors of the Provincial Federation for the 1958-59 year were: Mr. Dan MacArthur, Central Royalty; Mrs. Sadie Coffin, Winslow; Mr. Frank Costello, Parkdale, all of whom were re-elected, and Mrs. Linda MacDonald, Parkdale; Mrs. Mary Ross, Central Royalty; Sister John of the Cross, Grand Tronde, and Mrs. Cecelia MacLeod, Mount Mellick.

Committee appointments included: press — Harry Kiely, Mrs. Mary Rodd; resolutions — Frank Costello, Dan MacArthur, Mrs. Sadie Coffin; Nominations — Mrs. Jean Howatt, Ruth Dunsford; Question Box — Mrs. Claude Wood and Wilson Ross.

Miss Bonness in her address said, "More and more people are becoming aware of the need for improvement in education and they are of the opinion that improvements are coming far too

slow. Higher salaries and a higher calibre of teachers are urgently needed."

The recruitment of top quality students from our high schools should be the concern of our Federation," she continued.

An unique feature of the afternoon session was an address delivered by David Lawlor, a Grade Ten student at Birchwood High School, who reported on the activities at the Red Cross High School Training Centre held at Windsor, N. S. this past summer.

Mr. Carmony outlined the importance of Home and School Associations and the role they play in developing understanding between teachers and the people of the community.

RIGHT DIRECTION Terming it "a step in the right direction" Mr. MacKinnie recalled that this year for the first time Prince of Wales College has made Grade 12 the minimum standard for entrance to the Teacher Training Class.

In his address to the teachers at the morning session Mr. Ross also commented on the value of vocational guidance in the schools. "So many of our young people," he said, "leave school at the end of Grade ten, and even twelve, without having any idea of what they'd like to do."

Mr. Ross continued: "Here is where varied experience, study, and age play a part. If we have had some varied experiences in different kinds of work, if we study a good deal, and if we have a few years behind us then we are in a position to help those young people choose a career for which they are likely suited."

Mr. Ross continued, "We must hasten to add quickly that much of the responsibility for low standards must be attached to our considerably outmoded and inefficient school system."

Science Now Shrinks Piles Without Pain Or Discomfort.

Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids. Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience. In one hemorrhoid case after another, very striking improvement was reported and verified by doctors' observations. Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough
