

THE DAILY EXAMINER.

JANUARY 17, 1889.

Tulloch Farm.

This farm is on the northern bank of the Hillsborough about five miles from Charlottetown. A gentle slope to the southward affords natural drainage, and ensures to crops and cattle the full benefit of warm sunshine.

The soil under cultivation is naturally of excellent quality; and it has been greatly improved by the application of manure and other manures in addition to those drawn from the baryard. Hon. Mr. Ferguson is a firm believer in artificial manures.

The out-buildings on Tulloch Farm comprise a dairy of brick, a root house and piggery, a sheep house, and a new and commodious barn in which are stables for horses and cattle.

The cattle now in stable at Tulloch Farm comprise the following, of which Mr. Ferguson possesses authenticated pedigrees:

Three pure bred Ayrshires cows in calf. Two " Shorthorn cows in calf. Three " Young cattle. One " Galloway bull. Four " cows in calf. One " heifer.

brightshire in 1881, and second prize at the Highland Society's Show at Sterling. "Lady Evelyn," a third cow, is by "Moss Trooper," of the celebrated Hannah tribe.

Smith in his "Agricultural Survey of Galloway," written at the beginning of the present century, says:—"It is well-known that the Galloway breed of cattle have, by the attention of the inhabitants, been brought to a degree of perfection for feeding equal or superior to any breed in Great Britain."

As milkers the Galloway cows are not superior—though the sweepstakes cow at the Ontario Exhibition held in Ottawa in 1887 was a Galloway. Speaking generally their milk is rich in quality but not large in quantity, and their value as milkers is seen in the churn rather than in the pail.

The excellence of the Galloway breed for beef making was demonstrated at the Southfield show, held a few weeks ago. Of the animals there on exhibition those which made the greatest daily gain from birth were crosses between Galloway and Shorthorn.

While on this point, we may quote what Clement Stephenson, the great breeder and feeder of cattle at Newcastle-upon-Tyne, says about the quality of beef required for the British market. To a reporter for the Pall Mall Gazette he expressed his views, as follows:—"A vast change has come over the public taste during the last ten years in respect to Christmas beef."

The excellence of the Shorthorns and Ayrshires in Mr. Ferguson's herd has been repeatedly tested at Provincial Exhibitions: so we may at once turn from the herd to the flock.

Shropshire sheep are valuable for wool, and excellent for mutton. In these respects, they are nearly, if not fully, equal to Southdowns. But they have larger frames and heavier fleeces. Experience has proved that they are singularly well adapted to Prince Edward Island, and that the ewes are exceptionally good mothers.

Brown Stout mare, a blood mare, three Barristers, one Oak's Heart and one Hermando.

Mr. Ferguson has been a practical farmer from his youth; and he has obtained a fund of theoretical and scientific knowledge from which to draw while carrying on his farming operations.

Our Driving and Exhibition Park.

Good fortune has so far attended the exertions of the Charlottetown Driving Park and Provincial Exhibition Association. It appears \$22,400 worth of stock have been taken up, and that the sum of \$10,295 has already been paid, in response to a call of 59 per cent.

We have to congratulate the Association on the progress they have made. The breastwork or causeway will be a great boon to citizens at the "East End."

A Dodge.

"QUITE A FUS" was raised at the City Hall last evening. It was alleged that Mr. Crabbe had signed a bond to the city, and had thereby disqualified himself for the office of Councillor, and that Mr. Rackham, as one of the City Assessors, is ineligible.

Meeting of Driving Park Association.

