

Prince Street Ice Sports Prove Usual Big Success

Prince Street School's thirty third annual Ice Sports, held last evening at Sports Arena, met with resounding success, as one of the biggest crowds in recent years turned out to see the youngsters perform.

In all there were twenty four competitive events including Prince Street Hornets and Spring Park Springers. The Springers carried away the honors, defeating the Hornets 5-3.

The programme opened with a "Welcome Drill" comprised of students arrayed in colorful costumes. They carried placards which spell a welcome to those attending the event and they went through various drills.

The following are the results of the event, including the hockey game.

DOWN THE BACK STRETCH

Maritime friends of Wib Jardine, Chatham, N.B., one of our most popular harness horse drivers, will be glad, as the writer is, to have news from him. He writes: "I received your review, and thank you very much for it. I was laid up most of the summer and saw only a few races, and only drove on the First of July. Other drivers helped me out wonderfully after I entered hospital; especially my dad, Roy Barnett, and Joe Goguen, also several others.

"I never realized before how many wonderful persons are connected with the horses. I guess that's why it is called 'the sport of kings.' Now for a little home news. I have six at my own barn — Jollity Peters, Jollity, out of Rosie Volo, owned by Bruce Daley; she is a four-year-old. I also have a nice, two-year-old filly owned by Mr. Dysart of Moncton; she is out of Nell Kalmuck 2:09 1/4, and is sired by Headway.

"My others are: Cruiser, owned by Mr. Gouchie of Carleton, P.Q., a 10-year-old trotter with a mark of 2:15; Golden Rhythm, a three-year-old that was bought at Delaware, Ohio, sale, sired by Jerry The First, and the dam is Lady Attorney; Flagman 2:06 1/5, owned by J. S. Watt, Chandler, P.Q.; Roy Barnett gave him his new record at Chatham last July and it was also a new record for the track. He is by Ensign Hanover out of a Hal Dale mare. And last, but not least, I have the old faithful 'Abbeled'; perhaps I shouldn't call him old as he seems to feel and look just like a colt. Someday, if you like time, I would like you to tell me how many dashes he has won in his racing career."

With ends with: "Dad asked me to tell you how much he enjoyed your year end review. Hope to see you at the meeting in Moncton on February 2."

It is a pleasure for us to give our friend the information regarding Abbeled's racing career. He started campaigning as a 2-year-old in 1948 in the Maritimes and took a record of 2:11 1/5, making seven starts out of which he had one win. As a three-year-old in 1949, he reduced his mark to 2:10 4/5, and in 1950 he won seven firsts in 19 starts.

In 1951, he was 9 times first and twice second, and reduced his record to 2:10 3/5. In 1952, he had 15 firsts, 8 seconds and 2 thirds, and took a record of 2:10 2/5. In 1953, he had 16 firsts, 12 seconds and 3 thirds, and reduced his record to 2:08 2/5. In 1954, he was 18 times first, 6 times second and 8 times third. In 1955, he was 6 times first, 3 times second and 7 times third, and in 1956, he was 8 times first, 8 times second and 10 times third. In 1957, at the age of 11 years, he made 33 starts, was 5 times first, 8 times second and 7 times third.

At the end of 1957, he had made 245 starts, was 67 times first, 47 times second and 38 times third, and had won \$19,618 for his owner, James S. Watt, Chandler, P.Q. Particulars of his 1958 racing will be found in our Maritime Harness Racing Review.

OLD FRIEND

And now we hear from one of our oldest horsemen friends, who has helped us with news ever since we commenced this column back in the 1920's. "I was happy to receive your annual summary of harness racing in the Maritimes. I boastfully show it to my horsemen friends to prove to them how 'Down Easters' like harness racing.

"Last night I drove in the rain and sleet a hundred miles to Boston to the Horsemen's Banquet at the Hotel Bradford. There was a big crowd. Saw Dan Steele and his wife — never saw them looking better. No man in New England is more highly respected in harness horse circles. Danny was telling me the Metropolitan Speedway was built on land controlled by the Metropolitan District Commission; it is right near Harvard Stadium. The Commission has jurisdiction over the City of Boston water supply, parks, recreation areas, public areas, etc. They recently gave the Speedway to Harvard Union, and they plan to build some sort of museum on the grounds.

"Naturally, the race track will be no more, as my horsemen friends have got to move. They have a place to go in greater Boston, and some of them have leased for a few years the grounds on which J. Malcolm Forbes had his horse farm near Milton, Mass. It has a five-eighths mile track that hasn't been in use for 35 years, except as a trail for saddle horses.

"It was there that Arion stood, the horse for which J. Malcolm Forbes paid \$125,000 when he bought him as a colt from Palo Alto Farm in California. That figure would represent close to a million dollars today.

"I got a kick out of your mentioning the first race you won, Harry Ledyard drove the horse that was second to you; Harry was a tremendous fellow anyway you wished to take him; he raced horses from 1890 until he died on the sulky in a race in 1928; he was 80 years old. I will send you a complete story on him later.

