NEW YORK STOCKS

NEW YORK (AP)—A rally by rails took the stock market temporarily past its 1957 high Friday but the carriers failed to keep their gains and the market was left irregular at the close.

Leading stocks were a hodgepodge of gains and losses running from fractions to a point or more. Trading was brisk.

Expected profit-taking at the crest of the market's 2½-month recovery from the February lows had a part in the performance.

The Associated Press average of 60 stocks dipped 10 cents to $181.70 with the industrials down 80 cents, the rails down 10 cents and the utilities up 50 cents to another 1957 high.
