

MRS. DIEFENBAKER SEES PHILIP MURPHY, 97, GREETED BY LEADER

Montague Reception For P.C. Leader And His Wife

His Worship, Mayor Bruce H. Yeo, officially welcomed John Diefenbaker, Progressive Conservative Party Leader at an informal reception held yesterday morning in the Rainbow Room of the Bison Restaurant, Montague.

Major John A. MacDonald, P.C. candidate for Kings County, introduced Mr. Diefenbaker to the large number of citizens who were on hand to greet the party leader.

Mr. Diefenbaker thanked Mayor Yeo, and said that it was an experience that he would always treasure, of having the honor of meeting Mr. Philip Murphy, "the young old" gent" of 97 who was around before confederation and who has observed many leaders come and go and privileged to see this great country expand.

Mr. Murphy is a resident of Sturgeon. Mr. Diefenbaker expressed his pleasure for the reception tender-

reasonable, and scanty consideration for our senior citizens. NO PROMISES

Mr. Diefenbaker said, that as leader of his party he was not in the habit of making promises or extraordinary changes, but that, "promises for the aged and especially those who served their country, must be brought in to line." That we should not "penalize those who preserved the future serving their country, making it possible for us to be here today."

That, he did not believe in bitter party politics, but felt that, "voting for what is best for the country, rather than party, and to vote as if your vote would decide the future welfare of Canada."

J.D. Stewart, Mayor of Charlottetown spoke, saying that time was limited due to the fact that Mr. Diefenbaker was scheduled to speak in Summerside in the afternoon.

The official party included, Melvin MacQuaid, President of the P.E.I. P.C. Association, members of the press and others.
