

To the Absent.

How happy the days were! Where, Nanna, art thou? And where is the gladness I'm longing for now?

A pilgrim I wander and see but for thee; I sit on the stone where thou sittest with me. I sit and listen and listen; but all That I hear is the wind and the brook in its fall.

Come heart to my heart, 'tis thy birthday to-day! My life-joy lies sealed in a letter away; But the seal shall be broken in less than a year.

A Story of a Trail.

She was a tall, stout individual, and she sprang out of the wagon as lightly as a spring chicken after a grasshopper.

"Eight cents," was the reply of the counter jumper.

"Well, here are three dozen, and I'll take it in calico."

"But I want some yarn to mend my socks," put in the old man.

"The weather is warm," replied the fat party, "and you can go without socks."

"Go barefooted," said she rather sharply. Then turning to the clerk she remarked: "Young man, please count me out the eggs, and give me four yards of calico to match this 'ere dress."

"But—" the old man was going to continue, when she raised her huge index finger and said, "Henry Winter Davis Spriggins, them 'ere eggs are mine, them hens what laid 'em are mine, and I'm going to have a trail on this 'ere dress as long as Betsy Gowen's if every toe on your feet turn into gumbles. Now shut, youngster yank off four yards of that calico, or you will hear a bumble be a buzzing."

The old man shut, and the clerk yanked off the calico.

We'll Done.

A young man called, in company with several other gentlemen, upon a young lady. Her father was also present, to assist in entertaining the callers.

"Then you will please not drink wine, I have lemonade for my callers."

The father urged them to drink and they were undecided.

The young lady added: "Remember, if you call on me, then you drink lemonade; but if upon papa, why, in that case I have nothing to say."

The wine glasses were set down with their contents untasted. After leaving the house one of the party exclaimed, that is the most effectual temperance lectures I ever heard."

Indeed it was sown on good ground. It took root, sprang up, and now is bearing fruit. The young man, from whom these facts were obtained, broke off at once from the use of strong drink, and is now a clergyman, preaching temperance and religion. As he related the circumstance to me, tears came into his eyes. He sees now his former dangerous position, and holds in grateful remembrance the lady who gracefully and still resolutely gave him to understand that her callers should not drink wine.

The People Want Proof.

There is no medicine prescribed by physicians, or sold by Druggists, that carries such evidence of its success and superior virtues as BOSCHER'S GERMAN SYRUP for severe Coughs, Colds settled on the breast, Consumption, or any disease of the Throat and Lungs.

CAPSICUM POROUS PLASTERS.

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present.

DR. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind.

Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered.

Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniment.

After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters.

One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents, for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
