Grain

WINNIPEG, Aug. 2 - (CP) - All grains showed a good tone today on the Winnipeg Grain Exchange, closing at or near the high levels of the day. Commercial demand was improved in oats and barley. Oats received early export support in response to reports of some export business in this commodity. Barley picked up late in the trade. Rye also advanced on late buying by American houses. Flax scored a fair gain in the October contract. Strength of United States markets and reports of continued dryness in southern Saskatchewan and Manitoba were factors in the trade. Export loadings of Canadian wheat included 1,800,000 bushels to the United Kingdom; 700,000 to Italy; 350,000 each to the Netherlands and Japan; and 20,000 to Belgium. Prices for class two and J.W.A. wheat were down one-quarter cent from yesterday. Closing prices: Oct. 83%; Dec. 81% A; May 84% B; Oct. 1.18%; Dec. 1.15% - 1/4; May 1.18B. Rye - Oct. 1.74% B; Dec. 1.71% - 1/4; May 1.74% B. Flax - Oct. 4.05% B; Dec. 3.97% B; May 3.93% B.
