SAVED THEIR BOY.

HE HAD BEEN WEAK AND AILING FROM INFANCY.

As he grew older his Trouble Seemed to Increase and his Parents thought him Doomed to an Invalid's life—Dr Williams' Pink Pills Cured him when hope had Almost Departed.

From the Post, Thorold, Ont.

Mr. James Dabault and wife are two of the best known residents of the town of Thorold, where they have passed many years. In their family they have a little son, who, although but ten years of age, has experienced much affliction, and his parents expended many a dollar in the search for his renewed health—all in vain however, until Dr. Williams' Pink Pills were brought into use. A Post-reporter hearing of the cure called at Mr. Dabault's cosy home and received full particulars from Mrs. Dabault. "I am pleased," said Mrs. Dabault, "to have the public made aware of the facts of my boy's case if it is likely to help some other sufferer. Charley is now ten years of age. In infancy he was a delicate child, but from four to seven he scarcely passed a well day. At four years of age he began to complain of frequent headaches, which later became almost continuous, and soon symptoms of general debility developed. His appetite was poor and he grew pale and emaciated, and the least exertion caused a severe palpitation and fluttering of the heart and dizziness. At times there was considerable derangement of his stomach; a blueness of the lips and a shortness of breath. He would often lie awake at night and rise in the morning haggard and unrefreshed. During his illness he was treated by two doctors. Both differed in the diagnosis of his case. One said it was catarrh of the stomach, and while his treatment was persisted in there was no improvement. The second also attended him with no better results. Some time after my attention was attracted by my aunt to Dr. Williams' Pink Pills, and about September, 1897, I procured the pills and he began taking them. We had long before come to the conclusion he would be an invalid for life, but believing it a duty I owed to my child to procure all means of relief, I was determined to give Dr. Williams' Pink Pills a fair trial. The good effects of the first box was apparent, and five boxes were used, which were taken in about six months' time, when he was strong and well, and could attend school, and play and frolic as other healthy boys do. As every symptom of his old trouble has vanished I consider his cure complete. The pills have certainly done him a world of good, as nearly three years have since passed away and he has not seen a sick day in that length of time. I shall ever feel that we owe our boy's health to Dr. Williams' Pink Pills, and believe that their prompt use would relieve much suffering."

Dr. Williams' Pink Pills are just as valuable in the case of children as with adults, and a child on a would soon thrive and grow if under his treatment, which has no equal for building up the blood and giving renewed strength to brain, body and nerves. Sold by all dealers or sent postpaid for 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont. Do not be persuaded to try something else said to be "just as good."

PERSONAL.

Mrs. J. R. McKee returned last night from a visit to Yarmouth.

Mr. Fred Armour, son of Mr. Nelson Armour, left today for Sydney.

Mrs. G. W. Wightman, nee Edith Coombs, of Digby, after an absence of 16 years is visiting the Island.

Mr. William Wright, the well-known representative of James Corbett & Co., Montreal, is among the latest arrivals at the Hotel Davies.

Mr. A. J. King, who has been here in the interests of Brown & Webb, Halifax, for some days, crossed to Picton by the Princess today.

Mr. Philip Spencer, dispensing clerk with Johnson & Johnson, left this morning on a trip to Moncton, St. John and Chatham.

Mr. C. D. Meigs, of Indianapolis, will arrive in Charlottetown tonight in connection with the Provincial Convention of the P. E. Island Sunday School Association.

Mr. and Mrs. John Partridge and family, who left P. E. I. and in July, arrived safe in Minneapolis after visiting friends in New York and Chicago for two months.

Rev. David Price and wife, late of Tryon, P. E. I., after spending the summer in Wales, are now en route for this port per Allan steamer Corean.—Halifax Herald.

Prof. Hamill, D. D. of Jacksonville, Ill., arrived in Charlottetown last night, being here in connection with Sunday school work. He is a guest of Rev. G. M. and Mrs. Young.

Mr. T. C. James, Mr. J. A. Lawson and the other Island delegates to the Presbyterian Synod, returned home last night. Rev. M. G. Henry, ex-Moderator of the Synod, also came over, and will assist Rev. W. A. Smith, of Summerside, at the services there tomorrow.

Have a copy of the October Prince Edward Island Magazine for reading tomorrow. At the bookstores and newsstands and only five cents the copy.

Local and Other Items.

A. O. H.—Regular meeting tomorrow (Sunday) at 3 o'clock.

This will be the last night of the merry-go-round at the head of Queen Street.

FOOTBALL.—If arrangements can be completed there will be a match game of football here on Thanksgiving Day between the Abegweits and the New Glasgow team.

THE PROCS.—Moderate to fresh east wind; scattered showers, but generally cloudy, fair and cool on Sunday night. Wind to increase to moderate south to west gale.

Mr. A. C. Bell, M. P., of New Glasgow, will attend the Tupper Club on Tuesday next.

POLICE COURT.—Patrick McMahon, (self-styled General McMahon) was last evening arrested by the police and today arraigned before the police magistrate. He is evidently insane, and was remanded to jail pending his removal to the asylum.

