Kings Co. Memorial Hospital Meet To Hear Commissioner

MONTAGUE — Col. Leo P. MacDonald, a member of the P.E.I. Hospital Services Commission, will be guest speaker at the annual meeting of the Kings County Memorial Hospital in the Beaver Club this evening at 8 o'clock. Kings County residents are cordially invited to attend the meeting and become better acquainted with hospital activities.

One of the important items to be discussed will be the future construction of a new hospital. The present hospital is not considered to be adequate by present day standards and demands. Each year the hospital conducts a campaign for funds which is used to pay for equipment and supplies not covered by the hospital commission. These campaigns have been quite successful and the board of the hospital has on many occasions expressed its appreciation of the support to the hospital given by those outside the county as well as to those of the county.

WERE PUESTS

Mr. and Mrs. James Allen, Covehead were guests of Mr. and Mrs. Cecil Campbell, Whim Road Sunday.

It is the opinion of the board that when the time comes for a campaign for building that it will receive the same support.
