INTELLIGENCE OF HORSES.

The Montreal Star's correspondent at the Fraser River flood writes: So quietly did the water rise that the farmers were awakened from their sleep by the floods trickling along the floor up to their beds. Their first thought was for their cattle and horses. There was no time to drive them, so they turned them loose. Half of the stock, it is thought, have perished. Reports from every locality say that very few horses were lost, as the most of them showed more intelligence than cattle, who were crazed with fright. James Brown said: "I had 300 head of cattle, 34 swine and 28 horses when the flood started to climb up in my bedroom. I went out and turned my live stock loose. The swine screamed shrilly and plunged into the water as if possessed. They soon cut their own throats with their feet in swimming and perished. The cows bellowed piteously and waded in the stream and waited there till the water swept them away. The horses, however, showed astonishing intelligence. They put their heads over each other's neck as if holding counsel, and slowly walked to a higher point of ground, followed by my dog. They then looked around for a moment and walked deliberately into the water; swam the narrowest part of the river, and although carried three miles down by the rushing waters, I counted twenty horses and the dog climbing the mountain on the other side. Most remarkable to relate, nearly all the horses along the flooded district, when left to their own devices, saved themselves, while every pig and two-thirds of the cattle were drowned."

NO MORE FITS.

Mrs. William Langley was subject to Them for Five Years—Dodd's Kidney Pills, Which Never Yet Failed, Cured Her.

LONDON, June 11.—Mrs William Langley, of 21 Euclid Ave., London South, has for the past five years been subjected to fits. She was treated by doctors in Lansing and Detroit, Mich., and by three different physicians in London. No one of them could cure her. About two months ago she began using Dodd's Kidney Pills. Since then she has had no return of the fits. To-day she is perfectly cured. Her trouble was undoubtedly due to kidney disorder, a fact which the physicians who treated her never discovered and consequently, their treatment was in vain.

Some surprising effects have been recorded from the use of Miller's Emulsion of Cod Liver Oil in the most desperate cases of consumption. Miller's Emulsion is "the kind that cures" colds coughs, bronchitis and lung diseases generally. Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ar.

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Is Your Skin Tender.

The skin is really the most wonderful and important organ of the human body. Night and day, every hour of our lives, it is filtering out from the blood useless or poisonods debris. If it stopped work even for twenty-four hours in any case, death would ensue. The skin and mucous membrane of some persons is much more sensitive than others. A person who in summer is subject to freckles, tanned or burned skin, in winter to colds from skin chills, bronchitis, chaps or chilblains, ought (whether at home or traveling) to keep a bottle of Johnson's Anodyne Liniment near at hand. Dilute the liniment with water and gently bathe, or moisten a cloth with it and lay upon irritated skin if sensitive; then wash clean in the morning with Castile soap and water. If a person who takes cold quickly is predisposed to bronchitis or catarrh, or exposed to any poison, irritating, to the skin, or consumption will every night, before retiring, bathe the chest and throat with Johnson's Anodyne Liniment and, before dressing in the morning, rub the whole chest smartly with a coarse towel, slightly damped, and then wipe dry, we believe they will never have pulmorary troubles, or disease from defective working of the skin. The proprietors, I. S. Johnson & Co., Boston, Mass., will send their new illustrated book, entitled "Treatment for Diseases," free to any person for the asking.

BERLIN, June 11.—The Pope's attitude towards cremation was announced Wednesday in the Catholic diocesan council of Brelegegau. His opinion that cremation, while heretical in principle, may be allowed under special conditions, which amount to a guarantee against public scandal. The Catholic clergy may officiate at services over bodies to be cremated not at a crematorium.

Dying on His Feet.

"That man is just dying on his feet."

How often the phrase is used with regard to persons brought to death's door by overwork and consequent nervous prostrations and debility. They cannot afford time to rest (so they will tell you) and gradually they reach the stage where their friends speak of them in the words above quoted. For all who have reached such a stage or are in broken health from any cause, there is a sure specific in Hawker's nerve and stomach tonic, the great nerve and brain invigorator, blood and flesh builder, and a perfect stomach tonic and aid to digestion.

A Lame Back, or a kink in the neck, is quickly removed by a free application of Dr. Manning's german remedy, the universal pain cure. All druggists sell it.