"Interest in horses seems to be in the blood. Enclosed find a cut out of 'The Harness Horse' for January 7, showing a group of horsemen in showing a Canadiana. Lee Ramsay, one of those men, I mentioned, was born in Alberton, P. E. I. His brother, Fred, is a

Summerside Aces Edge Charlottetown Tars 5-4

Two quick goals by the Aces, nine seconds apart, broke up the closest game in the Island league this season played at Civic Stadium in Summerside last night, the Aces edging the Charlottetown Navy by the score of 5-4. About 800 fans watched the exciting contest. The Aces outscored the visitors 2 goals to 1 in the initial frame, and the Navy boys bounced back to hold the same scoring edge in the middle session, leaving the game knotted at 3-3 going into the final period.

The boys, battled for half the third period without breaking the deadlock, but Bonny Howatt, put in the clear by a short pass from Greg Deighan, went in alone, deked Roper out of position and slugged the puck into the cage. Nine seconds later Vance Harris scored what proved to be the winning tally on an unassisted effort. The score remained 5-3 until with two seconds to go in the game, and Taylor of the Navy, and Reeves and Williams of the Aces all up with majors for fighting. Apps Arsenal scored with help from Wally Shepherd and Carroll.

Greg Deighan led all the snipers, getting both the Ace goals in the first period, and picking up an assist in the third. Referee Walter Lawlor and Gerard Ber-

nard handed out ten minors, three majors and one misconduct in a game which featured a lot of heavy bumping especially in the final frame. Both goalers Roper and Mann, stopped better than average games.

Reds Criticize US Army-Navy Game

MOSCOW (AP)—In the midst of a big shakeup of Russia's national sports organizations, the newspaper Soviet Sports Wednesday ignored that development to criticize America's annual Army-Navy football game.

The official government sports organ said the only winners in the Army-Navy games at Philadelphia are the organizers, who "each year reap huge harvests of dollars while the players receive only cracked ribs and skulls."

The newspaper said the Army Navy games were responsible for an enmity between the U.S. Army and Navy "so deep that on one

occasion a brigadier general challenged an admiral to a duel."

SCRAP SPORTS COMMITTEE

Meanwhile Moscow Radio announced that March 1 is the deadline for the scrapping of the Physical Culture and Sports Committee attached to the U.S.S.R. Council of Ministers.

The committee will be replaced by a Union of Sports Societies and Organizations.

The shake up follows disappointing performances by Russian athletes in international sports competitions last year. The broadcast made no mention of these let-downs.

2 Games At Crapaud

Crapaud and Nine Mile Creek battled to a 6-6 tie and Tryon Legionettes blanked Alberton girls team 4-0 in a doubleheader played at Crapaud rink Thursday night.

The Crapaud-Nine Mile Creek fixture, a regular game in the Frank Myers league, saw S. Ferguson of Crapaud led the goalkeepers with three. Other Crapaud marksmen were Metcalfe (2) and Stewart. Nine Mile Creek sharpshooters were Taylor (2), MacDougall (2) 1 Taylor and Smith.

The Alberton girls put up a good fight against the more experienced Legionettes. Betty MacLean scored all four of the winners' tallies, with Alice Gordon assisting on two and D. Noonan and M. Howatt setting up the others.

The girls will play a return game in Alberton on Saturday, January 31.

Hank Bauer Inks Contract

NEW YORK (AP)—Hank Bauer signed the best contract of his 12 years as a New York Yankee Friday and predicted he would play at least four more years—until he's 40.

The hustling outfielder, whose main asset is his ability to come through in crucial spots, signed for \$31,000, an estimated raise of \$1,000.

Bauer, 36, was the first Yankee to sign. Yogi Berra had an unsuccessful salary confab with General Manager George Weiss, Berra, veteran all-star catcher, may be used at first base this year.

Trotters Shade Y.M.C.A. 66-63

Charlottetown Trotters beat the local Y.M.C.A. 66-63 last evening in a regular Island League Basketball game played at the "Y."

And now we are glad to hear from a successful Islander abroad — Dr. Edward G. MacQuaid, Baltimore, Maryland. "Many thanks for your review of Harness Racing for 1958. I enjoyed it immensely, and my mind went back to the old days when Dr. J. T. Jenkins had Devilish Dorothy, Al Stewart with Hilda S., and such fine racemen as P. S. Brown, Charles Chandler, Henry Hooper, Hammond Kelly, and many others."

Tomorrow afternoon, thousands of horsemen in Canada and the United States will be awaiting the result of the International Grand Prix d'Amerique at Vincennes, just outside Paris, France. The track is about a mile and a quarter, perhaps a little more, in length; their tracks are measured in meters. It would be called "fast" by Canadian or American standards.