The meeting of the Driving Park and Provincial Exhibition Association last evening was well attended. The following shareholders were present:—His Worship Mayor Haviland, C. C. Gardner, P. Blake, B. Rogers, R. E. Fitzgerald, J. M. Sutherland, A. N. Large, John J. Davies, Alex. Horne, H. J. Cundall, H. C. McDonald, W. J. Miller, W. S. Stewart, George E. Hughes, James Beales, A. Coffin, D. Ferguson, R. Angus, M. P. Hogan, F. H. Arnaud, George Peake, D. Farquharson, Henry Longworth, F. L. Hassard, H. V. Palmer, Hector McLeod, George Douglass, E. W. Taylor, Dr. Taylor, E. W. Hymn, James Paton, Alex. McKinnon, F. H. Beer, E. R. Brown, Wm. A. Weeks, Wm. Weeks, Dr. S. R. Jenkins, P. P. Gillis, J. B. McDonald, Theo. L. Chappelle, Hubert Beer, Dr. McLeod, J. D. McLeod, B. Hartz, C. V. McGregor, Geo. A. Sharp and Horace Beer.

The President, Mr. C. C. Gardner, having taken the chair, the Directors' report was read by the Secretary.

The Secretary then read the following memorandum of propositions respecting a Provincial Exhibition, which they wished to submit to the Government, and upon which they desired an expression of opinion from the Association:—

1. They propose to memorialize the Government for a grant of \$2,500 a year for five years, for the purposes of a Provincial Prize List, the Association to supplement that grant by \$1,500 a year, making together a total of \$4,000, the whole to be offered for a prize list for agricultural and industrial products.

view of the large addition of \$1500 which this Association would make to a Provincial Prize List, and the advantage it would be to this town, as well as to the whole Province, to have a really first-class Provincial Exhibition held here, it would be in the interests of the city for the City Council to supplement the amount to be given by the Government towards a Provincial Prize List, and that the Council be requested to make a grant of money for that purpose.

After some discussion this resolution was also carried unanimously. The meeting then adjourned.

A. B. WARRINGTON, Secretary.

Matrimonial.

George Dudley Wright, of this city, and Minnie Sterns, of Souris, were married at the residence of the bride's parents, this forenoon. The ceremony was performed by Rev. J. G. Cameron, assisted by Rev. D. Ledge. After the wedding breakfast the happy couple left for Charlottetown, where they will reside. The establishment of Mark Wright & Co., of which the groom is foreman, is gayly decorated with bunting in honor of the event.

Entertainment.

The Greenwich Debating Society held its first literary entertainment on Friday evening, January 4th. If these meetings (which are to be held monthly, and to which the public are invited) may be judged by the initial one, they will be a grand success.

The programme, which consisted of readings, recitations, songs, etc., was carried out by the members, assisted by their lady friends. The large audience present evinced their appreciation of the proceedings by hearty applause.

Weak eyes and inflamed lids indicate an impure condition of the blood. The best remedy is Ayer's Sarsaparilla. It vitalizes the blood, regulates the secretions, and expels all scrofulous humors from the system. Try it. Price \$1. Worth \$3 a bottle.

CARD.

Gentlemen Electors of Ward Four.

AS IT was unexpected, until Mr. Riggs nominated yesterday, that there would be an election in your Ward, I did not deem it necessary to make a personal canvass, which the time at my disposal now prevents.

I now respectfully ask your support on election day, and assure you that if elected I shall do my utmost to forward your interests and that of the City generally.

I am, Gentlemen, Your obedient servant, HENRY DAVISON.

To the Electors of Ward 5.

LADIES AND GENTLEMEN,—Having been nominated by a large and influential meeting of the Electors of Ward Five, I shall offer myself as a candidate for Councillor at the forthcoming election.

As I may not be able to see you all personally before election day, I take this means of respectfully soliciting your support. Should you do me the honor to elect me, I shall use my influence to cut down all unnecessary expenditure, and to promote the best interests of the Ward and of the City.

Yours faithfully, PHILIP LARGE.

To the Electors of Ward 1.

LADIES AND GENTLEMEN,—Having been solicited to again put myself in nomination as your representative in the City Council, I beg leave to ask you for your support.

It is needless for me to say anything in reference to my services during the past two years, as what I have accomplished for the Ward is known to you; and if again favored with your confidence, I shall, in the future, as in the past, most respectfully endeavor to do all in my power to promote the interests of every individual resident of the Ward.

