IN MEMORIAM

MRS. JOSEPH FORD

The people of South Lake and vicinity were shocked and saddened on Sunday night, August thirteenth to learn of the unexpected death of Mrs. Joseph Ford. On the day of her passing the deceased had apparently been in her usual health and after attending to her customary household duties had gone to visit at the home of her daughter, Mrs. Wilfred LaPierre at Black Pond. After a quiet evening, as the late Mrs. Ford was preparing to return to her home she became suddenly ill and passed quickly away.

She was a woman of sterling character, a kind and loving mother, and a good neighbour. Her family will mourn her loss as will also a host of friends. She leaves a vacancy in the home that can never be filled. The large concourse of friends and the many Mass Cards and Letters of Sympathy affirmed the great regard in which the deceased was held.

The late Mrs. Ford was the former Florence MacDonald and was born at South Lake. She was the daughter of the late James Ronald MacDonald and Johanna Campbell. In 1918 she married Joseph Ford. She leaves to mourn besides her loving husband, five daughters and one son. They are: Mary, Mrs. Clarkin, now at home; Elva, Mrs. Donald O'Connor, of Montreal; Dorothy, Mrs. Wilfred LaPierre of Black Pond; Lillian, Mrs. Patrick O'Connor of Montreal; Frances, Mrs. Harold MacNeill of Montreal and Ernest, at home. Besides her husband and children she leaves behind two brothers and one sister, namely, George E. of Charlottetown; Ronald Joseph of Crane Lake, Minnesota; and Annie, Mrs. Alex Paquet of Souris. Another brother, James, was killed in France during World War I.

The largely-attended funeral was held on the morning of August sixteenth at St. Columba Church. A High Mass of Requiem was celebrated by the pastor, Reverend R. J. MacDonald. The pall-bearers were: Fred Rose, Elmer Fraser, Alex Cameron, Ralph MacDonald, Elwin Fisher and Angus Beaton. Interment was in the church cemetery.

Card Of Thanks

The family of the late Mrs. Joseph Ford wish to thank Reverend R. J. MacDonald of St. Columba and Reverend P. Murnaghan of Souris and all others who helped in any way in their recent bereavement; also all those who gave Mass Cards and flowers and those who sent messages of sympathy.

IN MEMORIAM

MRS. LYDIA SIMS

On Sunday, Sept. 3rd, 1950, there passed from the church militant to the church triumphant Mrs. Lydia Sims of Kensington, aged ninety-two years and six months. Mrs. Sims was born in Norboro, the daughter of Mr. and Mrs. James Bonness. Of that family of eleven there are now but three survivors—Mrs. Elizabeth Postu of Los Angeles; Mrs. Minna Johnstone of Edmonton and George Bonness in the old home in Norboro. Lydia Bonness was married in 1880 to George B. Sims of Kensington and came as a bride to the Sims home, at that time one of the three main establishments in the village. She loved to see many great changes and improvements in what we know now as the Town of Kensington. To Mr. and Mrs. Sims were born four children—Mrs. Lucy George of Vancouver, Miss Lottie at home, Hartie E. of Charlottetown, and Leaman of Seattle. There are six grandchildren; one grandson, Flight Sergeant George R. Sims made the supreme sacrifice on July 15th, 1944.

The funeral was held from St. Mark's Church on Tuesday, Sept. 5th. The church was crowded, many being unable to get in. The service was conducted by the Rector, Rev. S. J. Davies, the keynote of the service being joy rather than grief in that her dauntless spirit, after a long and well-spent life, had at last found peace where "His servants serve Him". Mrs. Sims was an active and devoted member of St. Mark's Church and as long as her health permitted was seldom absent from its services of worship. She was also a member of the Women's Auxiliary since its organization in the parish in 1907. To the bereaved family who gave their mother such loving care, the community extends sympathy. And so, "we praise and magnify thy holy name for all thy servants who have finished their course and kept thy faith, beseeching thee to give us grace so to follow their good examples that with them we may be partakers of thy heavenly kingdom."

The many beautiful flowers from friends near and far were an evidence of love and respect for the deceased.

