GRAIN

WINNIPEG, Feb. 11— (CP)— Prices generally were lower Saturday on the Winnipeg Grain Exchange in response to hesitation on United States markets. It was one of the dullest sessions for some time.

Demand in oats and barley was not aggressive, being limited to routine shipping orders. Increased hedging sales and thin support contributed to losses in flax. Rye was mostly local trade, with prices easing slightly below previous closing levels.

There were no export loadings reported.

Class two wheat and I. W. A. prices were up one-quarter cent from yesterday.

Close:

Oats: May 1.03; July 94 1-4B; Oct 88.

Barley: May 1.53 1-8; July 1.44 7-8—1.45; Oct 1.33 1-8.

Rye: May 1.94 7-8; July 1.92 5-8B; Oct 1.89A.

Flax: May 5.47; July 5.25 3-4A; Oct 4.71N.

Report Indicates Potato Movement Continues Heavy

The potato movement continues heavy with a total of 286 cars shipped during the week ending Feb. 9th., it is stated in the Weekly Bulletin of the Marketing Board released yesterday.

Prices remain steady at 45 to 50 cents per bushel for seed while farmers are receiving 55 cents in some cases to 60 cents per 75 pound bag for table stock, the bulletin continues. The domestic market on tablestock has remained stationery in all major consuming centres during the past week.

Practically all potatoes required for shipment by boat to Southern United States ports via Halifax or Saint John have gone forward and there are no further boats booked. Henceforth the movement will be all rail. The seed quota is expected to be filled within a week after which there may be a lull during the readjustment period. Growers may have to reduce their loadings during this time.

The Bulletin said: "During the next week loaders and growers should check carefully with dealers and have a firm sale before loading. Please remember the dealer cannot ship on consignment and by loading without orders you may force sales at lower prices."

Bag prices are still climbing and the end is not in sight. It would appear that the bulk of the potatoes to be shipped for the balance of the season will be packed in 75's. Growers and dealers should check carefully with dealers before bagging indiscriminantly in hundreds.

U. S. Steel Report

CLEVELAND, Feb. 11 —(AP) —United States mills produced 100,000 fewer tons of steel ingots last week because of the railroad strike and a gas shortage brought on by cold weather, Steel magazine estimates.

The previous week an all-time record of 2,025,000 net tons were rolled out when the mills were operating at 101.5 per cent of their rated capacity.

Steel says mills were operating at 97 per cent of capacity last week because they couldn't get materials and because at some places they couldn't get enough heating gas.

Some Baby Bonus Mailbag Howlers

OTTAWA — A woman complained to the Department of National Health and Welfare the other day that her little boy had been changed to a girl.

The distraught woman charged it was all the fault of officials in the department's Family Allowance office. She didn't ask that the sex of her offspring be corrected, but wanted to know if she would still continue to receive her regular family allowance cheque.

Department officials assured her that the change in sex was an error, that the little girl would be changed back to a boy, and that there would be no halt in family allowance payments.

This was only one of dozens of "howlers" collected during recent months by family allowance offices across the country. The department officials answer each of the letters, and take care not to reply to the humorous questions in a light vein.

Here are extracts from a number of other letters received by family allowance officers:

"The baby chewed up the last family allowance cheque. Could a new one be provided to pay the doctor?"

"In answer to your letter, I have given birth to a boy weighing 10 pounds. I hope this will be satisfactory."

"I am glad to say that my husband who was reported missing, is now deceased."

"Please send me money at once as I need it badly. I have fallen into error with the landlady."

"If my cheque is not received promptly at 9 a.m. on the 20th, should I wire or phone collect?"

"In accordance with your instructions, I have given birth to twins."

"Mrs. Brown has had no clothing for a year and has been regularly visited by the Clergy."

"I am forwarding my marriage certificate and my two children, one of which is a mistake, as you can see."

"I am forwarding my marriage certificate and six children. I had seven and one died, which was baptised on half a sheet of paper by Rev. Thomas."

"This is my eighth child. What are we going to do about it?"

"Our cheque always comes full of holes. Have you got moths in your office?"

"I am writing to say that my baby was born two years old. When do I get the money?

WASHINGTON, Feb. 9—(AP)— The Government slapped strict controls on livestock slaughtering today in an effort to forestall black markets in meat. The Office of Price Stabilization issued an order bringing all livestock slaughter under a system of "slaughter quotas."