Yours respectfully, DAVID SMALL.

To the Electors of Ward 2.

LADIES AND GENTLEMEN,—At the request of a number of influential citizens, I have decided to test your Ward at the coming election.

Between now and election day there is but a short time. It will, therefore, be impossible for me to wait on you all personally; and I hereby most respectfully request your support, your vote and assistance at the coming contest.

In the interests of temperance, your general health, and retirement and reform in all civic matters, when necessary and prudent.

I am, Ladies and Gentlemen, Yours with the most profound respect, C. B. WARREN.

To the Electors of Ward 3.

GENTLEMEN,—The City Accounts for the past year are now before you, and on their merits I ask a continuance of the confidence reposed in me for the past six years.

Believing that the revenue should meet the expenditure in each year, I have endeavored, as Chairman of the Finance Committee, to carry that principle into effect, and I think I may claim that I have been fairly successful.

Should you again see fit to re-appoint me as your representative, I will use my influence to carry out the same policy in the future as in the past. Sincerely yours, SIMON W. CRABBE.

To the Electors of Ward 3.

LADIES AND GENTLEMEN,—Having been solicited by a large number of voters, I hereby offer myself as a candidate at the coming City Election for your Ward.

I elected, I pledge myself to see that Ward Three has its fair share of City improvements. I consider the taxation is altogether too high for the benefits derived; that there are too many officials, and that the City Government be conducted in a very economical and judicious manner. I shall also use my best endeavors to break up the ring that has been running this city to their own advantage for some time past.

I have the honor to be, Yours truly, T. Z. TAYLOR.

SPECIAL DESPATCHES TO THE EXAMINER.

STANLEY HEARD FROM.

AN INTERESTING LETTER.

BRUSSELS, Jan. 16.

The following letter, written by Henry M. Stanley, has been received in this city:

BOMA OF BONALLIYA, Muretia, Aug. 17.

To Sheikh Hamed Ben Mahomed, from his good friend Henry M. Stanley: Many salaams to you. I hope that you are in as good health as I am, and that you have remained in good health since I left the Congo. I have much to say to you, but hope I will see you face to face before many days. I reached here this morning with 139 wana, 3 soldiers and 66 natives belonging to Emin Pasha. It is now 82 days since I left Emin Pasha on the Nyarua. I lost only three men on the way. Two were killed and the others decamped. I found the white men, who were looking for Emin Pasha, quite well. The other white man, Casati, is also well. Emin Pasha has ivory in abundance, thousands of cattle and sheep, goats and fowl, and food of all kinds.

I found him a very good and kind man. He gave all our white and black men numbers of things. His liberality could not be exceeded. His soldiers blessed our black men for their kindness in coming so far to show them the way. Many of them were ready to follow me out of the country, but I asked them to stay quiet a few months and I might return and fetch the other men and goods left at Yambuana. They prayed to God that He would give me strength to finish my work. May their prayers be heard, and now, my friends, what are you going to do? We have gone the road I see over. We know where it is bad and where it is good, where there is plenty of food and where there is none, where all the camps are, and where we shall sleep and rest. I am waiting to hear your word. If you go with me it is well. I leave it to you. I will stay here ten days and will then proceed slowly. I will give hence to Big Island, two hours' march from here. Above this place there are plenty of houses and plenty of food for the men. Whatever you have to say to me my ears will be open with a good heart, as it has always been, towards you. Therefore if you come, come quickly, for on the eleventh morning from this I shall move on. All my white men are well, but I left them all behind except my servant, William, who is with me.

(Signed) HENRY M. STANLEY.

Sheik Hamed Ben Mahomed, to whom the above letter is addressed, is the Arab Tippoo Tib. The letter, which was taken to Stanley Falls by messenger and which reached Brussels by post last night, is the only one from Stanley which reached the coast of Africa. A number of other letters which the messenger conveyed to Stanley Falls still remain there, but it is expected that they will arrive in Europe in two or three months.
