Odds and Ends.

Little Tommy passes for a very practical youth. The other day his Uncle John brought him as a birthday present, a "word game," which Tommy had never played, and which did not seem to be particularly attractive to him. Nevertheless, Tommy thanked his uncle, and by-and-bye, edging around his chair, he asked: "Say, Uncle John." "Well?" "This game truly belongs to me now, don't it?" "Why, of course." "To do just what I want with it?" "Certainly." "Then I'll tell you what I'll do—I'll sell it to you for 10 cents."

An English paper gives this explanation of the familiar phrase, "by hook or by crook." About a century ago two celebrated King's counsel flourished, whose names were respectively Hook and Croke (pronounced "Crook"). They were generally opposed to each other in all important cases, and people said: "If you cannot win you cause by Hook you will by Croke." Hence arose the idiom which is now so firmly grafted in the English tongue.

The Renewal of College Labor.—Professor of geology—"Gentlemen, at the close of the spring term I asked you to report to me, individually, any object of xtraordinary interest you might meet in your respective outings. Mr. Corbett, you may begin." Corbet, '91—"Please, sir, mine had yellow hair, blue eyes, and a tailor-made suit."

Mr. Nicefellow (to adored one's little brother—"There, you did that errand very nicely. Here's a penny for you.' Little brother—"Oh, ma! Mr Nicefellow gave me a penny." Ma—"Well, my dear, you should say—" Little brother—"Yes, I know. I should have said thank you, but I was so 'sprised I forgot. You said he hadn't a cent."

Why He Wept—Mrs. Sadface (to Tommy who had stolen a jar of preserves)—"My boy, I know you are sorry. I see it in your face." Tommy (meditatively)—"Yes, mama, I am. There was a bigger jar on the shelf that I couldn't reach."

Reassuring.—Guest (angrily).—"Confound your akwardness! You've spilt half that soup down my back." Waiter at restaurant (heartily)—"Don't mind it sir, I'll bring some more. Bless you, there's plenty of soup!"

Lawyer—"Do you understand the nature of an oath, madame?" Witness—"Well, I should say I did. My husband took off the screens yesterday, and is putting up the stovepipes to-day."

A tombstone in Monongalia county, West Virginia, bears this inscription:

Some have children and some have none.
Here lies the mother of thirty-one.

Fortune knocks once at every man's door; but she doesn't go hunting through beer saloons for him if he happens to be out.—*Puck.*

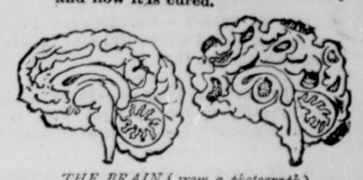
THAT TERRIBLE PARESIS.

Are the Canadian People Becoming a Nation of Lunatics?—The frightful increase of this most peculiar Insanity and how it is cured.



THE BRAIN (from a photograph.)
In Healthy Condition. *With Paresis Lesions.*

There are many well known men confined in our Asylums who but a short time ago were prominent among our business and social circles.

Why are they there?

Paresis!

Did it come on at once?

Not at all. It was a gradual but positive growth. They overtaxed nature. The drain on their vitality, their nerve powers, their brain tissue, was too great, and they gradually but surely sank under it. The things they did to bring this sad end about are precisely the same things that are being done by thousands of men and women to-day. It is not necessary to name them. They all end disastrously unless checked or regulated.

Prof. Phelps, of Dartmouth College, knew this fully when he began his experiments which resulted in the discovery of the wonderful Paine's Celery Compound. He realized that paresis (consumption of the brain) was our great National weakness. He knew that the brain and nervous system must be fortified to meet the great strains which modern life bring upon it. He saw that men were becoming debilitated and women weakened by the pressure and demands of life, and he sought and discovered the remedy Paine's Celery Compound, if rightly taken, will renew the brain and build up nerve tissues as fast as they become exhausted. It is not a narcotic. It contains no drugs, no nostrums. It is perfectly pure. It is absolutely harmless. The high character of its discoverer guarantees this, and the indorsement of the medical and chemical professions prove it.

FOR MEN ONLY!

A POSITIVE CURE for LOST or FAILING MANHOOD; General and NERVOUS DEBILITY; Weakness of Body and Mind; Effects of Errors or Excesses in Old or Young. Robust, Noble MANHOOD fully Restored. How to Enlarge and Strengthen WEAK, UNDEVELOPED ORGANS & PARTS of BODY. Absolutely unfailing HOME TREATMENT—Benefits in a day. Men testify from 47 States, Territories, and Foreign Countries. WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery,** and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is **Scrofula of the Lungs,** is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for **all Chronic Diseases** of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at **$1.00,** or Six Bottles for **$5.00.**