Card Of Thanks

The family of the late Mrs. Lydia Sims extend grateful thanks to their many friends for acts of kindness and expressions of sympathy and for the beautiful flowers sent on the occasion of their recent bereavement.

Now Haven W. I.

Entertain On Member's 25th Wedding Anniversary

The meeting of the New Haven Women's Institute met at the home of Mrs. Roland Buchanan Sr. on September 8th. The meeting opened by singing Ode and repeating creed in unison. Roll call was answered by eighteen members with an article for the Orphanage. One visitor was present.

Minutes of last meeting were read approved and signed by the president. The business part was then carried out. It was decided to try to get somebody to clean the school. Proceeds of Lawn Party held recently amounted to \$74.23. Reports of various committees were heard. School committee for next month are Mrs. Murphy and Mrs. Darrach. Bills amounting to \$4.00 were paid. The correspondence was read and discussed. It was moved and seconded to give \$15.00 to each of the Orphanages. Collection was taken and amounted to \$1.00. A donation of one dollar was received. The next meeting is to be held at the home of Mrs. Colville. Roll call is to be answered with a square or flour bag for a quilt and an article for the Orphanage. The singing of "The King" besides her loving husband, five daughters and one son. They are: Mary, Mrs. Clarkin, now at home; Elva, Mrs. Donald O'Connor, of Montreal; Dorothy, Mrs. Wilfred LaPierre of Black Pond; Lillian, Mrs. Patrick O'Connor of Montreal; Frances, Mrs. Harold MacNeill of Montreal and Ernest, at home. Besides her husband and children she leaves behind two brothers and one sister, namely, George E. of Charlottetown; Ronald Joseph of Crane Lake, Minnesota; and Annie, Mrs. Alex Paquet of Souris. Another brother, James, was killed in France during World War I.

IN MEMORIAM

In loving memory of my mother, Mrs. Annie Nebone, who passed away September 28th, 1949.

In my heart's memory lingers Always tender, fond and true, There's not a day, dear Mother I do not think of you.

Always Remembered by Daughter Olive.

IN MEMORIAM

In loving memory of my dear mother,

MRS. JOHN F. McLELLAN

who died September 26th, 1940.

Ten years ago we had to part With one we loved with all our heart.

We miss her face and kindly ways, With her we spent our happy days.

Many a day her name is spoken And many an hour she is in our thoughts.

A link in our family chain is broken, She is gone from our home, but not from our hearts.

Yet she has not lived and died in vain, For proudly we can say She has left a name without a stain For our tears to wash away.

God only knows how we miss her, In a home that is lonely yet, But the hearts that always loved her, Are the hearts that never forget.

Inserted by Her Daughters, Mary and Anna.

brought the meeting to a close after which a social time was spent the occasion being the 25th wedding anniversary of Mr. and Mrs. Michael Murphy. An address was read by Mrs. Gus Tienary and a gift and bouquet presented to the bride by Mrs. Newman and Mrs. MacDonald. Mrs. Murphy then thanked all members for their thoughtfulness. A dainty lunch was then served by the hostess and some of the ladies.

Mrs. Michael Murphy New Haven
Dear Katie:-
It is with great pleasure that the Institute members are gathered here tonight to extend congratulation to you as you near your twenty-fifth wedding anniversary. When our Institute was organized you were the first Secretary Treasurer and since that time you have always been a faithful and willing worker seldom absent from our monthly meetings.

As a helper at the suppers and lawn parties you are very prompt, willing to work late and always ready with a joke to break the monotony of the tiresome hours. We always look forward with pleasure to our meetings in your home.

As a reminder of this anniversary and as a token of our esteem, we ask you to accept this small gift and we wish you and Michael health, prosperity and happiness in the years that are to come.

Signed on behalf of the New Haven W. I.

Prize Blankets

Used Since '63

VANCOUVER, Sept. 26 — (CP) — A pair of blankets in continual use since 1863 won first prize in the Hudson's Bay Company's contest to find the oldest blankets still in use.

The Hudson's Bay "point" blankets, which travelled the Cariboo trail of '63 are owned by Mrs. Louise Brunton, of White Rock, B.C.

