Mrs. T. A. Campbell Heads Gift Committee

—According to tradition, the women of Canada are preparing a gift to be presented to the wife of the retiring Governor General. A national committee has been set up for this purpose and Mrs. Louis St. Laurent heads the list as honorary president. Others are Mrs. Rinfret, Hon. Carine Wilson and Mrs. George Drew. Mrs. Douglas Abbott is national chairman with the wife of the Lieutenant Governor in each province as Provincial chairman.

It is understood that Lady Alexander liked her kitchen at Rideau Hall, Ottawa, and since English kitchens aren't always modern, it has been decided to fit up a kitchen with Canadian electrical equipment as a practical farewell gift.

Every woman in the Province will wish to take advantage of the opportunity to donate something, however small, to the farewell gift fund. In appreciation of Lady Alexander's services as First Lady of the Land.

Mrs. Thane A. Campbell, chairman of the committee for Summerside, has contacted the heads of the various women's organizations in the town and will submit a report of progress made at a special meeting at Government House at the end of this month to the Provincial chairman, Mrs. T. W. L. Prowse.

Canada... and Howe

In the past 12 years Canada has seen the biggest industrial development of any nation in the world. Spark plug? American-born, 66-year-old Hon. C. D. Howe.

May Reader's Digest brings you the amazing story of Canada's "Minister for everything," so busy grasshopping the continent his wife once said, "Children, meet your father. I'm sure you've often heard me speak of him."
