### Special Preacher At Murray Harbour Church

Mr. Whitney Dalrymple, Maritime Boy's Work Secretary, of Saint John, N.B., was special preacher at Murray Harbour United Church on Sunday evening. He preached a very effective and challenging address on the words of St. Paul to Timothy "Give thyself wholly to these things."

Earlier in the service Mr. Dalrymple had the great pleasure to present the Maritime and Dominion Athletic Shields (Intermediate) to Harley Fraser and the senior shields to Elmer MacNeill. The Trail Rangers and Tuxis Boys are a co-operative group representing the four churches in the village.

The minister, Rev. D. W. MacPherson was assisted in the service by Blair Herring who read the Scripture and Lincoln MacLeod who led in prayer. The Canadian Girls in Training led the service of praise, rendering very sweetly the choir selection with Mrs. Albert MacLeod presiding at the organ.

### Georgetown And Montague Battle To Tie

In one of the best games of the current season played in the Georgetown rink, the local Eagles and The Montague Meteors played to an overtime 9-9 tie. The game was fast and fairly rugged, but was kept well in hand. Each team went into the lead on various occasions only to see it vanish, as snaphooters rode in close, to pick unguarded corners. The opening session ended 3-2 for the Meteors.

In the center period the Eagles countered four times to the visitors pair and led 6-5. The third period ended all tied up at 8-8 and in the ten minute overtime, Montague went ahead at 1:30, only to see the Eagles tie it up at 8:31. Referees were Ted McEwen of Montague and Red Kavers of Georgetown.

Line-ups:  
Georgetown Eagles: Goal, B. Stevens; defence, W. MacLean, B. DeLory, S. Johnson, A. MacPhee; forwards, H. Stevens, D. MacDonald, F. Lavandier, C. Martell, A. Landry, B. Murphy, F. Landry, S. McNeill, H. Publicover, B. Burke.

Montague Meteors: Goal, C. Walper; defence, F. Fraser, D. George, R. Beck; forwards, H. Power, D. MacLean, A. McLure, K. Clements, J. Lannigan, S. Jay, D. Campbell.

The Georgetown-Lower Montague and the Georgetown-Newport Ferries are both making regular crossings of the Georgetown Harbour and the Cardigan River. These ferries still in operation on February 6, with every indication of continuing operations gives one an idea of the wonderful weather we have been privileged to enjoy this winter.

The Dominion Government Potato Warehouse, situated on the Railway Wharf, closed its doors for business on Saturday, February 3. The shed has been open for the storage and assembly of potatoes since last fall and a considerable quantity of potatoes have been assembled and shipped by railway car and ocean-going freighter, during the time the warehouse has been operating this season. It is not known at present if the shed will be re-opened in the spring or not. No doubt this will depend on whether or not a market is obtained for the balance of the Province's potato crop.
