Alberton Girl Graduates From Halifax Hospital

—Of interest to many relatives and friends in the Alberton district is the recent graduation of Miss Dorothy Bonyman from Grace Maternity Hospital school of nursing in Halifax. Miss Bonyman, daughter of Mr. and Mrs. J. R. Bonyman of Alberton, was the only Prince Edward Islander in a class of 18.

The graduation exercises were held in First Baptist Church on April 22, with Col. R. Harewood, chief secretary for the Salvation Army in Canada, presiding. Col. Harewood spoke with warm approval of the work at Grace Hospital. It was a source of pride, he said, to all associated with the work of the Salvation Army and especially those linked with Grace Hospital, that the past year had seen 2,476 infants born within its walls, a peak year in its history. He also referred to the fact that there had been no maternal deaths in the year, and the fact that in the year 27 sets of twins and one set of triplets had been born there.

The graduation program opened with the hymn, "O Lord of Gracious Sympathy and Love". Prayer was offered by Rev. Harry Renfree of Mulgrave Park Baptist Church and the scripture was read by Sr. Major Charles Sim. A vocal quartette touchingly rendered two selections, "Companion Mine" and "My Pilot".

The Florence Nightingale pledge was administered by Sr. Major Fronie Strickland.

Diplomas were presented to the graduates by Mrs. F.A. Lane, member of the city council, and school pins by Mrs. H. W. Corkum, vice-president of the Grace Hospital W. A. Prizes to leading students were presented by Mrs. E.L. Stoddard, president of the hospital W. A. and Miss Doris Gray, vice-president of the alumnae.

Following the prayer of dedication by Brigadier Doris Barr, the student nurses sang "Take My Life". The address to the graduating class was given by Rev. H. M. DeWolfe of First Baptist Church and the valedictory was by Miss Pauline Pineo of Grafton, N. S. The closing hymn was "He Liveth Long".

Among guests at the graduation were Miss Bonyman's mother, Mrs. J. R. Bonyman of Alberton, and her aunt, Mrs. John Rayner of Cascumpec. Miss Bonyman has accepted a position on the staff of Sheet Harbour Hospital.

Kensington Board Of Trade Meeting

—The regular monthly meeting of the Kensington Board of Trade was held last night with the president, Theo Ling, presiding.

Reporting for the water and sewerage committee, Mr. Ron Kennedy stated that Mr. Whitman of Amherst, an engineer who some years ago conducted a survey regarding the water and sewerage for the town of Kensington would be willing to attend any future meetings to discuss the water and sewerage project.

It was decided that a dinner meeting would be held some time in May, and a notice will appear regarding this meeting in this paper, at a future date.

At this meeting, Mr. Whitman will be present as guest speaker, and the meeting will be open to the public

A committee was appointed to organize teams for the purpose of making the annual Red Cross collection.

Mr. Ivan Darrach was appointed chairman of this committee, and working with him will be Mr. W. S. MacLean and Mr. Arthur Ready. S.

Outlines Rural Beautification Society Work

—Speaking last evening before the Summerside Community Planning Association, Lt. Col. E. W. Johnstone outlined the work of the Rural Beautification Society and the results which this organization has attained since it was founded. He pointed out that prizes are given for various competitions such as home improvement, the outstanding home, roadside improvement, community improvement, and rural cemetery improvement. Funds for prizes are obtained, he said through donations from generous business firms and a grant from the government. Here in this province he said, "we have the only rural beautification society in Canada, and interest in its work is growing steadily."

People are every day becoming more home improvement conscious. He said he felt sure that if the Summerside Community Planning Association wanted to adopt some particular project it could be put over, but the members must first of all believe in it and then go out and sell the idea to the public.

As an indication to the success of the rural beautification program Col. Johnstone said there had been over 1400 entries submitted and this was not a full indication of the success of the society in making people want to do something to improve their homes or the community for many people do a great deal of this work but nevertheless do not enter the contest.

Dr. Henry Moyse, president of the Summerside Community Planning Association, conducted the business portion of the meeting and it was decided that the annual meeting would be held on Tuesday, May 11.

The president appointed the following members as a nominating committee: Mayor Henry Wedge, E. P. Foley, and Gordon Welsh.

Mr. Heath Warren submitted the report of the committee appointed to bring in suggestions for garbage collection in Summerside. The report pointed out that there are about 2,000 families in Summerside and that a service collection of 10 cents per family each week would mean an income of $10,000 a year to defray expenses.

The report was adopted by the meeting and will be submitted to the Town Council for consideration.

Through the courtesy of president Moyse a number of colored slides were shown of various beauty spots and gardens in and around Summerside, as well as some outstandingly beautiful scenes in various parts of British Columbia. —S

COASTAL ISLAND

Quadra island between Vancouver island and the B. C. mainland is 22 miles long with maximum width of nine miles.

RCAF Band To Make First Appearance Today

Striking a right note during a rehearsal of RCAF Station Summerside's military band are Sergeant Eric Ford, bandmaster and Corporal Lyle Morton of New Germany, N.S., first cornet. The newly formed group will make their first appearance today during the arrival of Air Commodore A. D Ross, air officer commanding the RCAF's Maritime Air Command.