The blankets were bought by her father, William Brunton, and used when mules and oxen travelled what is now the route of the Cariboo highway. They covered their owner when marauding Indians invaded his lonely prospector's cabin.

Later the blankets protected Mrs. Brunton when her motor-boat transport broke down as she was on her way to take a teaching job at a remote northern coastal point.

Selecting And Preparing Potato Exhibits

OTTAWA, Sept. 27—In selecting and preparing potato exhibits there are a number of points which should be remembered if best results are to be obtained not only by the exhibitor, but in educating the public, which is one of the real objects of an exhibition, says N. M. Parks, Horticulture Division, Department of Agriculture, Ottawa.

Specimens selected for an exhibit in an open competition should represent as nearly as possible the correct type of the variety shown. Particularly does this apply in the seed classes, as the proper type of tubers often indicates the absence of virus diseases, which may distort the shape of the potato.

Another important point to remember in preparing exhibits is to make sure that the variety is correctly named and entered in the class designated in the prize list and that the exact number of tubers required are included in the entry. Exhibits which have to be shipped by express or transport should be carefully packaged and properly addressed. In packaging, each individual tuber should be wrapped in soft paper and placed in individual containers. These should then be packed in a large container and well protected with excelsior or similar material.

Potatoes for exhibition purposes should be as mature as possible before digging and selection should be made in the field rather than in the bin. To secure tubers without bruises it may be necessary to dig by hand, or follow behind the digger and select tubers of the correct size and type until more than the required number for the exhibit are obtained. A good method is to first select a tuber of the correct size, type and colour of the variety concerned and match it as the selections are made in the field and later when the final selections are decided upon. Remember that uniformity of type and size are important and that the optimum size for seed is approximately eight ounces and nine ounces for the table stock classes.

Tubers for exhibition purposes should be exposed to light as little as possible and should never be washed. At harvest time it is a good plan to wrap them in soft paper and keep them in a cool dark room until they are shipped. A soft brush may be used to remove all soil particles, being careful not to bruise or break the skin, and all tubers showing any

CORRECT POSTAGE

saves embarrassment... and money!

If you are in doubt, have your letter or parcel weighed before mailing because recipient must pay double the deficient postage. This is especially important on overseas air mail.

Send a **POSTAL MONEY ORDER** instead of cash!

Be sure **ADDRESS** is clear... correct and complete!

Envelopes can be broken or torn and money slip out. It's wiser... and safer... to use Postal Money Orders. You can get them at your Post Office.

Full name, street address, Post Office Box number or Rural Route number and return address should always be included.

Wrap **PARCELS** carefully!

Avoid damage by using strong containers, stiffening boards, etc. Tie securely.

YOUR Post Office will help with your postal problems. Ask about services available—Air Mail, Canada Air Letters, special delivery, registration, Rural Directories, insurance on parcel post, C.O.D., gift parcels for overseas, international and Imperial reply coupons, Post Office Savings Bank.

imperfections should be discarded. Sheep's wool is also an excellent material to brush or polish potatoes for show purposes and it imparts a lustre to the tubers which cannot be obtained with any other material.

It was decided to have Rev. Eugene Murray give a lecture Sept. 27th in Morell Hall on his recent visit to Rome and other European cities. The meeting closed with prayer.

For cool, clean, economical cooking... choose
the name that pioneered modern electric cooking

GENERAL ELECTRIC RANGES

The famous G-E monogram has always stood for the finest in electric cooking. Investing in a G-E Range will bring economy and advantages to the whole family, in delicious, tempting meals... to you, in quicker, cooler, easier meal preparation... to your home, in dirt-free and fume-free cooking that prevents soiled curtains, walls, woodwork. See your local G-E Dealer. He'll gladly demonstrate the G-E Range best suited to your family's needs.

RD 41
The last word in speed and economy—oven controls in back-splasher. Jewel pilot lights, lined appliance receptacle, spacious warmer and storage drawers, automatic over-timer and minute minder. \$369

RS 41
Beautifully compact range for small kitchens \$229 (Lamp and timer controls extra)
