ELEANOR ROSS

How Long Since Repairs Were Made On Stairway?

By ELEANOR ROSS The admonition to watch one's step is just as important indoors as it is outdoors. Of course, one keeps the warning in mind to avoid treacherous tangles. At home, the admonition should be a reminder to focus our attention on the appearance and condition of the stairways in the house.

heating unit increase in number, depending upon the type of fuel you use. But whether you descend the stairs to the cellar once a day or half a dozen times you must be able to see the steps clearly in order to avoid dangerous falls.

PROTECTED WITH PAINT

If the steps are of wood, make sure that they are adequately protected with paint and that moisture has not rotted away the wood between the steps and porches. This happens more often than you think!

Before recasting the steps with porch and deck enamel, make sure they are sanded smooth and that they are clean and dry. If it has been necessary to replace any part with new lumber, the wood should be primed and installed. A fter thoroughly cleaning the stairs, use a fine-grit sandpaper to smooth the surface.

LET'S EAT

School Lunch Box Should Contain Balanced Meal

By IDA BAILEY ALLEN "More than half our school children carry lunch boxes. Each day, they are packed with food. It is important that the lunch box contain a balanced meal."

1. Potatoes-mixed-vegetable salad: Cook and combine 1 pkg. mixed frozen vegetables with enough hot liquid to moisten. Add carrots, peas, etc. Add 1/2 cup grated peeled parsnip or 1/2 cup parsnip flakes and 1 tsp. sugar dissolved in 2 tsp. milk.

WIFE PRESERVERS

WIFE PRESERVERS

If egg yolks become stringy after cooking, they are probably overcooked. To prevent this, use fresh eggs, wash them thoroughly, and cook them in a covered pan with a small amount of water.

HOUSEHOLD HINT

Ready-made detergents are so cheap that it is tempting to use them liberally. However, they are often too harsh for delicate fabrics. It is better to use a small amount of a good quality detergent.