WON A SCHOLARSHIP.—It is pleasing to hear that Mr. Herbert Bell, of Augustine Cove, has won a first year scholarship at McGill University, standing third on the list. Mr. Bell was, we understand, the only Islander taking the examinations here, and his success is exceedingly gratifying. This is the first year the examinations have been held in Charlottetown.

DR. C. D. MEIGS, Indianapolis, one of Indiana's most eminent laymen in connection with the Presbyterian church and editor of the Home Department of the "Evangelist," will occupy the pulpit of Grace church tomorrow at 11 o'clock, and in Zion church at 7 in the evening. Dr. Meigs is a very forceful and instructive speaker. He is thoroughly in touch with the latest and best methods in Sabbath school work. Large congregations should welcome him to our city, as he comes in the interest of the Sabbath school.

WILL HAVE TO WAIT.—As soon as it was known that a large number of Canadian were coming home from Africa the Militia Department authorities were delayed with letters asking for a list of the men. The cost of calling the names was estimated at \$1,200, a sum that was regarded as rather too much to pay for what would be of little use and could serve no particular purpose, so it was decided to do as the English and let relatives wait till the steamer arrives.

RUNS INTO TRAIN.—Yesterday afternoon about four o'clock as Mr. Patrick Morris and his wife were returning by St. Peter's Road from town to their home at Mill Cove their horse started to run near the Condensed Milk Factory. A train was coming into Charlottetown at the time, and when half its length had passed St. Peter's Road crossing the horse's head came in contact with a car. The animal, with the wagon and its occupants, was thrown a considerable distance. Mr. Morris was not badly hurt, but Mrs. Morris had her head cut and her side severely injured. The horse having received extensive injuries, was ordered to be killed.

REV. H. M. HAMIL, D. D., will preach in the Baptist Church to-morrow at 11 o'clock, and in the First Methodist Church in the evening. Many of our readers will remember Dr. Hamill, who was the guest of the late Rev. D. Sutherland, and occupied his pulpit three years ago, and will avail themselves of listening to his earnest and eloquent sermons tomorrow. While in a successful pastorate Dr. Hamill's bishop released him for the wider pastorate of Field Secretary of the National S. S. Association of the United States and Canada. He comes to us in this capacity and will be present at the S. S. Association of P. E. I., which meets here Monday and Tuesday evenings. Teacher and worker should attend if possible and hear him tomorrow.

GREAT WORK FOR LITTLE MONEY.

DIAMOND DYES ARE THE MOST PROFITABLE AGENTS USED IN THE HOME.

No other article used in the homes of the Dominion of Canada are as popular as the Diamond Dyes. These indispensable helps in economical house-keeping make new friends every day. This popularity is gained by quality, excellence of colors and ease and comfort in doing the work of dyeing.

Just think of it! One package of any of the Diamond Dyes will color from one to six pounds of goods, according to the shade desired. This is wonderful work when the small expense is considered.

Your last year's jacket, cape, blouse, dress, skirt, and your husband's suits and children's clothes may be soiled, faded and unsightly; but with a ten cent package of Diamond Dyes you can work a mighty change, and make the old things like new for this season's wear. One effort in this work of true economy will convince you that Diamond Dyes are true money savers to the family.

BUSINESS FAILURE

Is Frequently Caused by the Worry Attendant on Dyspepsia

Dodd's Dyspepsia Tablets Stop in and Remove the Cause of the Trouble, Thus Bringing Success and Prosperity.

Many a man is ruined by Dyspepsia. Many a business man becomes bankrupt through Dyspepsia.

A business man needs all his wits—a clear brain, steady nerves, and a strong, resolute will power, to succeed in these days of fierce competition.

Dodd's Dyspepsia Tablets by giving perfect digestion, give sound sleep—hence steady nerves and clear head.

If he would have a clear brain and steady nerves, he must give both brain and nerves their proper rest.

To rest his brain and nerves he must sleep. Want of sleep clouds the brain, makes it confused and slow, and makes a man nervous—"shaky."

You can't be awake all night, and keep awake yourself and keep all your senses awake in your store next day.

Dyspepsia robs a man of his sleep. It causes mental suffering as well as physical agony.

It robs him of his keenness, his clearness of foresight, and his power of concentrating his attention.

He leaves his business to the care of employees, who are careless. Or he is gruff and ungracious to customers.

Trade falls off. He worries more and more. He makes mistakes. His net grow worse and worse, and finally he "breaks."

If he had been free from pain—if he had slept well he would have prospered.

Dodd's Dyspepsia Tablets give sound and refreshing sleep. They give perfect digestion by digesting the food themselves.

The total expenditures for the fiscal year ending June 30, 1900, the last year of Conservative rule, was \$41,702,383; for the fiscal year ending June 30, 1900, the total expenditure was \$52,713,800; estimated expenditure for the current fiscal year \$56,712,527. Judging by what is now going on, this latter amount will be largely over run.

There is great activity in government circles just before the elections as just before the provincial elections, 1893. All kinds of works are being pushed regardless of cost. After the elections the people will have to foot the bills!

From 3,000, to 4,000 of the Johannesburg refugees will go back to their homes and to work next week. This is good news.

What will be the next device of Sir Louis to divert attention from the useful filled promises, and extravagance of the government?