A professional musician of long standing, Sergeant Ford was trumpet soloist with the Central Air Command band that has visited Summerside on several occasions, prior to his transfer here last November.

During the war music took second place as Ford enlisted with the Irish Regiment of Canada in 1940 and later transferred to the RCAF. As a wireless air gunner he saw service with RAF squadrons in the Far East and Europe. With the war over Ford reverted, at his own request, from the rank of Flight Sergeant to Leading Aircraftsman so that he could become a member of the RCAF's Central Band under the direction of Flying Officer Cliff Hunt. His rise in the band is well understood when one learns that in addition to his trumpet work Sergeant Ford did musical arranging for the band and for the Toronto Mendelssohn choir of CBC fame.

A married man with two daughters, Eric welcomed his transfer to Summerside. And no wonder! Last year with the Central Band he travelled 60,000 miles which, in his own words, "didn't make the wife too happy." —S.

S'side Home and School Association Annual Meeting Held Last Night

—Ivan Vaughan was re-appointed president of the Home and School Association at the annual meeting last evening in the Summerside High School Library. Other officers appointed were: vice president, Allison MacLean; secretary, Mrs. Kaye Hansen; treasurer, Frank Cameron.

Miss Georgie Driscoll, Mrs. Harold Lyle, and Miss Evelyn Underhay were added as members to complete the executive.

The retiring treasurer, Mrs. Hopkirk, submitted a gratifying report and the president reviewed the activities of the year which indicated that a great deal of progress had been made.

Mrs. R. A. Horne was authorized to purchase the prizes to be donated to the pupils in several grades showing the greatest improvement in school work during the school term.

A number of volunteers were requested to assist in the Music Festival opening in Summerside May 1st.

Mr. A. H. Hubley's group was in charge of the program and two educational films were shown.

Refreshments were served by the program committee. —S

Recall Feat Of Wellington Man

—One of a series of items entitled "Worth Remembering" which appeared recently in an Ontario paper will be of special interest to the many persons in this province who will recall the late Joseph Arsenault of Wellington.

The item, under the heading: "Worth Remembering", reads in part: "Joseph Arsenault, of Prince Edward Island, won a speed skating title at the age of 93!"

This clipping was received recently by his grandson, Mr. Wilfred Arsenault, assistant postmaster at Wellington, who recalls that the skating event referred to took place in Wellington rink about 1930-31.

A great skating enthusiast, the late Mr. Arsenault, using a type of skate known as "woodstocks" strapped to his shoes, took part in skating events in Wellington and Summerside each winter, and continued to skate until the time of his death at about the age of 97 years.

Mr. Arsenault was the first station agent at Wellington, a position which he held for a great many years until his retirement.

The recent clipping referring to his skating activities at the age of 93 was sent to his grandson by a friend who happened to see the item in the Ontario paper. S.

AIR COMMODORE ROSS TO ARRIVE AT SUMMERSIDE AIR STATION TODAY

—Air Commodore A. D. Ross, G. C., C.E.B. air officer commanding Maritime Air Command headquarters at Halifax will arrive at the RCAF Station at Summerside at 3 O'clock this afternoon on his last visit to this station before proceeding overseas to assume his new duties as air member Canadian Joint Staff, in London, England.

Air Commodore Martin Costello, C.B.E., 49, of Alexandria, Ontario, who has served in this overseas command since June 1951, will be returning to Canada to assume the present duties of Air Commodore Ross.

Maritime Command, which will re-equip with Britannia and Neptune long-range aircraft especially designed for Maritime operations, has an important task. It is responsible for guarding the sea lanes from the air, carrying out naval co-operation, anti-submarine, convoy patrol, and other duties.

The party accompanying Air Commodore Ross to Summerside today include: Wing Commander Minabelli, senior personnel staff officer; Squadron Leader Croft, staff officer training; Squadron Leader MacKenzie, staff officer radio; Squadron Leader MacDonald and Flight Lieutenant Clarke, executive officers. —S

Indo-China

45-minute talk between chief Soviet delegate Molotov and French Foreign Minister Bidault. After the meeting a French spokesman said both sides "seem to want agreement" on getting the Indo-China talks going.

(The Associated Press quoted a British spokesman as saying Tuesday night that Britain is supporting France in an effort to obtain a cease-fire in Indo-China as the first step toward solving the impasse: This appeared to be a new version of an earlier report along the same lines. Reuters news agency quoted high British sources as describing that report as "ridiculous.")

One widely circulated report was that Molotov and Red China's Chou En-lai plan to propose a cease-fire within the next few days. A French spokesman said he regarded this as untrue.

It can be deduced, although Canadian officials decline to comment on the point, that the Canadian delegation is taking an extremely cautious stand in these informal discussions.

CANADA'S STAND

The Canadian position on the Indo-China talks, briefly is that as things stand Canada has no claim to demand representation. Canada is concerned about the situation, but does not feel she should insist on taking part.

A highly informed source said three possible alternatives were considered during the Molotov-Bidault talks on the composition of the conference on Indo-China.

The first alternative was a nine-power conference limited to the Big Four, Red China, the three associated states of Indo-China and the Communist Vietminh government.

The second alternative was an 11 - power conference comprising these nine governments plus Thailand and Burma.

The third alternative was a 14-power conference comprising the 11 governments plus Australia, India and Indonesia.
