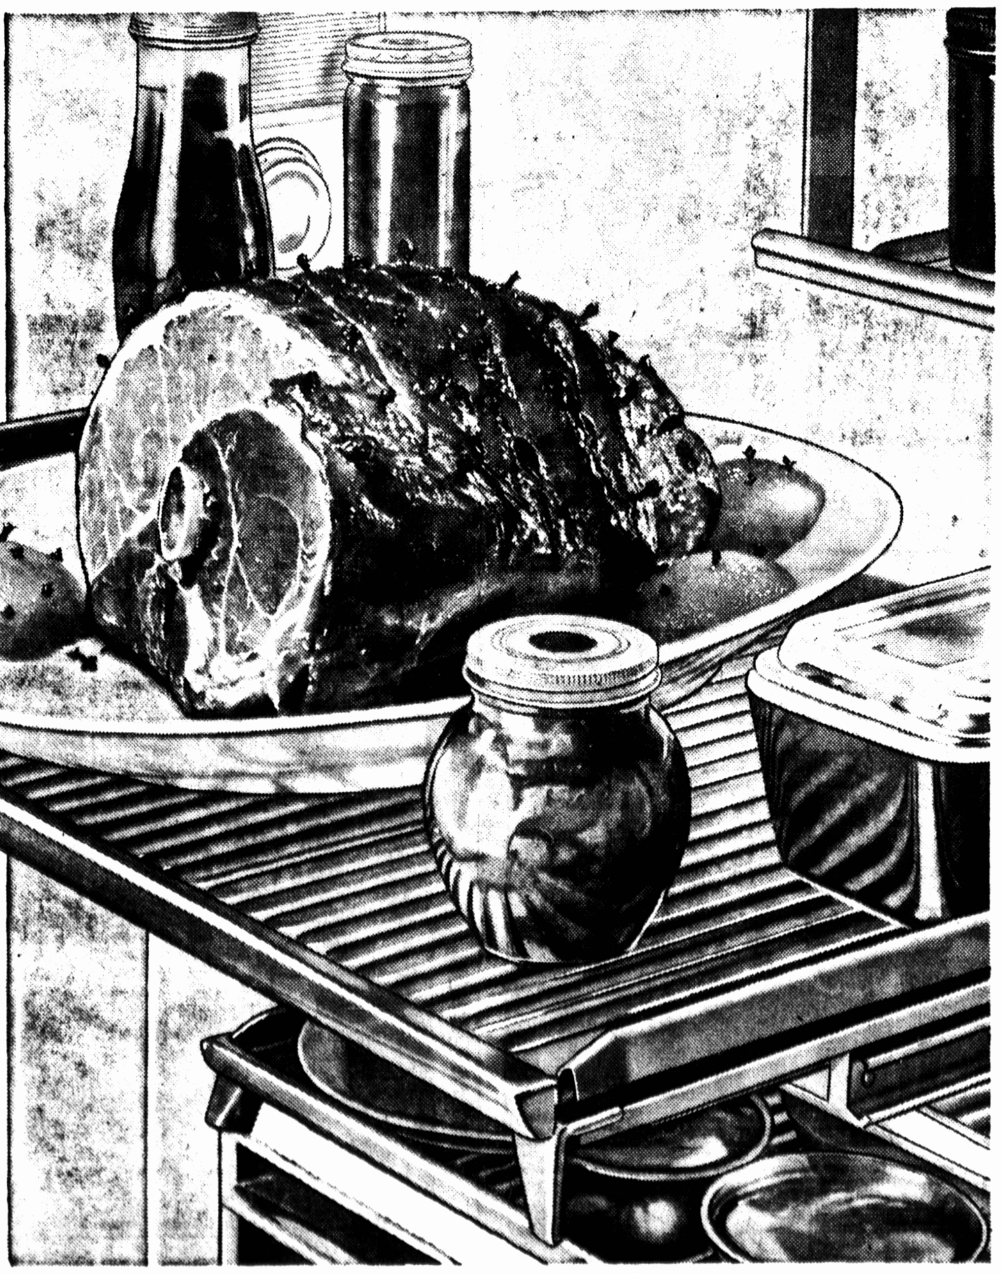
on Frigidaire's Wonderful Full-Size...



Roll-to-you Shelves

Colors that make your kitchen sparkle!
Frigidaire Refrigerators come in gay, bright colors that make your kitchen a room you love to live in. Choose yours in Sherwood Green, Mayfair Pink, Stratford Yellow or Snowcrest White.

They come gliding out, silk-smooth even with heavy loads, so that bottles in the back are just as easy to pick up as foods in the front. There's no center post in the way. And even with a heavy roast edging it, the shelf stays rigidly level.

But it's not just the shelves in a Frigidaire Refrigerator that do things in a quick, easy way. There are other thrilling features . . . wonders galore!

Go see them at your Frigidaire dealer's. And discover that your present refrigerator trade-in value will put a Frigidaire Refrigerator into your kitchen *tomorrow!*

Take advantage of Frigidaire's *NEW* low prices.
