A Startling Fact.

"Life is sweet" is an old saying, and just as true as it is old. No one in his or her right senses courts death; all wish to prolong life to the utmost limit, and yet in spite of this universal desire to live the allotted three score years and ten—and even longer—thousands upon thousands of people through carelessness and neglect, are hastening the time when they must stand face to face with the grim reaper, and make the plunge alone into "the dark valley of the shadow of death." No disease on this continent claims so many victims as consumption, and reliable statistics prove that fully two thirds of the deaths occuring from consumption had their origin in catarrh. Nothing but negligence caused the disease to develop into consumption, and the person who neglects to promptly and persistently treat catarrh until all traces are eradicated, is simly hastening the coming of death. Even should catarrh not develop into consumption, it nevertheless shortens life, as every breath the patient inhales passes over poisonous secretions and thus affects the whole system. For the cure of catarrh no remedy ever discovered equals Nasal Balm, which is recognized from the Atlantic to the Pacific as the only certain cure for this disease. It removes the secretions from the nostrils, stops the poisonous dropping into the throat and lungs, and makes the user feel that a new lease of life has been given him. This great catarrh remedy is on sale with all dealers, or will be sent on receipt of price 50 cts. for small and $1 00 for large size bottles—by addressing Fulford & Co., Brockville, Ont.

What Medical Science is Doing.

The latter half of the 19th century will pass into history as one in which is crowded more inventions and discoveries for the benefit of mankind than in all the centuries that have preceded it. Among these discoveries none will take higher rank than those in medicine, calculated to relieve "the ills that flesh is heir to," restore vitality and prolong life. Ladies everywhere will rejoice at the discovery of Dr. Williams' Pink Pills, undoubtedly the greatest remedy for their peculiar ailments yet discovered. These pills are the result of an almost life study, and are a certain nerve tonic and blood builder, supplying the elements necessary to enrich the blood and transform pale, sallow, or greenish complexions to the pink and glow of perfect hearth. These pills are an unfailing cure for nervous debelity, palpitation of the heart, loss of appetite, headache and all the irregularities of the female system that entail so much misery and distress Every suffering woman should give them a trial. For sale by all dealers, or will be sent, post paid, on receipt of price—50 cents a box—by addressing The Dr. Williams Medicine Co, Brockville, Ont. Beware of immitations.