Best trotters in Europe have been entered, and the purse will be in the vicinity of \$45,000. It was originally intended to be larger, but the recent devaluation of the franc has cut it down to the above figure. The reason why the horsemen on this continent are so interested in the result is that Egyptian Princess 2:00 4/5, owned by the Clearview Stables, Winthrop, Maine, and driven by Earl Avery, formerly of Woodstock, N.B., will be a starter. Another great trotter, owned by New York interests, Great Lullwater 2:01 1/5, will be a contestant, with the famous Del Miller, Meadowlands, Pa., in the sulky. The Clearview stable is owned by Norma Woolworth, one of the principal owners of the Five and Ten chain, who is taking a great interest in harness racing, no doubt as an offset to the tremendous business responsibilities he carries.

Bedeqe Tops Lot 16 Rangers

Bedeqe Beavers last evening defeated Lot 16 Rangers 8-6 in a regular South Shore hockey league game at Bedeqe rink.

Point-getters for the winners were J. Rogers 1, R. Arsenal 3, C. Arsenal 4, F. DesRoches 3, G. Campbell 1, C. Roberts 1, D. MacFarlane.

For the Rangers D. Birch 3, I. Strongman 2, E. Strongman 3, J. Gorrill 2, E. Gorrill 1, and A. Landry 1.

Referees were B. Callbeck and L. Reeves.

SPORTS FRONT

By PIUS CALLAGHAN

AFTER ONE PERIOD of play Thursday night at the Sports Arena, we came to the conclusion that Garrison Juniors were in for another bad night. We say "another" because we immediately thought back to last week when the Navy Tars taught these same Juniors a hockey lesson.

Here we were just having seen twenty minutes of hockey and already Royals held a three-goal edge over Orin Carver's lads. At that the Juniors were most fortunate it wasn't more. There seemed little doubt as to the eventual winner. The question that was in our mind was how big the Royals' cushion would be.

Coach Carver must have had a few stinging remarks for his boys while they took time out in their dressing room. He had plenty of things to pan them about and it's not very likely he missed a great deal. Whatever he said must have hit home because an entirely different outfit took the ice for the balance of the game. They came back with two goals in the second, then went on to fire three more in the final twenty minutes. While they were doing all this fine offensive work, their defence corps, with goalie 'Butch' Ward officiating, was brilliant in holding the Royals' sharpshooters scoreless.

WE HAVEN'T SUNG the praises of the Juniors too much of late. But then, if you just stop and think, they haven't given us too much to sing about.

However, when a team spots hockey players like Parkdale three goals in the first period, then bounces back to beat them, you just have to throw a few bouquets their way.

This Junior Club is still one that can cause plenty of trouble along the Maritime Junior playdown trail. They have several mighty fine young hockey players who don't have to take a back seat to other Maritime juniors. If they come up with the kind of hockey they showed in the second and third periods on Thursday, then their opponents will really know they've been in a hockey game.

However, should they come up with performances similar to that first period against Royals or that entire game against Navy, then they wouldn't prove any great stumbling block to mainland competitors.

We think, however, the had games are out of the boys' system and from here on they are going to show us just how good they really are.

We're hoping so.

BOSTON 41, DETROIT 40, TORONTO 30.

That's the way matters stand as the teams await National Hockey League action tonight. When this weekend is over, it's mighty difficult who will be there.

Bruins, with one more game played than the Maple Leafs, are in Toronto tonight and a victory would move the Olmstead-Imlack crew into a tie with the outfit handled by Milt Schmidt. Such an occurrence would insure Toronto that it is not alone in the league cellar. Those Bruins would be right with them and Leafs would be breathing easier with that big game in hand.

Detroit Red Wings who managed their first win in a long, long time the other night in Chicago, has another chance to beat those same Hawks. If they do, they are certain of staying out of the basement until Sunday night at least. However, should they topple Boston, then Red Wings will be sole owners of the league cellar.

However, those Wings have played one less game than Toronto, two less than Boston and those games are indeed nice things to have in hand.

Sunday all teams are in action again and Toronto travels to Chicago where they have yet to win a game this season. If the Leafs fail to break this jinx that Rudy Pilous' gang hold over them, then they'll be pulling for Montreal Canadiens to bounce Red Wings in Detroit and for Rangers to whip Bruins in Boston Gardens.

Every game has terrific importance from here on. A Stanley Cup playoff spot is probably riding on every win and a fifth or sixth place finish is most likely associated with every loss.

You can't take your eyes off those league standings for a single moment, because if you do you are sure to miss something of the utmost importance.

Canadians are certain to finish first. After that we think those Black Hawks are a cinch to wind up in the runner-up spot. But we stop there. The other teams, and we certainly include the Rangers among them, are in a red-hot battle for those other two positions.

We still like the Maple Leafs for one of those two positions.

ALL HOCKEY TEAMS are advised that Sunday, January 25, (that's tomorrow) is the final date for registration either with the Island branch of the A.A. U. of C. or with the Maritime Amateur Hockey Association.

The deadline will definitely not be extended.
