

THE FAIR GOD. BOOK SIX. CHAPTER X. (Continued.)

He stood up and listened. The air above the temple seemed full of confused sounds; now resembling the distant roar of the sea, now the hum of insects, now the yells of men. "Jesu! I know that sound. There—there!" He listened again. Through the soaring, muffled din, came another report as of thunder below the horizon. "It is the artillery! By the mother that bore me, the guns of Mesa!"

I am saved! Instantly he sprang to his feet. "O my God! Teecel—I had almost forgotten her!" He climbed the steps again as fast as the gown would permit. "My poor girl, come; the Mother offers us rescue. Can you not see a little?" She smiled faintly and replied, "I cannot say. I have tried to look at Quetzal here. He was said to be very beautiful; my father always so described him; but this thing is ugly. I fear I cannot see."

"It is a devil's image, Teecel, a devil's image—Satan himself," said the page vehemently. "Let him not lose us a moment; for each one is of more worth to us than the gold on his shield there. If you cannot see, give me your hand. Come!" (To be continued.)

What a Mistake!

One half of all the people in this country have been or are now afflicted with catarrh or bronchitis. No doubt many of them have tried every blood purifier they have seen, with the erroneous idea that catarrh is a constitutional disease of the blood. Why, a greater mistake was never made! Stop for a moment and ask any reputable physician what common catarrh is, or bronchitis (which is a catarrh in the bronchial tubes), and what causes it, and the answer can only be this: "It is an irritation or inflammation of the mucous membrane of the nose and throat, caused by neglected colds, damp, piercing, irritable winds, foreign matter in the air, which is poisonous to some persons and not to others; just as the bites of a certain insect is a poisoned torture to some and no unpleasant affect to others." The reason for this is found in the different structure of the outer skin and its counterpart which lines all the inner organs of our bodies. Some people have chapped hands and chills; and others are never so afflicted because of the peculiar structure of the skin of different individuals. It is not blood purifiers you want, but good, wholesome food, the plainer the better; then "keep your feet dry and warm, your head cool, and bowels open," and use an external application (Johnson's Anodyne Liniment is the best we know) to allay the inflammation, cleanse the surface, heal the sores, and your catarrh will disappear like magic; we do not say never to return, because you may cure a severe cold and in three months catch another equally bad; so with catarrh and bronchial troubles, exposure may bring it on again. We learned more about treating catarrh from a wrapper around a bottle of Johnson's Anodyne Liniment than we ever knew. Certainly this good old medicine deserves to be called "A universal family remedy." It will pay you to send to L. S. Johnson & Co., Boston, Mass., for a pamphlet, free, just to learn how to use the liniment economically. A teaspoonful properly used will do more good than a half bottle as some people use it. This liniment is made from the formula of an old family physician. m2 dy6i wyl

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gone-flesh" or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity? If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies: Bilious Dyspepsia, or Torpid Liver, associated with Indigestion, or Indisposition. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and sooner or later interfere with termination. Dr. Pierce's Golden Medical Discovery cures powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of blood-poisoning, purifies from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their disease. An appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In natural districts this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases. Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Itch, or Eruption, to the worst Scrofula, Salt-rheum, "Fever-sore," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections. "FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established. CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce brought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonics or strengthening, anti-bilious, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is a certain, permanent cure. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
